

examination cycle based on the interim rules, for an increase of 31 offices.¹⁰

The FDI Act and the IBA set the outside limits within which an on-site safety and soundness examination of an institution or foreign bank office must commence, and permit the appropriate Agency for an institution or foreign bank to conduct an on-site examination more frequently than required. The Agencies' rules continue to expressly recognize that the appropriate Agency may examine an institution or foreign bank office as frequently as the Agency deems necessary.

Regulatory Flexibility Act

The final rules do not impose any new obligations, restrictions or burdens on banking organizations, including small banking organizations, and, indeed, reduce regulatory burden associated with on-site examinations for qualifying small institutions and foreign bank offices. For these reasons, the Agencies certify that the final rules will not have a significant impact on a substantial number of small entities, as defined in the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, and therefore a regulatory flexibility analysis is not required. The objective and legal basis for the rules are discussed in the Supplementary Information.

Paperwork Reduction Act

In accordance with the Paperwork Reduction Act of 1995,¹¹ the Agencies have determined that no collections of information pursuant to the Paperwork Reduction Act are contained in these final rules.

Administrative Procedure Act

The Agencies conclude that because the interim rules are in effect and recognize an exemption, and the Agencies have made no changes in the final rules, the rules are exempt from the delayed effective date requirement of the Administrative Procedure Act. 5 U.S.C. 553(d).

OCC and OTS Executive Order 12866 Statement

The OCC and OTS have each independently determined that the final rules are not significant regulatory actions under Executive Order 12866.

¹⁰Data are as of June 30, 2006, and reflect the number of institutions and foreign bank offices with total assets of less than \$500 million.

¹¹44 U.S.C. 3506; 5 CFR 1320, Appendix A.1.

OCC and OTS Unfunded Mandates Act of 1995 Statement

Section 202 of the Unfunded Mandates Reform Act of 1995¹² requires that an agency prepare a budgetary impact statement before promulgating a rule that includes a Federal mandate that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any one year. If a budgetary impact statement is required, section 205 of the Unfunded Mandates Act also requires an agency to identify and consider a reasonable number of regulatory alternatives before promulgating a rule. Because the OCC and the OTS have each independently determined that the rules will not result in expenditures by State, local, and tribal governments, in the aggregate, or by the private sector, of more than \$100 million in any one year, the OCC and the OTS have not prepared a budgetary impact statement or specifically addressed the regulatory alternatives considered. Nevertheless, as discussed in the preamble, the rules will have the effect of reducing regulatory burden on certain institutions and foreign bank offices.

Plain Language

Section 722 of the Gramm-Leach-Bliley Act (12 U.S.C. 4809) requires the Agencies to use "plain language" in all proposed and final rules published in the **Federal Register**. The Agencies believe the final rules are presented in a clear and straightforward manner and received no comments on how to make the rules easier to understand.

RIN 0960-AF99

Technical Updates to Applicability of the Supplemental Security Income (SSI) Reduced Benefit Rate for Individuals Residing in Medical Treatment Facilities

AGENCY: Social Security Administration.

ACTION: Final rule; correcting amendment.

SUMMARY: This document contains a correction to the final rules that were published in the **Federal Register** on September 5, 2007 (72 FR 50871). The final rules amended our regulations to reflect two provisions of the Balanced Budget Act of 1997 that affect the payment of benefits under title XVI of the Social Security Act (the Act). One of the provisions extended temporary institutionalization benefits to children receiving SSI benefits who enter private medical treatment facilities and who otherwise would be ineligible for temporary institutionalization benefits because of private insurance coverage. The other provision replaced obsolete terminology in the Act that referred to particular kinds of medical facilities and substituted a broader, more descriptive term.

DATES: Effective on October 5, 2007.

FOR FURTHER INFORMATION CONTACT: Lois Berg, Social Insurance Specialist, Office of the Commissioner, Social Security Administration, 922 Altmeyer Building, 6401 Security Boulevard, Baltimore, MD 21235-6401, (410) 965-1713, for information about this notice. For information on eligibility or filing for benefits, call our national toll-free number, 1-800-772-1213 or TTY 1-800-325-0778, or visit our Internet site, Social Security Online, at <http://www.socialsecurity.gov>.

SUPPLEMENTARY INFORMATION: The final rule published on September 5, 2007 and effective October 5, 2007 included changes in terminology in § 416.414(a)(1), (2) and (3). These changes were inadvertently removed from the final rule published on September 5, 2007. This correction now shows that the terminology should be changed in those three subordinate paragraphs.
