Notice and Call for Applications for the International Buyer Program for the Period January 1, 2009 Through December 31, 2009

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notice and call for applications for the International Buyer Program for the period January 1, 2009 through December 31, 2009.

SUMMARY: This notice sets forth objectives, procedures and application review criteria associated with support for domestic trade shows by the International Buyer Program of the U.S. Department of Commerce (DOC). This announcement covers selection for International Buyer Program participation for Calendar Year 2009 (January 1, 2009 through December 31, 2009).

The International Buyer Program (IBP) was established to bring international buyers together with U.S. firms by promoting leading U.S. trade shows in industries with high export potential. The International Buyer Program emphasizes cooperation between the DOC and trade show organizers to benefit U.S. firms exhibiting at selected events and provides practical, hands-on assistance such as export counseling and market analysis to U.S. companies interested in exporting. The assistance provided to show organizers includes worldwide overseas promotion of selected shows to potential international buyers, end-users, representatives and distributors. The worldwide promotion is executed through the offices of the DOC United States and Foreign Commercial Service (hereinafter referred to as the Commercial Service) in more than 70 countries representing the United States' major trading partners, and also in U.S. Embassies in countries where the Commercial Service does not maintain offices. The Department expects to select approximately 40 shows for the January 1, 2009 through December 31, 2009 period from among applicants to the program. Shows selected for the

International Buyer Program will provide a venue for U.S. companies interested in expanding their sales into international markets. Successful show organizer applicants will be required to enter into a Memorandum of Agreement (MOA) with the DOC. The MOA constitutes an agreement between the DOC and the show organizer specifying which responsibilities are to be undertaken by DOC as part of the IBP and, in turn, which responsibilities are to be undertaken by the show organizer. Anyone requesting application information will be sent a sample copy of the MOA along with the application and a copy of this **Federal Register** Notice. The responsibilities to be undertaken by DOC will be carried out by the Commercial Service.

DATES: Applications must be received within 60 days after the publication date of this **Federal Register** Notice.
