SUPPLEMENTARY INFORMATION: In the final rules section of the **Federal Register**, EPA is approving the state's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial revision amendment and anticipates no relevant adverse comments to this action. A detailed rationale for the approval is set forth in the direct final rule. If no relevant adverse comments are received in response to this action, no further activity is contemplated in relation to this action. If EPA receives relevant adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed action. EPA will not institute a second comment period on this action. Any parties interested in commenting on this action should do so at this time. Please note that if EPA receives adverse comment on part of this rule and if that part can be severed

from the remainder of the rule, EPA may adopt as final those parts of the rule that are not the subject of an adverse comment. For additional information, see the direct final rule which is located in the rules section of this **Federal Register**.

Approval and Promulgation of Implementation Plans; State of Missouri

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA proposes to approve the State Implementation Plan (SIP) revision submitted by the state of Missouri for the purpose of including the Kansas City 8-hour ozone maintenance plan into the SIP. Section 110(a)(1) of the Clean Air Act requires that areas which were maintenance areas for the 1-hour ozone standard and attainment for the 8-hour ozone standard develop a plan showing how the state will maintain the ozone standard for the area. The maintenance plan includes an emissions inventory demonstration, a plan for how the states will track progress on reducing emissions, a commitment to continue ozone monitoring, and a contingency plan that will ensure that a violation of the 8-hour ozone standard is promptly addressed.
