

POLICY JUSTIFICATION**Iraq - Upgrade of UH-I to UH-II HUEY Helicopters**

The Government of Iraq has requested a possible sale to upgrade 16 UH-I HUEY helicopters to the UH-II configuration, spare and repair parts, support equipment, publications and technical data, communications equipment, maintenance, personnel training and training equipment, Quality Assurance Team support services, U.S. Government and contractor engineering and logistics support services, preparation of aircraft for shipment, and other related elements of logistics support. The estimated cost is \$150 million.

This proposed sale will contribute to the foreign policy and national security of the United States by helping to improve the security of a friendly country.

The sale of the these helicopters and support will enhance the ability of the Iraqi forces to sustain themselves in their efforts to bring stability to the country and prevent overflow of unrest into neighboring countries.

The proposed sale of this equipment and support will not affect the basic military balance in the region.

The contractor is ARINC Corporation in Annapolis, Maryland. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this sale will require the assignment of up to four U.S. Government Quality Assurance representatives to Iraq for three weeks following delivery of the helicopters.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.
