

interest. The Exchange has requested that the Commission waive the 30-day operative date, so that the proposal may take effect upon filing and it may begin trading RVX and VXN options without delay. The Commission believes that it is consistent with the protection of investors and the public interest to waive the 30-day operative delay. The Commission notes that the Exchange has already received approval to list and trade RVX and VXN options, and waiving the 30-day operative delay would allow the Exchange to begin trading these products without delay. For these reasons, the Commission designates the proposal to be operative upon filing.¹³

The Exchange filed the proposed rule change pursuant to section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(2) thereunder⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to amend its Schedule of Fees to establish fees for transactions in options on one "Premium Product."⁵ The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and at the Exchange's Web site (<http://www.ise.com>).

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to amend its Schedule of Fees to establish fees for transactions in options on the iShares S&P Latin America 40 Index Fund ("ILF").⁶ The Exchange represents that ILF is eligible for options trading because it constitutes "Fund Shares," as defined by ISE Rule 502(h).

All of the applicable fees covered by this filing are identical to fees charged

⁵ "Premium Products" is defined in the ISE Schedule of Fees as the products enumerated therein.

⁶ iShares® is a registered trademark of Barclays Global Investors, N.A. ("BGI"), a majority-owned subsidiary of Barclays Bank PLC. "Standard & Poor's®," "S&P®," "S&P Latin America 40 Index," are trademarks of The McGraw-Hill Companies, Inc. ("McGraw-Hill"), and have been licensed for use for certain purposes by BGI. All other trademarks and service marks are the property of their respective owners. iShares S&P Latin America 40 Index Fund ("ILF") is not sponsored, sold or endorsed by Standard & Poor's, ("S&P"), a division of McGraw-Hill, and S&P makes no representation regarding the advisability of investing in ILF. BGI and S&P have not licensed or authorized ISE to (i) Engage in the creation, listing, provision of a market for trading, marketing, and promotion of options on ILF or (ii) to use and refer to any of their trademarks or service marks in connection with the listing, provision of a market for trading, marketing, and promotion of options on ILF or with making disclosures concerning options on ILF under any applicable federal or state laws, rules or regulations. BGI and S&P do not sponsor, endorse, or promote such activity by ISE, and are not affiliated in any manner with ISE.

by the Exchange for all other Premium Products. Specifically, the Exchange is proposing to adopt an execution fee and a comparison fee for all transactions in options on ILF.⁷ The amount of the execution fee and comparison fee for products covered by this filing shall be \$0.15 and \$0.03 per contract, respectively, for all Public Customer Orders⁸ and Firm Proprietary orders. The amount of the execution fee and comparison fee for all ISE Market Maker transactions shall be equal to the execution fee and comparison fee currently charged by the Exchange for ISE Market Maker transactions in equity options.⁹ Finally, the amount of the execution fee and comparison fee for all non-ISE Market Maker transactions shall be \$0.37 and \$0.03 per contract, respectively. Further, since options on ILF are multiply-listed, the Payment for Order Flow fee shall apply to this product. The Exchange believes the proposed rule change will further the Exchange's goal of introducing new products to the marketplace that are competitively priced.

2. Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,¹⁰ in general, and furthers the objectives of Section 6(b)(4),¹¹ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange has not solicited, and does not intend to solicit, comments on

this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because it establishes or changes a due, fee, or other charge applicable only to a member, the foregoing rule change has become effective pursuant to section 19(b)(3)(A) of the Act¹² and Rule 19b-4(f)(2)¹³ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
