The Social Security Administration (SSA) publishes a list of information collection packages that require clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. The information collection packages included in this notice are for extensions of and revisions to OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and on ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Written comments and recommendations regarding the information collection(s) should be submitted to the OMB Desk Officer and the SSA Reports Clearance Officer. The information can be mailed, faxed or e-mailed to the individuals at the addresses and fax numbers listed below:

1. Application for Help with Medicare Prescription Drug Plan Costs—20 CFR 418.3101—0960–0696. Medicare Part D, codified in 20 CFR 418, provides voluntary prescription drug coverage of premium, deductible, and co-payment costs for certain low-income individuals. As per 20 CFR 418.3101,

beneficiaries who meet eligibility criteria may receive help with these Medicare Part D costs. The Social Security Administration, which helps to administer the subsidy program, uses form SSA–1020 (the Application for Help with Medicare Prescription Drug Plan Costs) and its online equivalent,

the i1020, to collect information that will be used to make Medicare Part D subsidy determinations. The respondents are eligible beneficiaries who want to apply for help with Medicare Part D costs.

Type of Request: Revision of an OMB-approved information collection.
