BILLING CODE 4910-13-P

SOCIAL SECURITY ADMINISTRATION

20 CFR Part 422

[Docket No. SSA-2007-0009]

RIN 0960-AG36

Private Printing of Prescribed Applications, Forms, and Other Publications

AGENCY: Social Security Administration.

ACTION: Notice of proposed rulemaking.

SUMMARY: The current regulation at 20 CFR 422.527 requires a person, institution, or organization (person) to obtain approval from the Social Security Administration (SSA) prior to reproducing, duplicating, or privately printing any application or other form prescribed by the Administration. Such approval has been required whether or not the person intended to charge a fee for SSA's application(s) or other form(s). Section 1140(a)(2)(A) of the Social Security Act (the Act) prohibits a person from charging a fee to reproduce, reprint, or distribute any SSA application, form, or publication unless he/she obtains the authorization of the Commissioner of Social Security in accordance with such regulations as he may prescribe. (42 U.S.C. 1320b-10(a)(2)(A)). This proposed rule would implement section 1140(a)(2)(A) of the Act by adding SSA's publications to the pre-authorization requirement identified

in 20 CFR 422.527 and by establishing that SSA's authorization is required only when the person intends to charge a fee. The proposed rule also would prescribe the procedures a person who intends to charge a fee must follow to obtain SSA's written authorization prior to reproducing, reprinting, and/or distributing SSA's applications, forms, or publications.

Background

The current regulation at 20 CFR 422.527 requires any person who wishes to reproduce, duplicate, or privately print any application or other form prescribed by SSA to obtain prior approval of such use from SSA. Consistent with the requirements of 20 CFR 422.527, in 1992, SSA began approving requests from the public to duplicate or privately print the Administration's applications or other forms. The requirement to obtain SSA approval applied whether or not the person intended to charge a fee.

Section 312(a) of the Social Security Independence and Program Improvement Act (SSIPA) amended the Social Security Act (the Act) and, among other things, added section 1140(a)(2)(A) to the Act. Pub. L. 103–296, Sec. 312(a) (codified as 42 U.S.C. § 1320b–10(a)(2)(A)). This section prohibits any person from charging a fee to reproduce, reprint, or distribute SSA’s official applications, forms, or publications unless the Commissioner grants the person specific written authorization in accordance with regulations which the Commissioner shall prescribe. This proposed rule would implement section 312(a) of the SSIPA by adding SSA publications to the current regulation and by providing for SSA’s prior approval of requests to reproduce, reprint, and/or distribute its applications, forms, or publications when the person intends to charge a fee. Furthermore, our proposed rule would implement section 312(a) by establishing the procedure any person who intends to charge a fee for reproducing, reprinting, or distributing SSA materials must follow to obtain SSA’s prior approval. The requirement to obtain SSA’s prior approval would apply regardless of the means the person uses to transmit the document, e.g., Internet or direct mail. This regulation would help to ensure that consumers obtain accurate and current materials and information regarding the Administration’s programs.

Clarity of This Regulation

Executive Order 12866, as amended, requires each agency to write all rules in plain language. In addition to your substantive comments on this proposed rule, we invite your comments on how to make this proposed rule easier to understand.

For example:

- Have we organized the material to suit your needs?
- Are the requirements of the rule clearly stated?
- Does the rule contain technical language or jargon that isn’t clear?
- Would a different format (grouping and order of sections, use of headings, paragraphing) make the rule easier to understand?
- Would more (but shorter) sections be better?
- Could we improve the clarity by adding tables, lists, or diagrams?
- What else could we do to make the rule easier to understand?
