

DEPARTMENT OF COMMERCE

Bureau of Industry and Security

Announcement of Performance Review Board Members

AGENCY: Bureau of Industry and Security, Department of Commerce.

ACTION: Notice of performance review board membership.

Correction: In the section that lists the members of the Review Board, Matthew Borman's title should be Deputy Assistant Secretary for Export Administration, and John Phelan's last name is listed incorrectly as "Phalen," in the **Federal Register** Notice published October 3, 2007, page # 56334.

SUMMARY: 5 CFR 430.310 requires agencies to publish notice of Performance Review Board appointees in the **Federal Register** before their service begins. This notice announces the names of new and existing members of the Bureau of Industry and Security's Performance Review Board.

FOR FURTHER INFORMATION CONTACT: Gay Shrum, Director of Administration, Bureau of Industry and Security, at (202) 482-1058, Room 6622, Washington, DC 20230.

SUPPLEMENTARY INFORMATION: The purpose of the Performance Review Board is to review and make recommendations to the appointing authority on performance management issues such as appraisals, bonuses, pay level increases, and Presidential Rank Awards for members of the Senior Executive Service.

The Under Secretary for Industry and Security, Mario Mancuso, has named the following members of the Bureau of Industry and Security Performance Review Board:

1. Mark Foulon, Senior Advisor to the Under Secretary (new)
2. Matthew Borman, Deputy Under Secretary for Export Administration
3. Dawn Leaf, Chief Information Officer
4. Gay Shrum, Director of Administration
5. John Phelan, Director, Office of Management and Organization, Department of Commerce (Outside Reviewer)

Dated: October 12, 2007.

Ronald Glaser,

Human Resources Officer.

Notice of Final Results of Antidumping Duty Changed Circumstances Review: Certain Orange Juice from Brazil

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) has determined, pursuant to section 751(b) of the Tariff Act of 1930, as amended (the Act), that Fischer S.A. Comercio, Industria, and Agricultura (Fischer Comercio) is the successor-in-interest to Fischer S/A Agroindustria (Fischer Agroindustria). Thus, we find that Fischer Comercio should receive the same antidumping duty cash deposit rate (*i.e.*, 12.46 percent) with respect to the subject merchandise as Fischer Agroindustria, its predecessor company, as of the date of publication of this notice in the **Federal Register**.

EFFECTIVE DATE: (October 22, 2007.

FOR FURTHER INFORMATION CONTACT: Elizabeth Eastwood, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-3874.

SUPPLEMENTARY INFORMATION:**Background**

On September 11, 2007, the Department initiated this changed circumstances review based on a request from Fischer Agroindustria and simultaneously issued its preliminary results that Fischer Comercio is the successor-in-interest to Fischer Agroindustria and should receive Fischer Agroindustria's cash deposit rate of 12.46 percent. *See Notice of Initiation and Preliminary Results of Antidumping Duty Changed Circumstances Review: Certain Orange Juice from Brazil*, 72 FR 51798 (Sept. 11, 2007) (*Initiation and Preliminary Results*). In the *Initiation and Preliminary Results*, we stated that interested parties could request a hearing or submit case briefs and/or written comments to the Department no later than 30 days after publication of the *Initiation and Preliminary Results* notice in the **Federal Register**, and submit rebuttal briefs, limited to the issues raised in those case briefs, seven days subsequent to the due date of the case briefs. We did not receive any hearing requests or comments on the *Initiation and Preliminary Results*.

Scope of the Order

The scope of this order includes certain orange juice for transport and/or further manufacturing, produced in two different forms: (1) frozen orange juice in a highly concentrated form, sometimes referred to as FCOJM; and (2) pasteurized single-strength orange juice which has not been concentrated, referred to as NFC. At the time of the filing of the petition, there was an existing antidumping duty order on frozen concentrated orange juice (FCOJ) from Brazil. *See Antidumping Duty Order; Frozen Concentrated Orange Juice from Brazil*, 52 FR 16426 (May 5, 1987). Therefore, the scope of this order with regard to FCOJM covers only FCOJM produced and/or exported by those companies which were excluded or revoked from the pre-existing antidumping order on FCOJ from Brazil as of December 27, 2004. Those companies are Cargill Citrus Limitada (Cargill), Coinbra-Frutesp S.A. (Coinbra-Frutesp), Sucocitrico Cutrale, S.A. (Cutrale), Fischer Agroindustria, and Montecitrus Trading S.A. (Montecitrus).

Excluded from the scope of the order are reconstituted orange juice and frozen concentrated orange juice for retail (FCOJR). Reconstituted orange juice is produced through further manufacture of FCOJM, by adding water, oils and essences to the orange juice concentrate. FCOJR is concentrated orange juice, typically at 42[deg] Brix, in a frozen state, packed in retail-sized containers ready for sale to consumers. FCOJR, a finished consumer product, is produced through further manufacture of FCOJM, a bulk manufacturer's product. The subject merchandise is currently classifiable under subheadings 2009.11.00, 2009.12.25, 2009.12.45, and 2009.19.00 of the Harmonized Tariff Schedule of the United States (HTSUS). These HTSUS subheadings are provided for convenience and for customs purposes only and are not dispositive. Rather, the written description of the scope of this order is dispositive.

