

Unregistered Funds' boards of directors/trustees also serve as directors of MMA. Applicants also state that the Unregistered Funds and the Fund may be considered to be under common control and therefore may be considered affiliated persons of each other under Section 2(a)(3) of the Act. Thus, Applicants state that the proposed Exchange may be prohibited under Section 17(a) of the Act.

3. Rule 17a-7 exempts certain purchase and sale transactions otherwise prohibited by Section 17(a) of the Act if an affiliation exists solely by reason of having a common investment adviser, investment advisers that are affiliated persons of each other, common directors, and/or common officers, provided, among other requirements, that the transaction is for no consideration other than cash. Applicants state that the relief provided by Rule 17a-7 may not be available for the Exchange because the Exchange will involve consideration other than cash (*i.e.*, Shares of the Fund). Applicants also state that the Unregistered Funds may be deemed to be affiliated with the Fund for reasons other than those set forth in Rule 17a-7.

4. Rule 17a-8 exempts certain transactions (including mergers, consolidations or purchases or sales of substantially all of the assets of a company) between registered investment companies and eligible unregistered funds, as defined in rule 17a-8 ("Eligible Unregistered Fund"). Applicants state that the relief provided by rule 17a-8 is not available for the Exchange because the Unregistered Funds are not registered investment companies or Eligible Unregistered Funds, and the Exchange does not involve substantially all of the assets of the Unregistered Funds.¹

5. Section 17(b) of the Act provides that the Commission may exempt a transaction from the provisions of section 17(a) of the Act if the evidence establishes that the terms of the proposed transaction, including the consideration to be paid, are reasonable and fair and do not involve overreaching on the part of any person concerned, and that the proposed transaction is consistent with the policy of each registered investment company concerned and with the general purposes of the Act.

6. Applicants submit that the terms of the Exchange satisfy the standards set forth in Section 17(b) of the Act.

¹ Although the Exchange will involve substantially all of the assets of MF's Large Cap Growth Index Fund and MRT's Large Cap Growth Index Fund, these entities do not have an existence separate from the Unregistered Funds.

Applicants state that the board of the Trust, including a majority of the trustees who are not interested persons as defined in Section 2(a)(19) of the Act, found that participation in the Exchange is in the best interests of the Fund and that the interests of the existing shareholders of the Fund will not be diluted as a result of the Exchange. Applicants state that the Exchange will comply with the terms of paragraphs (a) (other than the cash payment requirement) through (g) of Rule 17a-7 and the provisions of Rule 17a-8 (as those provisions apply to the merger of an Eligible Unregistered Fund with a registered investment company). No brokerage commissions, fees (except for customary transfer fees, if any) or other remuneration will be paid by the Fund or the Unregistered Funds in connection with the Exchange.

Applicants' Condition

Applicants agree that any order granting the requested relief will be subject to the following condition:

The Exchange will comply with the terms of paragraphs (a) (other than the cash payment requirement) through (g) of rule 17a-7 and the provisions of rule 17a-8 (as those provisions apply to the merger of an Eligible Unregistered Fund with a registered investment company).

For the Commission, by the Division of Investment Management, under delegated authority.

Secretary.

II. Board's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule

In its filing with the Commission, the Board included statements concerning the purpose of, and basis for, the proposed rule. The text of these statements may be examined at the places specified in Item IV below. The Board has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Board's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule

(a) Purpose

Section 104 of the Act requires the Board to conduct a continuing program of inspections to assess the degree of compliance of each registered public accounting firm and associated persons of that firm with the Act, the rules of the Board, the rules of the Commission, or professional standards, in connection with its performance of audits, issuance of audit reports, and related matters involving issuers. The Board has adopted an amendment to its Rule 4003 to temporarily adjust minimum inspection frequency requirement applicable to certain firms. The Board has adopted technical amendments to its Rules 4006 and 4009 to correct non-substantive points. The proposed amendments are discussed below.

Section 104(b)(1)(B) of the Act requires the Board to conduct an inspection, at least once every three years, of each registered firm that regularly provides audit reports for 100 or fewer issuers, and Section 104(b)(2) of the Act authorizes the Board to adopt

rules adjusting that frequency. In 2003, the Board adopted Rule 4003(b), which provides that the Board will conduct inspections, on a triennial basis, not only of each firm that regularly provides audit reports for 100 or fewer issuers, but also of any firm that issues any audit report or that play a substantial role in the preparation or furnishing of an audit report.

In the course of inspection planning, including in connection with the Board's budget process, the Board identified a way in which a temporary adjustment to Rule 4003 would, over time, maximize the Board's ability to allocate its inspection resources more evenly, consistently, and effectively year-to-year. The issue arises because the first three years of inspections, 2004 to 2006, coincided with the Board's initial growth period and, as a consequence, the resources available for and devoted to the inspections of firms with 100 or fewer issuer audit clients increased from year to year. The resources available in each year necessarily informed the extent of the inspection work performed in that year, including with respect to both the numbers of firms inspected and the size of firms inspected.¹ This resulted in a year-to-year fluctuation that, because of the minimum frequency requirements of Rule 4003(b), the Board would to some extent be locked into repeating in succeeding three-year periods.

To avoid that consequence, the Board is adding to Rule 4003 a new paragraph that will temporarily adjust aspects of the inspection cycle requirement. Paragraph (d) will allow the Board to approach long-term inspection planning with the flexibility to eliminate the fluctuation generated in the start-up cycle, including the flexibility to make adjustments that will result in a relatively consistent, from year to year, mix of firms in terms of the size and nature of audit practice.² Paragraph (d) accomplishes that result by providing that, with respect to firms that became

¹ In 2004, the Board inspected 91 firms with 100 or fewer issuer audit clients. In 2005, the Board inspected 272 such firms. In 2006, the Board inspected 163 such firms. Because variations in the nature and size of firms' audit practices result in different inspection resource requirements, mere comparison of the numbers of inspected firms does not reflect fully the related resource issues.

