SAFEGUARDS:

Paper records are maintained in a secure area and are locked in cabinets and desks. Electronic records are controlled through established DOE computer center procedures (personnel screening and physical security). Passwords are protected. Access is limited to those whose official duties require access to the records.

RETENTION AND DISPOSAL:

Records retention and disposal authorities are contained in the National Archives and Records Administration (NARA) General Records Schedule and DOE record schedules that have been approved by NARA.

SYSTEM MANAGER(S) AND ADDRESS:

NOTIFICATION PROCEDURES:

In accordance with the DOE regulation, implementing the Privacy Act, in Title 10, Code of Federal Regulations, Part 1008.6, any individual may request whether a system of records maintained by DOE contains records about him/her and request access to those records. The request should be directed to the Director, Headquarters Freedom of Information Act and Privacy Act Group, U.S. Department of Energy, or the Privacy Act Officer at the appropriate address identified above under “System Locations.” For records maintained by a Laboratory, Area or Site Office, the request should be directed to the Privacy Act Officer at the Office that has jurisdiction over that site. The request should include the requester’s complete name, time period for which records are sought, and the office locations(s) where the requester believes the records are located.

RECORDS ACCESS PROCEDURES:

Same as Notification Procedures above. Records are generally kept at locations where the work is performed. In accordance with the DOE Privacy Act regulation, proper identification is required before a request is processed.

CONTESTING RECORD PROCEDURES:

Same as Notification Procedures above.

Pursuant to section 157.9 of the Commission’s rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: complete its environmental assessment (EA) and place it into the Commission’s public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the issuance of a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the proceeding. The Commission will consider these comments in determining the appropriate action to be taken, but the filing of a comment alone will not serve to make the filer a party to the proceeding. The Commission’s rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest. Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See 18 CFR 385.2001(a) (1) (iii) and the instructions on the Commission’s Web site under the “e-Filing” link at http://www.ferc.gov. The Commission strongly encourages intervenors to file electronically.

This filing is accessible on-line at http://www.ferc.gov, using the “eLibrary” link and is available for review in the Commission’s Public Reference Room in Washington, DC. There is an “eSubscription” link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail: FERCONlineSupport@ferc.gov, or call (866) 208–3676 (toll free). For TTY, call (202) 502–8659.

Federal Energy Regulatory Commission

[Docket No. CP07–448–000]

El Paso Natural Gas Company; Notice of Application

September 27, 2007.

Take notice that on September 18, 2007, El Paso Natural Gas Company (El Paso), Post Office Box 1087, Colorado Springs, Colorado 80944, filed in Docket No. CP07–448–000, an application under section 7 of the Natural Gas Act (NGA) and Part 157 of the Federal Energy Regulatory Commission’s (Commission) regulations for a certificate of public convenience and necessity authorizing the construction and operation of a new compression facility to be located at its East Valley Lateral in Pinal County, Arizona. The proposed Picacho Compressor Station will be comprised of three gas-fired reciprocating compressor units totaling 8,290 horsepower.

El Paso’s proposal is more fully described as set forth in the application that is on file with the Commission and open to public inspection. The instant filing may be also viewed on the Web at http://www.ferc.gov using the “eLibrary” link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, call (866) 208–3676 or TTY, (202) 502–8659.

Any questions regarding the application should be directed to: Richard Derberry, Director of Regulatory Affairs, El Paso Natural Gas Company, P.O. Box 1087, Colorado Springs, Colorado 80944 at (719) 520–3782 or by fax at (719) 667–7534.

Pursuant to section 157.9 of the Commission’s rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: Complete its environmental assessment (EA) and place it into the Commission’s public record (eLibrary) for this proceeding, or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the proceeding. The filing of the EA in the Commission’s public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff’s FEIS or EA.

There are two ways to become involved in the Commission’s review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the
