[Docket Nos. ER07-1207-000 and ER07-1207-001]

#### Premier Energy Marketing LLC.; Notice of Issuance of Order

September 25, 2007.

Premier Energy Marketing LLC (Premier) filed an application for market-based rate authority, with an accompanying rate schedule. The proposed market-based rate schedule provides for the sale of energy and

capacity at market-based rates. Premier also requested waivers of various Commission regulations. In particular, Premier requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Premier.

On September 17, 2007, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under Part 34 (Director's Order). The Director's Order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard concerning the blanket approvals of issuances of securities or assumptions of liability by Premier, should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing protests is October 18, 2007.

Absent a request to be heard in opposition to such blanket approvals by the deadline above, Premier is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Premier, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of Premier's issuance of securities or assumptions of liability.

Copies of the full text of the Director's Order are available from the Commission's Public Reference Room, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using the eLibrary link. Enter the docket number excluding the last three digits in the docket number filed to access the document. Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the

"e-Filing" link. The Commission strongly encourages electronic filings.

[Docket Nos. ER07-1161-000 and ER07-1161-001]

#### Public Power & Utility, Inc.; Notice of Issuance of Order

September 25, 2007.

Public Power & Utility, Inc. (PP&U) filed an application for market-based rate authority, with an accompanying rate schedule. The proposed market-based rate schedule provides for the sale of energy and capacity at market-based rates. PP&U also requested waivers of various Commission regulations. In particular, PP&U requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by PP&U.

On September 17, 2007, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under part 34 (Director's Order). The Director's Order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard concerning the blanket approvals of issuances of securities or assumptions of liability by Mittal, should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing protests is October 18, 2007.

Absent a request to be heard in opposition to such blanket approvals by the deadline above, PP&U is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of PP&U, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of PP&U's issuance of securities or assumptions of liability.

Copies of the full text of the Director's Order are available from the Commission's Public Reference Room, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using the eLibrary link. [Docket No. CP07-449-000]

#### Southern Natural Gas Company; Notice of Request Under Blanket Authorization

September 26, 2007.

Take notice that on September 19, 2007, Southern Natural Gas Company (Southern), Colonial Brookwood Center, 569 Brookwood Village, Birmingham, Alabama 35209, filed in Docket No. CP07-449-000, a prior notice request pursuant to sections 157.205 and 157.208 of the Federal Energy Regulatory Commission's regulations under the Natural Gas Act for authorization to continue the use of a skid mounted compressor unit, located in Screven County, Georgia, that was installed in 2006 as emergency compression, all as more fully set forth in the application, which is on file with the Commission and open to public inspection. The filing may also be viewed on the Web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC at [FERCOnlineSupport@ferc.gov](mailto:FERCOnlineSupport@ferc.gov) or call toll-free, (886) 208-3676 or TTY, (202) 502-8659.

Specifically, Southern proposes to continue the use of the Woodcliff Compressor Unit, rated at 5,278 horsepower, that was installed as an emergency facility in order to restore the availability of Southern's gulf coast infrastructure caused in August and September 2005 by Hurricanes Katrina and Rita. Southern states that the total cost for refurbishing and installation was \$2,177,371. Southern asserts that it would be more economical to continue the use of the unit at its refurbished state rather than place it back in storage and the unit continues to be a worthwhile asset to support incremental gas supplies on the system. Southern states that the unit will not be utilized to serve additional firm requirements.

Any questions regarding the application should be directed to Patricia S. Francis, Senior Counsel, Southern Natural Gas Company, Post Office Box 2563, Birmingham, Alabama 35202-2563, or call at (205) 325-7696.

Any person or the Commission's Staff may, within 60 days after the issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and, pursuant to section 157.205 of the Commission's Regulations under the Natural Gas Act (NGA) (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the time allowed for protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to section 7 of the NGA.

The Commission strongly encourages electronic filings of comments, protests, and interventions via the Internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site (<http://www.ferc.gov>) under the "e-Filing" link.

#### Southwestern Power Administration; Notice of Filing

September 28, 2007.

Take notice that on September 27, 2007, Southwestern Power Administration (Southwestern) filed a non-jurisdictional modification to its Open Access Transmission Tariff, including Small Generator Interconnection Procedures, Small Generator Interconnection Agreement, Large Generator Interconnection Procedures and Large Generator Interconnection Agreement. Southwestern has requested that the revised non-jurisdictional Open Access Transmission Tariff become effective December 1, 2007.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.