² This point should not be understood to suggest that the Board envisions rigid adherence to a fixed triennial inspection schedule for each firm once a particular year-to-year mix of firms is established. For a variety of reasons—including to address specific risks or to enhance the value of the inspection process by reducing the predictability of the timing of any firm's next inspection—the Board may sometimes inspect a firm sooner than three years after the firm's previous inspection.

registered in 2003 or 2004,³ (1) the Board need not conduct the firm's first inspection sooner than the fourth year after the firm, while registered, first issues an audit report or plays a substantial role, and (2) the Board need not conduct the firm's second inspection sooner than the fifth year after the firm, while registered, first issues an audit report or plays a substantial role.

Even with this adjustment, the Board expects that each U.S. firm that issued an original audit report (as distinct from a consent to use a previously issued audit report) in 2003 or 2004 after registering with the Board will have its first inspection within the three-year period after first issuing an original audit report. The flexibility provided by the adjustment would come into play principally with respect to the timing of the second inspection of some of those firms, the timing of the first two inspections of some non-U.S. firms, and the timing of inspections of firms that play a substantial role but do not issue audit reports. The adjustment would have no continuing effect on the timing of any inspections after the second inspections of firms that registered in 2003 and 2004, and would have no effect on the timing of any inspection of any firm that registered after 2004.

It is important to note that Rule 4003 does not limit the Board's authority to conduct inspections at any time, and that registered firms' own obligations are not affected by Rule 4003 or the amendment. Rule 4003 establishes a minimum inspection frequency governing how the Board carries out its inspection program. Rule 4003 does not preclude the Board from inspecting any firm more frequently than the schedule set out in the rule. A firm's obligation is to cooperate in any Board inspection at any time that the Board determines to inspect the firm, regardless of the provisions of Rule 4003.

The temporary adjustment to the inspection frequency requirement is consistent with the purposes of the Act, the public interest, and the protection of investors. The adjustment will facilitate the reduction of certain year-to-year fluctuations in the inspection program, which otherwise could interfere with the Board's ability to implement a program consistently and effectively with relatively stable resources from

³ On October 22, 2003, it became unlawful for any U.S. public accounting firm to issue, or to play a substantial role in the preparation or furnishing of, an audit report with respect to any issuer unless the firm was registered with the Board. The same registration requirement took effect for non-U.S. firms on July 19, 2004. See Section 102(a) of the Act and PCAOB Rule 2100.

year to year. The adjustment will accomplish this while delaying only a relatively small portion of inspections, and delaying them only for a short period.

The Board adopted Rule 4003(d) before obtaining public comment because of the nature of the rule, which involves a temporary adjustment, for administrative and programmatic reasons, to an element of an existing rule to which the Board is not making any permanent change. Nevertheless, the Board invited public comment on Rule 4003(d), and the Board provided that Rule 4003(d) would expire on June 30, 2007 unless the Board, after considering any public comment, acted to adopt the rule for a longer period. The Board received two comment letters, each expressing general support for Rule 4003(d) and neither raising any issues concerning the rule. On May 24, 2007, the Board approved retaining Rule 4003(d) indefinitely beyond the tentative June 30, 2007 expiration date.

The Board has also adopted technical amendments to two aspects of the rules relating to inspections. In Rule 4006, the Board is revising the numbering of the paragraphs from “(1)” and “(2)” to “(a)” and “(b)” to conform to the convention in the Board’s rules generally. In Rule 4009(d)(2), the Board is correcting a cross-reference. Rule 4009(d)(2)’s cross-reference to “paragraph (b) of this rule” dates to the Board’s originally proposed Rule 4009. The substance of paragraph (b) in the proposed rule was moved to paragraph (c) in the final rule adopted by the Board, and the cross-reference in paragraph (d)(2) should have been revised to cross-reference paragraph (c) at that time. The Board has now corrected that cross-reference.

(b) Statutory Basis

The statutory basis for the proposed rule is Title I of the Act.

B. Board’s Statement on Burden on Competition

The Board does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. With respect to the firms subject to an inspection requirement, the proposed rules impose no burden beyond the burdens clearly imposed and contemplated by the Act, and the proposed rules do not change the obligations of those firms as already set out in the Act and in existing Board rules.

C. Board’s Statement on Comments on the Proposed Rule Received From Members, Participants or Others

The Board solicited comment on Rule 4003(d) when the Board adopted that rule on December 19, 2006. Since the filing of Form 19b-4 on December 20, 2006, the Board has received two comment letters on Rule 4003(d). Each comment letter expressed general support for Rule 4003(d), and neither comment letter raised any significant issues about the rule change. The Board did not solicit or receive comment on the other proposed rule changes described in Section I above.

III. Date of Effectiveness of the Proposed Rule and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period as (i) the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Board consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Public Company Accounting Oversight Board; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Adjusting Implementation Schedule of Rule 3523, Tax Services for Persons in Financial Reporting Oversight Roles

September 25, 2007.

Pursuant to Section 107(b) of the Sarbanes-Oxley Act of 2002 (the “Act”), notice is hereby given that on July 24, 2007, the Public Company Accounting Oversight Board (the “Board” or the “PCAOB”) filed with the Securities and Exchange Commission (the “SEC” or “Commission”) the proposed rule change described in Items I and II below, which items have been prepared by the Board. The PCAOB has designated the proposed rule change as “constituting a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule” under Section 19(b)(3)(A)(i) of the Securities
