Applicants' Representations

1. The Trust, a Delaware statutory trust, is an open-end management investment company registered under the Act and is comprised of multiple Funds. The Adviser, which is registered as an investment adviser under the Investment Advisers Act of 1940 ("Advisers Act"), serves as investment adviser to each Fund. The Adviser may in the future retain one or more sub-advisers ("Sub-Advisers") to manage particular Funds' portfolios. Any Sub-Adviser will be registered under the Advisers Act. The Distributor, a broker-dealer registered under the Securities Exchange Act of 1934 ("Exchange Act"), serves as the principal underwriter and distributor for the Funds.

2. The Trust currently offers Funds based on underlying equity income securities indexes (each an "Underlying Index") comprised of domestic equity securities in reliance on the Prior Order.

Applicants seek to amend the Prior Order to permit the Trust to offer the New Funds, which are based on Underlying Indexes comprised of foreign equity securities.³ The New Funds would operate in a manner identical to the existing Funds, except as described in the application (and summarized in this notice). No entity that creates, compiles, sponsors, or maintains an Underlying Index is or will be an affiliated person, as defined in section 2(a)(3) of the Act, or an affiliated person of an affiliated person, of a Trust, the Adviser, any Sub-Adviser, the promoter or Distributor of a Fund.

3. Under the Prior Order, each Fund is subject to the representation that it will invest at least 90% of its assets in the component securities of its Underlying Index ("Component Securities"). Applicants request relief to amend the prior order to permit a Fund to invest at least 80% or 90% of its assets, as disclosed in the relevant prospectus, in the Component Securities of the Underlying Index.⁴ In addition, applicants request relief to permit each International Fund, for purposes of satisfying this requirement, to count certain depository receipts ("Depository Receipts") that represent Component Securities as well as Component Securities. Applicants represent that each International Fund would thus invest at least 80% of its assets in the Component Securities of its Underlying Index and Depository Receipts representing such Component Securities.⁵ Applicants state that an International Fund generally would only hold Depository Receipts if the Adviser believed that holding the Depository Receipts, rather than holding the Component Securities, would benefit the International Fund.

4. Applicants state that all discussions contained in the application for the Prior Order are equally applicable to the New Funds, except as specifically noted by applicants (as summarized in this notice). Applicants assert that the New Funds will operate in a manner identical to the existing Funds and will

³ The New Funds will seek to track the S&P International Equal Weight Index and the Russell Emerging Markets Index.

⁴ Applicants state that at all times a Fund will hold, in the aggregate, at least 80% of its total assets in Component Securities and investments that have economic characteristics that are substantially identical to the economic characteristics of the Component Securities of its Underlying Index.

⁵ Applicants state that the Depository Receipts will be listed on a national securities exchange, as defined in section 2(a)(26) of the Act ("Exchange") or a foreign exchange. The Adviser, Sub-Adviser and their affiliated persons will not serve as the depository bank for any Depository Receipts held by an International Fund.

comply with all of the terms, provisions and conditions of the Prior Order, as amended by the present application. Applicants believe that the requested relief continues to meet the necessary exemptive standards.

Applicants' Legal Analysis

Section 22(e) of the Act

1. In connection with applicants' request for relief to permit the operations of the New Funds, applicants seek to amend the Prior Order to add relief from section 22(e) of the Act. Section 22(e) generally prohibits a registered investment company from suspending the right of redemption or postponing the date of payment of redemption proceeds for more than seven days after the tender of a security for redemption. The principal reason for the requested exemption is that settlement of redemptions for the International Funds is contingent not only on the settlement cycle of the United States market, but also on currently practicable delivery cycles in local markets for underlying foreign securities held by the International Funds. Applicants state that local market delivery cycles for transferring certain foreign securities to investors redeeming Creation Units, together with local market holiday schedules, will, under certain circumstances, require a delivery process in excess of seven calendar days for the International Funds. Applicants request relief under section 6(c) of the Act from section 22(e) in such circumstances to allow the International Funds to pay redemption proceeds up to 14 calendar days after the tender of any Creation Units for redemption. At all other times and except as disclosed in the relevant prospectus, product description, or statement of additional information ("SAI"), applicants expect that each International Fund will be able to deliver redemption proceeds within seven days.⁶ With respect to Future Funds that are International Funds, applicants seek the same relief from section 22(e) only to the extent that circumstances similar to those described in the application exist.