Final Results of Changed Circumstances Review

Based on the information provided by Fischer Agroindustria, and the fact that the Department did not receive any comments during the comment period following the preliminary results of this review, the Department confirms its preliminary determination that Fischer Comercio is the successor-in-interest to Fischer Agroindustria for antidumping duty cash deposit purposes.

Instructions to U.S. Customs and Border Protection (CBP)

The Department will instruct CBP to suspend liquidation of all shipments of the subject merchandise produced and exported by Fischer Comercio entered, or withdrawn from warehouse, for consumption, on or after the publication date of this notice at 12.46 percent (*i.e.*, Fischer Agroindustria's cash deposit rate). This deposit rate shall remain in effect until publication of the final results of the ongoing administrative review, in which Fischer Comercio/Fischer Agroindustria is participating.

This notice also serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.306. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is published in accordance with sections 751(b) and 777(i)(1) of the Act, and section 351.216(e) of the Department's regulations.

Dated: October 16, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.

Notice of Solicitation of Applications for Allocation of Tariff Rate Quotas on the Imports of Certain Cotton Shirting Fabric to Persons Who Cut and Sew Men's and Boys' Cotton Shirts in the United States

AGENCY: Department of Commerce, International Trade Administration.

ACTION: The Department of Commerce (Department) is soliciting applications for an allocation of the 2008 tariff rate quotas on certain cotton woven fabric to persons who cut and sew men's and boys' cotton shirts in the United States.

SUMMARY: The Department hereby solicits applications from persons (including firms, corporations, or other legal entities) who cut and sew men's and boys' cotton shirts in the United States for an allocation of the 2008 tariff rate quotas on certain cotton woven fabric. Interested persons must submit

an application on the form provided to the address listed below by **November 21, 2007**. The Department will cause to be published in the **Federal Register** its determination to allocate the 2008 tariff rate quotas, will notify applicants of their respective allocation, and will issue licenses to eligible applicants within 60 days of that date.

DATES: To be considered, applications must be received or postmarked by 5 p.m. on **November 21, 2007**.

ADDRESSES: Applications must be submitted to the Office of Textiles and Apparel, Room 3100, United States Department of Commerce, 1401 Constitution Ave. NW, Washington, DC 20230 (telephone: (202) 482-3400). Application forms may be obtained from that office (via facsimile or mail) or from the following Internet address: <http://web.ita.doc.gov/tacgi/cottontrq.nsf/trqapp>.

FOR FURTHER INFORMATION CONTACT:

Laurie Mease, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-3400.

SUPPLEMENTARY INFORMATION:

Background

On December 9, 2006, President Bush signed into law the Tax Relief and Health Care Act of 2006 (HR 6406/HR 6111) ("the Act"). Section 406(b)(1) of the Act requires the Secretary of Commerce to fairly allocate tariff rate quotas on the import of certain cotton woven fabrics through December 31, 2009. Section 406 (b)(1) authorizes the Secretary of Commerce to issue licenses to eligible manufacturers under headings 9902.52.08 through 9902.52.19 of the Harmonized Tariff Schedule of the United States, specifying the restrictions under each such license on the quantity of cotton woven fabrics that may be entered each year on behalf of the manufacturer. The Act created an annual tariff rate quota providing for temporary reductions through December 31, 2009 in the import duties of cotton woven fabrics suitable for making cotton shirts (new Harmonized Tariff Schedule of the United States (HTS) headings 9902.52.08, 9902.52.09, 9902.52.10, 9902.52.11, 9902.52.12, 9902.52.13, 9902.52.14, 9902.52.15, 9902.52.16, 9902.52.17, 9902.52.18, and 9902.52.19). The reduction in duty is limited to 85 percent of the total square meter equivalents of all imported woven fabrics of cotton containing 85 percent or more by weight cotton used by manufacturers in cutting and sewing men's and boy's cotton shirts in the United States and purchased by such manufacturer during calendar year 2000.

The Act requires that the tariff rate quotas be allocated to persons (including firms, corporations, or other legal entities) who, during calendar year 2000, were manufacturers cutting and sewing men's and boys' cotton shirts in the United States from imported woven fabrics of cotton containing 85 percent or more by weight cotton of the kind described in HTS 9902.52.08 through 9902.5219 purchased by such manufacturer during calendar year 2000. On July 24, 2007, the Department published regulations establishing procedures for allocating the TRQ (72 FR 40235, 15 CFR 336). In order to be eligible for an allocation, an applicant must submit an application on the form provided at <http://web.ita.doc.gov/tacgi/cottontrq.nsf/trqapp> to the address listed above by 5 p.m. on **November 21, 2007**, in compliance with the requirements of 15 CFR 336. Any business confidential information that is marked business confidential will be kept confidential and protected from disclosure to the full extent permitted by law.

Dated: October 17, 2007.

Janet E. Heinzen,

Acting Deputy Assistant Secretary for Textiles and Apparel.
