It is important to note that FINRA is not under any obligation to test: (1) The integrity of a model, its processes or methodology; or (2) the employment of such models by eligible broker-dealers as to any data inputs, calculations or any other utilization of the model.

FINRA will announce the effective date of the proposed rule change in a *Notice to Members* to be published no later than 60 days following Commission approval. The effective date will be no later than 30 days following publication of the *Notice to Members* announcing Commission approval.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,¹⁸ which requires, among other things, that FINRA rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that it is appropriate, subject to certain conditions, to exempt options positions of entities subject to an extensive regulatory framework of a federal financial regulator from position limits and require that only the option contract equivalent of the net delta of a stock options position be subject to position limits.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change would result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing of Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) As the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-56211; File No. SR-ISE-2007-34]

Self-Regulatory Organizations; International Securities Exchange, LLC; Order Approving a Proposed Rule Change Relating to an Amendment to the International Securities Exchange, LLC Constitution and Amended and Restated LLC Agreement

August 6, 2007.

I. Introduction

On May 8, 2007, the International Securities Exchange, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend the Exchange's Constitution ("ISE Constitution" or "Constitution") and Amended and Restated LLC Agreement ("ISE LLC Agreement"). The proposed rule change was published for comment in the **Federal Register** on June 4, 2007.³ The Commission received no comments regarding the proposal. This order approves the proposed rule change.

II. Description of the Proposal

Currently, the ISE Constitution requires that the President of the Exchange and the Chief Executive Officer ("CEO") of the Exchange be the same person. The Constitution also

¹⁹ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ See Securities Exchange Act Release No. 55809 (May 23, 2007), 72 FR 30894.

¹⁸ 15 U.S.C. 78o-3(b)(6).

currently requires that the number of directors on the board of directors ("Board") of the Exchange be fixed at 15, to be comprised of: (i) Two "PMM Directors"⁴; (ii) two "CMM Directors"⁵; (iii) two "EAM Directors"⁶; (iv) eight "Non-Industry Directors"⁷—at least two of whom must be "Public Directors"⁸—and (v) the person holding the office of President and CEO.

The proposed rule change would remove the requirement that the President be the CEO, and amend the ISE Constitution to require that the director position described in subparagraph (v) above be held by the CEO. The proposal also would amend the Constitution to establish the number of directors at no less than 15 and no more than 16.

In conjunction with these changes, Sole LLC Member,⁹ in its sole and

absolute discretion, would be able to elect one additional director ("Former Employee Director") who was employed by the Exchange at any time during the three-year period prior to his or her initial election but otherwise meets the definition of a Non-Industry Director under the Exchange's Constitution.¹⁰ The proposed rule change also would make conforming amendments to the ISE LLC Agreement.

According to the Exchange, the proposed modifications to its governance structure would provide it with the flexibility to structure its board of directors in a way that would enable the ISE to attract and keep talented individuals.

III. Discussion

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange. Specifically, the Commission finds that the proposed rule change is consistent with section 6(b)(1) of the Act,¹¹ which requires, among other things, that an exchange be so organized and have the capacity to be able to carry out the purposes of the Act; and with section 6(b)(5) of the Act,¹² which requires, among other things, that the rules of a national securities exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system, and, in general, to protect investors and the public interest.¹³

The Commission notes that the additional member that the Sole LLC Member would be permitted to elect to the Board, aside from having been an Exchange employee within the prior

three years, otherwise would be required to meet the qualifications of a Non-Industry Director. Thus, the Former Employee Director could not be a person who is an officer, director, or employee of a broker or dealer or who has been employed in any such capacity at any time within the prior three years. Further, the Commission notes that, under the proposed rule change, the ISE Constitution would continue to provide that eight of the members of the Exchange's board of directors—out of a maximum total of 16 members—must be non-industry representatives. The Commission believes that this proposed balance with respect to the composition of the Exchange's Board is consistent with other self-regulatory organization governance structures that were approved by the Commission.¹⁴

IV. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act,¹⁵ that the proposed rule change (SR-ISE-2007-34) be, and hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁶
