

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This proposed rule would not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office

of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this proposed rule under Commandant Instruction M16475.ID and Department of Homeland Security Management Directive 5100.1, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is not likely to have a significant effect on the human environment. Draft documentation supporting this preliminary determination will be available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

2. Amend § 100.105 to revise paragraph (a) to read as follows:

§ 100.105 Head of the Connecticut Regatta.

(a) *Regulated Area*. The regulated area is that section of the Connecticut River between the northern tip of Gildersleeve Island and Light Number 87.

* * * * *

Dated: August 10, 2007.

Timothy V. Skuby,

Captain, U.S. Coast Guard, Acting Commander, First Coast Guard District.

[Docket No. 2007–04]

RIN 3014–AA22

Accessibility Guidelines for Emergency Transportable Housing

AGENCY: Architectural and Transportation Barriers Compliance Board.

ACTION: Notice of establishment; appointment of members; date of first meeting.

SUMMARY: The Architectural and Transportation Barriers Compliance Board (Access Board) has decided to establish an advisory committee to assist it in developing accessibility guidelines for emergency transportable housing. This notice also announces the time and place of the first committee meeting.

DATES: The first meeting of the committee is scheduled for September 24 and 25, 2007 beginning at 10 a.m. on September 24 and 9 a.m. on September 25 and ending at 5 p.m. on each day. Decisions with respect to future meetings will be made at the first meeting and from time to time thereafter.

ADDRESSES: The first meeting of the Committee will be held at the Access Board’s offices, 1331 F Street, NW., suite 1000, Washington, DC.

FOR FURTHER INFORMATION CONTACT: Marsha Mazz, Office of Technical and Information Services, Architectural and Transportation Barriers Compliance Board, 1331 F Street, NW., suite 1000, Washington, DC 20004–1111. Telephone number (202) 272–0020 (Voice); (202) 272–0082 (TTY). These are not toll-free numbers. E-mail address: mazz@access-board.gov.

SUPPLEMENTARY INFORMATION: On June 25, 2007, the Architectural and

Transportation Barriers Compliance Board (Access Board) published a notice of intent to establish an advisory committee to provide recommendations for possible revisions to the Americans with Disabilities Act (ADA) and Architectural Barriers Act (ABA) Accessibility Guidelines to include provisions for emergency transportable housing (72 FR 34652; June 25, 2007).

For the reasons stated in the notice of intent, the Access Board has determined that establishing the Emergency Transportable Housing Advisory Committee (Committee) is necessary and in the public interest. The Access Board has appointed the following organizations as members to the Committee:

- Advocacy Center.
- Coalition for Citizens with Disabilities.
- Department of Housing and Urban Development.
- Department of Justice.
- Federal Emergency Management Agency.
- Manufactured Housing Association for Regulatory Reform.
- Manufactured Housing Institute.
- National Center for Environmental Health Strategies, Inc.
- National Council on Independent Living.
- National Fire Protection Association.
- Recreation Park Trailer Industry Association.
- Recreation Vehicle Industry Association.
- United Spinal Association.

The Access Board regrets its inability to accommodate all requests for membership on the Committee. It was necessary to limit membership to maintain balance among members representing different interests such as disability organizations and the transportable housing industry. The Committee membership identified above provides representation for interests affected by the issues to be discussed.

Committee meetings will be open to the public, and interested persons can attend the meetings and communicate their views. Members of the public will have opportunities to address the Committee on issues of interest to them and the Committee. Members of groups or individuals who are not members of the Committee may also have the opportunity to participate if subcommittees of the Committee are formed. Additionally, all interested persons will have the opportunity to comment when proposed rules are issued in the **Federal Register** by the Access Board.

The meeting site is accessible to individuals with disabilities. Individuals who require sign language interpreters, real-time captioning, or materials in alternate formats should contact Marsha Mazz by September 14. Persons attending Committee meetings are requested to refrain from using perfume, cologne, and other fragrances for the comfort of other participants. Notices of future meetings will be published in the **Federal Register**.

Tricia Mason,

Chair, Architectural and Transportation Barriers Compliance Board.

Telecommunications Act Accessibility Guidelines; Electronic and Information Technology Accessibility Standards

AGENCY: Architectural and Transportation Barriers Compliance Board.

ACTION: Notice of meeting.

SUMMARY: The Architectural and Transportation Barriers Compliance Board (Access Board) has established a Telecommunications and Electronic and Information Technology Advisory Committee (Committee) to assist it in revising and updating accessibility guidelines for telecommunications products and accessibility standards for electronic and information technology. This notice announces the dates, time, and location of the next committee meeting.

DATES: The meeting is scheduled for September 4-6, 2007 (beginning at 9 a.m. and ending at 5 p.m. on each day).

ADDRESSES: The meeting will be held at the National Science Foundation. All attendees should report to the National Science Foundation, 4201 Wilson Boulevard, Arlington, VA 22230, to pick up security passes and then report to 4121 Wilson Boulevard, Stafford Place II, Room 555, Arlington, VA 22230 for the meeting.

FOR FURTHER INFORMATION CONTACT: Timothy Creagan, Office of Technical and Information Services, Architectural and Transportation Barriers Compliance Board, 1331 F Street, NW., suite 1000, Washington, DC 20004-1111. Telephone number: 202-272-0016 (Voice); 202-272-0082 (TTY).

Electronic mail address: creagan@access-board.gov.

SUPPLEMENTARY INFORMATION: The Architectural and Transportation Barriers Compliance Board (Access Board) established the Telecommunications and Electronic and Information Technology Advisory Committee (Committee) to assist it in revising and updating accessibility guidelines for telecommunications products and accessibility standards for electronic and information technology. The next meeting of the Committee will take place on September 4-6, 2007.

On September 4, there will be panel discussions in the morning focusing on feedback on the Committee's current draft provisions. Following the panel presentations there will be an open discussion. After the panel presentations and open discussion are completed, the remainder of the meeting on September 4 and the meetings on September 5 and 6 will focus on discussion of outstanding issues from the following subcommittees:

- Software, Web, and Content
- General Interface Requirements and Functional Performance Criteria
- Computer Hardware
- Subpart A
- Documentation and Technical Support
- Telecommunications
- Audio/Visual
- Self Contained, Closed Products

The full agenda along with information about the Committee, including future meeting dates, is available at the Access Board's Web site (<http://www.access-board.gov/sec508/update-index.htm>) or at a special Web site created for the Committee's work (<http://teitac.org>).

Committee meetings are open to the public and interested persons can attend the meetings and communicate their views. Members of the public will have opportunities to address the Committee on issues of interest to them during public comment periods scheduled on each day of the meeting. Members of groups or individuals who are not members of the Committee are invited to participate on subcommittees; participation of this kind is very valuable to the advisory committee process.

The meeting site is accessible to individuals with disabilities. Sign language interpreters, an assistive listening system, and real-time captioning will be provided. For the comfort of other participants, persons attending Committee meetings are requested to refrain from using perfume, cologne, and other fragrances. Due to
