Submission for OMB Review; Comment Request

Title: Low Income Home Energy Assistance Program (LIHEAP) Household Report.

OMB No.: 0970-0060.

Description: This statistical report is an annual activity required by statute (42 U.S.C. 8629) and Federal regulations (45 CFR 96.92) for the Low Income Energy Assistance Program (LIHEAP).

Submission of the completed report is one requirement for LIHEAP grantee applying for Federal LIHEAP block grant funds. States, the District of Columbia, and the Commonwealth of Puerto Rico are required to report statistics for the previous Federal fiscal year on the number and income levels of LIHEAP applicants and assisted households, as well as the number of LIHEAP-assisted households with at least one member who is elderly, disabled, or a young child.

The statistical report required States, the District of Columbia, and the Commonwealth of Puerto Rico to report on an unduplicated count of assisted households having at least one member who is elderly, disabled, or a young child, and an unduplicated count of assisted households receiving one or more types of LIHEAP assistance. The Administration deleted on the proposal to add the reporting requirement of "assisted households having at least one elderly person who is homebound" based on comments received in response to the first notice.

Insular areas receiving less than \$200,000 annually in LIHEAP funds and

Indian Tribal Grantees are required to submit data only on the number of households receiving heating, cooling, energy crisis, or weatherization benefits. The information is being collected for the Department's annual LIHEAP report to Congress. The data also provides information about the need for LIHEAP funds. Finally, the data are used in the calculation of LIHEAP performance measures under the Government Performance and Results Act of 1993. The additional data elements will improve the accuracy of measuring LIHEAP targeting performance and LIHEAP cost efficiency.

The form will remain the same as in the past until Fiscal Year 2010. Start-up for the updated format will require significantly higher burden hours per response. Therefore, the Annual Burden

Estimates below reflect an average of the first two years of this renewal period before the burden changes with the third year of this renewal period during the revisions.

Respondents: State Governments, Tribal Governments, Insular Areas, the District of Columbia, and the Commonwealth of Puerto Rico.

ANNUAL BURDEN ESTIMATES