2. Applicants state that section 22(e) was designed to prevent unreasonable, undisclosed and unforeseen delays in the payment of redemption proceeds. Applicants assert that the requested relief will not lead to the problems that

⁶ Rule 15c6-1 under the Exchange Act requires that most securities transactions be settled within three business days of the trade. Applicants acknowledge that no relief obtained from the requirements of section 22(e) will affect any obligations applicants may have under rule 15c6-1.

section 22(e) was designed to prevent. Applicants state that the SAI for each International Fund will disclose those local holidays (over the period of at least one year following the date of the SAI), if any, that are expected to prevent the delivery of redemption proceeds in seven calendar days, and the maximum number of days needed to deliver the proceeds for the relevant International Fund.

Future Relief

3. Applicants also seek to amend the Prior Order to modify the terms under which the Trust may offer Future Funds. The Prior Order is currently subject to a condition that does not permit relief for Future Funds unless applicants request and receive with respect to such Future Fund, either exemptive relief from the Commission or a no-action letter from the Division of Investment Management of the Commission, or the Future Fund could be listed on an Exchange without the need for a filing pursuant to rule 19b-4 under the Exchange Act.

4. The order would amend the Prior Order to delete this condition. Any Future Fund will: (a) Be advised by the Adviser, or an entity controlled by or under common control with the Adviser; (b) track an Underlying Index that is created, compiled, sponsored or maintained by an entity that is not an affiliated person, as defined in section 2(a)(3) of the Act, or an affiliated person of an affiliated person, of the Adviser, the Distributor, the Trust or any Sub-Adviser or promoter of a Fund; and (c) comply with the respective terms and conditions of the Prior Order, as amended by the present application.

5. Applicants believe that the modification of the future relief available under the Prior Order would be consistent with sections 6(c) and 17(b) of the Act and that granting the requested relief will facilitate the timely creation of Future Funds by removing the need to seek additional exemptive relief. Applicants submit that the terms and conditions of the Prior Order have been appropriate for the existing Funds and would remain appropriate for Future Funds. Applicants also submit that tying exemptive relief under the Act to the ability of a Future Fund to be listed on an Exchange without the need for a rule 19b-4 filing under the Exchange Act is not necessary to meet the standards under sections 6(c) and 17(b) of the Act.

Applicants' Condition

Applicants agree that any order granting the requested relief will be subject to the same conditions as those

imposed by the Prior Order, except for condition 1 to the Prior Order, which will be deleted.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Nancy M. Morris,
Secretary.

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Amending the Payment for Order Flow Plan To Apply the Current Marketing Fee to Orders Sent to Directed Order Participants

August 28, 2007.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 20, 2007, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. Amex has designated this proposal as one establishing or changing a due, fee, or other charge imposed by Amex under section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Payment for Order Flow Plan to apply the current marketing fee to orders sent to Directed Order Participants.⁵ The text

² 17 CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A)(ii).

⁴ 17 CFR 240.19b-4(f)(2).

⁵ The Exchange's Directed Order Program (the "Program") was recently approved by the Commission. See Securities Exchange Act Release No. 56269 (August 15, 2007), 72 FR 47086 (August 22, 2007) (Notice of Filing and Order Granting Accelerated Approval of SR-Amex 2007-75). A Directed Order Participant, as defined in proposed Rule 996-ANTE is any specialist, Registered

of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.amex.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change, and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Amex has substantially prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the current fee schedule to apply the marketing fee charged to equity options (the "Payment for Order Flow Plan") to orders sent to Directed Order Participants.⁶

A Directed Order Participant may choose to opt in or opt out of the Payment for Order Flow Plan.⁷ If the Directed Order Participant chooses to opt into the Payment for Order Flow Plan, the Exchange will collect the applicable marketing fee per contract from the participating specialists, ROTs, RROTs, and SROTs, for all electronic customer orders directed to that Directed Order Participant. The pool of funds collected would be used to fund

Options Trader ("ROT"), Supplemental Registered Options Trader ("SROT"), and Remote Registered Options Trader ("RROT") that enters into arrangements with an Order Flow Provider, whereby they could receive directed orders upon meeting certain eligibility requirements.

⁶ Under the current plan, the Exchange charges an equity options marketing fee of \$0.75, \$0.35, or \$0.40 per contract solely to customer orders that are from payment accepting firms with whom a specialist or SROT has negotiated a payment for order flow arrangement. SPDR Options are currently subject to a \$1.00 or \$0.40 per contract fee. The \$0.75 and \$0.35 fee solely applies to those orders that are executed electronically through the Exchange's ANTE system, while the \$0.40 fee applies to those series of equity options, exchange traded fund share options (including SPY options), Trust Issued Receipt Options, NDX, and RUT options that are manually executed customer orders of 1,000 contracts or greater.

⁷ Once a Directed Order Participant opts into the Payment for Order Flow Plan, no notice to the Exchange is required in a subsequent month unless there is a change in the participation status.
