

in a timely manner in the territory of any Party. The CAFTA–DR Act states that the President will make a determination on whether additional fabrics, yarns, and fibers are available in commercial quantities in a timely manner in the territory of any Party.

The CAFTA–DR Act requires the President to establish procedures governing the submission of a request and providing opportunity for interested entities to submit comments and supporting evidence before a commercial availability determination is made. In Presidential Proclamations 7987 and 7996, the President delegated to CITA the authority under section 203(o)(4) of the CAFTA–DR Act for modifying the Annex 3.25 list. On March 21, 2007, CITA published final procedures it would follow in considering requests to modify the Annex 3.25 list (72 FR 13256) (Final Procedures).

On June 18, 2007, CITA received a Request from The Government of the Dominican Republic for a commercial availability determination under the CAFTA–DR for 29 fabrics. On June 20, 2007, in accordance with CITA's Final Procedures, CITA notified interested parties of the Request and requested that responses with offers to supply be submitted by July 2, 2007, and rebuttals to responses be submitted by July 9, 2007. At the same time, the Request was posted on the dedicated CAFTA–DR commercial availability Web site.

In accordance with section 203(o)(4)(C)(iii)(II) of the CAFTA–DR Act, and section 8(c)(2) of the Final Procedures, as no interested entity submitted a response objecting to two of the fabrics of the request or expressed an ability to supply the subject products, CITA has determined to add the two specified fabrics to the list in Annex 3.25 of the CAFTA–DR Agreement.

The subject fabrics are added to the list in Annex 3.25 of the CAFTA–DR Agreement in unrestricted quantities. A revised list has been published on-line.

Specifications of the two woven fabrics:

HTS Subheading:	5211.31.0020
Fiber content:	75% cotton, 25% nylon woven fabric
Yarn:	
warp yarn size:	35.5/1 metric cotton
filling yarn size:	35.5/1 metric (slub yarn of cotton wrapped around a 45 metric filament nylon)
	41 warp ends/cm.
	22 filling picks/cm
weight:	223 grams per square meter
width:	147 cm

weave type:	plain
Finish:	piece dyed

(Variance allowance of up to three percent for yarn size, thread count, fabric weight, and fabric width for the above fabric)

HTS Subheading:	5801.32
Fiber content:	86% polyester 14% nylon woven corduroy fabric

Yarn:	
warp yarn size:	60 metric filament polyester
filling yarn size:	60 metric filament polyester and a 56 metric filament nylon
	28 warp ends/cm
	63 filling picks/cm.
	250 grams per square meter

weight:	250 grams per square meter
width:	150 cm.
weave type:	corduroy – 3 wales per cm.

Finish:	piece dyed
----------------	------------

(Variance allowance of up to three percent for yarn size, thread count, fabric weight, and fabric width for the above fabric)

R. Matthew Priest,

Chairman, Committee for the Implementation of Textile Agreements.
