BILLING CODE 7020-02-P**INTERNATIONAL TRADE COMMISSION****Summary of Commission Practice Relating to Administrative Protective Orders****AGENCY:** U.S. International Trade Commission.**ACTION:** Summary of Commission practice relating to administrative protective orders.

SUMMARY: Since February 1991, the U.S. International Trade Commission ("Commission") has issued an annual report on the status of its practice with respect to violations of its administrative protective orders ("APOs") in investigations under Title VII of the Tariff Act of 1930 in response to a direction contained in the Conference Report to the Customs and Trade Act of 1990. Over time, the Commission has added to its report discussions of APO breaches in Commission proceedings other than under Title VII and violations of the

Commission's rules including the rule on bracketing business proprietary information ("BPI") (the "24-hour rule"), 19 CFR 207.3(c). This notice provides a summary of investigations completed during calendar year 2006 of breaches in proceedings under Title VII. In 2006, there were no completed investigations of breaches in proceedings other than Title VII. The Commission intends that this report inform representatives of parties to Commission proceedings as to some specific types of APO breaches encountered by the Commission and the corresponding types of actions the Commission has taken.
