SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-56461; File No. SR-NASDAQ-2007-077]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Modify Fees for Members Using the Nasdaq Market Center

September 18, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 4, 2007, The NASDAQ Stock Market LLC ("Nasdaq") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Nasdaq proposes to modify pricing for Nasdaq members using the Nasdaq Market Center. Nasdaq will implement this proposed rule change on September 4, 2007. The text of the proposed rule change is available at the Exchange's Web site, <http://www.nasdaq.complinet.com>, the Exchange and the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq is adding a new fee tier for orders routed to the New York Stock Exchange ("NYSE") through the Nasdaq Market Center. The new tier recognizes that some market participants use Nasdaq as a preferred means to route orders to NYSE, but less frequently access liquidity on the Nasdaq book. Nevertheless, Nasdaq believes that offering a modest price reduction for firms that make significant use of Nasdaq as a router is appropriate in light of the overall level of fees paid by such firms. Specifically, the reduced fee would apply to members with an average daily volume in all securities during the month of more than 60 million shares of liquidity routed to the NYSE without attempting to execute in the Nasdaq Market Center in any respect. Directed Intermarket Sweep Orders would not count toward the 60 million share requirement, nor would orders that access only displayed quotes in Nasdaq prior to routing. The fee for routing to NYSE in such cases would be \$0.0003 per share executed, which compares favorably to fees of \$0.000325 and \$0.00035 for firms that provide up to 35 million shares of liquidity through Nasdaq (but which are higher than the fee of \$0.000275 for firms providing more liquidity). Firms in the new tier would continue to pay a fee of \$0.00035 for Directed Intermarket Sweep Orders and orders that access only displayed size in Nasdaq, and 0.3% of the total transaction cost for routed orders in securities priced at less than \$1 per share.

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁵ in

general, and with Section 6(b)(4) of the Act,⁶ in particular, in that the change provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which Nasdaq operates or controls. Nasdaq believes that the fee change reflects an allocation of fees that recognizes the preference of some market participants to use Nasdaq as their primary means of routing orders to NYSE for execution.

B. Self Regulatory Organization's Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change is filed pursuant to Section 19(b)(3)(A)(ii) of the Act⁷ and subparagraph (f)(2) of Rule 19b-4 thereunder⁸ because it establishes or changes a due, fee, or other charge applicable only to a member imposed by a self-regulatory organization. Accordingly, the proposal is effective upon Commission receipt of the filing. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Order Granting Approval of Proposed Rule Change and Amendment No. 2 Thereto, To Retroactively Modify Pricing for Nasdaq Members Using the Nasdaq Market Center

September 20, 2007.

On June 1, 2007, The NASDAQ Stock Market LLC ("Nasdaq") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to make retroactive to February 12, 2007, certain modifications to Nasdaq's fee schedule to address transition issues arising from its commencing operations as a national securities exchange. On July 27, 2007, Nasdaq filed Amendment No. 1. On August 6, 2007, Nasdaq withdrew Amendment No. 1 and filed Amendment No. 2, which replaced the text of the original filing in its entirety. The proposed rule change was published for notice and comment in the **Federal Register** on August 15, 2007.³ The Commission received no comments on the proposal.

The Commission has carefully reviewed the proposed rule change and finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁴ and, in particular, the requirements of Section 6(b)(4) of the Act,⁵ which requires that Nasdaq's rules provide for the equitable allocation of reasonable dues, fees and other charges among its members and issuers and other persons using its facilities. With respect to Rule 7013, the Commission believes it is appropriate to eliminate Tape A revenue sharing for Nasdaq members trading non-Nasdaq securities because this change restores the status quo with respect to Tape A revenue sharing that existed prior to Nasdaq's transition to exchange operation on February 12, 2007. With respect to Rule 7014, the Commission believes that it is appropriate to delete

³ See Securities Exchange Act Release No. 56228 (August 8, 2007), 72 FR 45848.

⁴ In approving this proposed rule change, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

⁵ 15 U.S.C. 78f(b)(4).

the rule in its entirety because Nasdaq began trading all securities, including non-Nasdaq securities, on a single trading platform on February 12, 2007; thus, a pricing distinction for trading non-Nasdaq securities is not appropriate. The Commission also believes that the remainder of Rule 7014 can be eliminated because the rule references obsolete practices or is duplicative of other Nasdaq rules.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁶ that the proposed rule change (SR-NASDAQ-2007-056) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁷
