AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

EFFECTIVE DATE: August 15, 2007.

FOR FURTHER INFORMATION CONTACT:

Myrna Lobo, Office of AD/CVD Operations 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-2371.

SUPPLEMENTARY INFORMATION:**Background**

On March 1, 2007, the Department of Commerce (the Department) published in the **Federal Register** the notice of initiation of a new shipper review of the antidumping duty order on canned pineapple fruit from Thailand for C&A Products Co., Ltd. (C&A). *See Canned Pineapple Fruit from Thailand: Initiation of New Shipper Antidumping Duty Review*, 72 FR 9305 (March 1, 2007). The period of review is July 1, 2006 through December 31, 2006.

Extension of Time Limit for Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1) of the Department's regulations normally require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and final results within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the time period for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated. *See* section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

The Department has determined that this review is extraordinarily complicated, as the Department requires additional time to evaluate petitioner's (Maui Pineapple Company Ltd.) cost allegation and to review responses. Based on the further analysis required, the preliminary results of this new shipper review cannot be completed within the statutory time limit of 180

days. Accordingly, the Department is extending the time limit for the completion of the preliminary results of the new shipper review of C&A to 300 days. *See* section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2). The preliminary results will now be due no later than December 19, 2007. The final results will be due 90 days after the date of issuance of the preliminary results, unless extended.

This notice is issued and published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: August 9, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Certain Polyester Staple Fiber from Taiwan: Notice of Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 15, 2007.

FOR FURTHER INFORMATION CONTACT:

Devta Ohri, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-3853.

SUPPLEMENTARY INFORMATION:**Background**

On May 25, 2000, the Department of Commerce ("Department") published an antidumping duty order on certain polyester staple fiber ("PSF") from Taiwan. *See Notice of Amended Final Determination of Sales at Less Than Fair Value: Certain Polyester Staple Fiber From the Republic of Korea and Antidumping Duty Orders: Certain Polyester Staple Fiber From the Republic of Korea and Taiwan*, 65 FR 33807 (May 25, 2000). On May 1, 2006, the Department published a notice of "Opportunity to Request Administrative Review" of this order. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 71 FR 25565 (May 1, 2006). On May 31, 2006, Far Eastern Textile Limited ("FET") requested an administrative review. On July 3, 2006, the Department published a notice initiating an administrative review for PSF from Taiwan. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 71 FR 37892 (July 3, 2006). The period of review

("POR") is May 1, 2005, through April 30, 2006.

On June 6, 2007, the Department published the preliminary results of the 2005–2006 administrative review of the antidumping duty order on certain PSF from Taiwan. *See Certain Polyester Staple Fiber from Taiwan: Preliminary Results of Antidumping Duty Administrative Review*, 72 FR 31283 (June 6, 2007). This review covers one manufacturer/exporter of the subject merchandise to the United States, FET. In the preliminary results we stated that we would issue our final results for the antidumping duty administrative review no later than 120 days after the date of publication of the preliminary results (*i.e.*, October 4, 2007).

Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Act requires the Department to issue the final results in an administrative review within 120 days of the publication date of the preliminary results. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days.

The Department has determined that completion of the final results of this review within the original time period is not practicable due to the complex legal and factual issues that have arisen since the issuance of our preliminary results of review. Specifically, the Department requires additional time to review pending allegations made by the domestic interested parties and the rebuttals filed by the respondent. Thus, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by an additional 60 days, until December 3, 2007.

This notice is published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: August 7, 2007.

Gary Taverman,

Acting Deputy Assistant Secretary for Import Administration.
