2. Participation Guidelines for Oral Limited Appearance Statements

Any person not party to the proceeding has the opportunity, as specified below, to make an oral statement setting forth his or her position on matters of concern relating to this proceeding. These statements will be transcribed and will become part of the record of the proceeding for future reference, and they may (if focused on the contentions under consideration—assist the Board in formulating questions to ask the parties during oral argument or prompt the parties to address particular matters at the argument or in some other fashion. They do not, however, constitute evidence upon which a decision may be based.

Oral limited appearance statements will be entertained during the hours specified above, although a lesser time period may be sufficient to accommodate the speakers who are present. If all scheduled and unscheduled speakers present at a session have made a presentation, the Licensing Board reserves the right to terminate the session before the ending time listed above.

In order to accommodate as many speakers as feasible, the time allotted for each statement normally will be no more than three minutes, and speakers should prepare accordingly. That time limit may be altered, depending on the number of written requests that are submitted in accordance with subsection 3 below, and/or the number of persons present at the designated time. The same security guidelines applicable to the oral argument will be applicable to the limited appearance session as well, although limited appearance sessions are not deemed to be "adjudicatory proceedings" within the meaning of those guidelines.

3. Submitting a Request to Make an Oral Limited Appearance Statement

Persons wishing to make an oral statement who have submitted a timely written request to do so will be given priority over those who have not filed such a request. In order to be considered timely for priority purposes, a written request to make an oral statement must be mailed, faxed, or sent by e-mail so as to be received at NRC Headquarters by noon, EDT on Friday, August 17, 2007. In light of possible mail delivery delays, persons able to do so may wish to use

fax or e-mail to assure that their requests are timely received.

These written requests to make an oral statement are to be submitted in one of the following fashions:

Mail: Office of the Secretary, Rulemakings and Adjudications Staff, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001.

Fax: (301) 415-1101 (verification (301) 415-1966).

E-mail: hearingdocket@nrc.gov.

In addition, using the same method of service, a copy of the request must be sent to the Licensing Board as follows:

Mail: MOX Limited Appearance Box, Atomic Safety and Licensing Board Panel, Mail Stop T-3F23, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001.

Fax: (301) 415-5599 (verification (301) 415-7550).

E-mail: pah@nrc.gov and mxc7@nrc.gov.

Phone requests to make limited appearance statements will not be accepted.

4. Submitting Written Limited Appearance Statements

A written limited appearance statement (in lieu of or in addition to an oral presentation) may be submitted at any time. Such statements should be sent to the Office of the Secretary using the methods prescribed above, with a copy to the Licensing Board as noted above.

This new routine use is needed in order to allow for disclosure of records to appropriate persons and entities for purposes of response and remedial efforts in the event of a breach of data contained in the protected systems. This routine use will facilitate an effective response to a confirmed or suspected breach by allowing for disclosure to individuals affected by the breach, in cases, if any, where such disclosure is not otherwise authorized under the Act. This routine use will also authorize disclosures to others who are in a position to assist in response efforts, either by assisting in notification to affected individuals or otherwise playing a role in preventing, minimizing, or remedying harms from the breach.

The Privacy Act authorizes the agency to adopt routine uses that are consistent with the purpose for which information is collected and subject to that Act, 5 U.S.C. 552a(b)(3); *see also* 5 U.S.C. 552a(a)(7). The Peace Corps believes that it is consistent with the collection of information pertaining to such individuals to disclose Privacy Act records when, in doing so, it will help prevent, minimize or remedy a data breach or compromise that may affect such individuals. The Peace Corps believes that failure to take reasonable steps to help prevent or minimize the harm that may result from such a breach or compromise would jeopardize, rather than promote, the privacy of such individuals. Accordingly, the Peace Corps concludes that it is authorized under the Privacy Act to adopt a routine

use permitting disclosure of Privacy Act records for such purposes.

In accordance with the Privacy Act, *see* 5 U.S.C. 552a(e)(4) and (11), the Peace Corps is publishing notice of this routine use and giving the public a 30-day period to comment before adopting it as final. The Peace Corps is also providing at least 40 days advance notice of this proposed system notice amendment to OMB and the Congress, as required by the Act, 5 U.S.C. 552a(r), and OMB Circular A-130, Revised, Appendix I. We note that the text of this routine use is taken from the routine use that has already been published in final form by the Department of Justice and the Federal Trade Commission after public comment. *See* 72 FR 3410 (Jan. 25, 2007); 72 FR 31835 (June 8, 2007). Similarly, after taking into account

comments, if any, received by the Peace Corps, the Peace Corps intends to publish its proposed routine use as final after the period for OMB and Congressional review is complete.

Accordingly, the Peace Corps hereby proposes to amend General Routine Uses of its Privacy Act system notices, as published at 65 FR 53,772 (September 5, 2000), by adding the following new routine use:

* * * * *

General Routine Use M: To all appropriate agencies, entities, and persons when (1) The Peace Corps suspects or has confirmed that the security or confidentiality of information in the system of records has been compromised; (2) the Peace Corps has determined that as a result of the suspected or confirmed compromise there is a risk of harm to economic or property interests, identity theft or fraud, or harm to the security or integrity of this system or other systems or programs (whether maintained by the Peace Corps or another agency or entity) that rely upon the compromised information; and (3) the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with the Peace Corps' efforts to respond to the suspected or confirmed compromise and prevent, minimize, or remedy such harm.

Dated: August 3, 2007.

Wilbert Bryant,

Associate Director—Management.

BILLING CODE 6015-01-P

POSTAL REGULATORY COMMISSION

[Docket No. MC2007-3; Order No. 22]

Premium Forwarding Service

AGENCY: Postal Regulatory Commission.

ACTION: Notice and order.

SUMMARY: This document announces a formal docket to consider changing the status of Premium Forwarding Service (PFS) from experimental to permanent. It describes the Postal Service's proposal and makes several preliminary administrative decisions. Issuance of this document meets legal publication requirements and informs interested persons about key details, including opportunities for public participation and the decisionmaking timetable.

DATES: 1. *August 21, 2007:* Deadline for intervention.

2. *August 22, 2007:* Deadline for response to motion for waiver.

3. *August 28, 2007:* Prehearing conference (10 a.m.).

ADDRESSES: Submit comments electronically via the Commission's Filing Online system at <http://www.prc.gov>.

FOR FURTHER INFORMATION CONTACT: Stephen L. Sharfman, General Counsel, 202-789-6820 and stephen.sharfman@prc.gov.

SUPPLEMENTARY INFORMATION: On July 31, 2007, the Postal Service filed a request seeking a recommended decision approving a change in the Domestic Mail Classification Schedule (DMCS) making Premium Forwarding Service (PFS) permanent.¹ The request, which was filed pursuant to chapter 36 of title 39, United States Code, includes five attachments.² In support of the Request, the Postal Service has filed Direct Testimony of Laraine B. Hope (USPS-T-1), Abdulkadir M. Abdirahman (USPS-T-2) and Gregory Dawson (USPS-T-3).

For two years the Postal Service has been offering experimental PFS in accordance with the Commission's Recommended Decision Approving the Stipulation and Agreement in Docket No. MC2005-1 and the Governor's Decision of May 10, 2005, approving the recommendation. Based on the results of the experiment, the Postal Service has concluded that PFS is an attractive supplement to pre-existing options for customers who temporarily relocate. Request at 1-2.

The Postal Service concurrently filed a conditional motion for waiver of certain filing requirements.³ The Postal Service claims that its submissions comply with the Commission's filing requirements through incorporation by reference. It also acknowledges that it has supplemented materials developed for this request by incorporating documentation submitted by the Postal Service in the most recently concluded omnibus rate proceeding, Docket No. R2006-1. Accordingly, the Service requests a waiver of certain filing requirements pursuant to 39 CFR 3001.22, 3001.54(r), and 3001.64(h)(3) if

¹ Request of the United States Postal Service for a Recommended Decision on Premium Forwarding Service, July 31, 2007 (Request).

² Attachment A contains the proposed Domestic Mail Classification Schedule language changes; Attachment B sets forth proposed Fee Schedule 937 for PFS; Attachment C is the Compliance Statement composed of responses to the Commission's filing requirements; Attachment D is an index of testimony; and Attachment E is the certification required by Commission rule 54(p).

³ Statement of the United States Postal Service Concerning Compliance with Filing Requirements and Conditional Motion for Waiver, July 31, 2007 (Motion for Waiver).

the Commission finds that materials incorporated from Docket No. R2006-1 are not sufficient. Motion for Waiver at 2-3.

The Postal Service also has filed United States Postal Service Request for Establishment of Settlement Procedures, August 2, 2007 (Settlement Request). The Postal Service contends that the testimony of its three witnesses in support of the Settlement Request is straightforward and the proposal to make PFS permanent would not change the terms of the existing service or its prices. Further, it maintains that PFS customer benefits and minor financial impact may increase the likelihood of settlement. *Id.* at 1. Thus, the Postal Service requests the Commission's assistance in establishing settlement procedures for this proceeding. *Id.* at 3.

The Request, accompanying testimony and other related material can be accessed electronically, via the Internet, on the Commission's Web site (<http://www.prc.gov>).

I. Proposed Premium Forwarding Service

The Postal Service proposes to make Premium Forwarding Service permanent. PFS is intended for residential customers. When residential customers temporarily relocate to another domestic address this service reships all of their mail once a week. After a customer enrolls in PFS and his or her application is accepted, the Postal Service bundles and reships the mail to a temporary address. The customer's mail is reshipped via Priority Mail in a Priority Mail package. PFS is available for a period of at least two weeks and no longer than one year (per application). This service also allows customers to specify whether to include the mail of the entire household or merely an individual addressee. *Id.* at 2. The Postal Service proposes that the existing application and weekly prices be retained.

The fee for mail reshipped by PFS includes a \$10.00 enrollment fee for the service and a weekly reshipment fee of \$2.85. The customer also will be charged the Priority Mail postage appropriate for a 3-pound parcel to zone 6, currently \$9.10. Altogether, customers will pay \$11.95 for the weekly reshipment of their mail.

The Postal Service asserts that permanent PFS would advance the general policies of the Postal Reorganization Act by reducing the time between entry of mail and recipients' access to its valuable contents.
