**SUPPLEMENTARY INFORMATION:** The Reading First Advisory Committee is authorized by Sections 1203(c)(2)(a) and 1202(e)(2) of the Elementary and Secondary Education Act (ESEA) of 1965, as amended. The Committee is established within the Department of Education to evaluate Reading First applications submitted by States, to review the progress reports that States submit after the third year of the grant period, to advise on the awarding of Targeted Assistance Grants, and to advise the Secretary on other issues that the Secretary deems appropriate.

At the open meeting on August 20, the Committee considered the performance data collected from all states and discussed how that data should be reviewed. The Committee created a subcommittee to begin looking at the data and determined that the full Committee would discuss analysis of the data at a public meeting on October 15 and 16.

During this meeting, staff from the Department's offices of Policy and Program Studies Service and Institute of Education Sciences will brief the Committee on their current evaluations of the Reading First program. The meeting will be attended by one or more statisticians who will work with the Committee to answer questions about the data. The Committee expects to establish topics that can be researched further using the data that is currently available, as well as a timeline for completing the review of the third-year progress reports. The Committee may also discuss longer-term research topics and ways to improve data collected in the future.

Individuals who will need accommodations for a disability in order to attend the meeting (e.g., interpreting services, assistance listening devices, or materials in alternative format) should notify Deborah Spitz at (202) 260-3793, no later than ten (10) days before the scheduled date of the meeting. We will attempt to meet requests for accommodations after this date but cannot guarantee their availability. The meeting site is accessible to individuals with disabilities.
