(i) Temporary and less-than-full time positions for which examining is impracticable.

These are:

(1) Positions in remote/isolated locations where examination is impracticable. A remote/isolated location is outside of the local commuting area of a population center from which an employee can reasonably be expected to travel on short notice under adverse weather and/or road conditions which are normal for the area. For this purpose, a population center is a town with housing, schools, health care, stores and other businesses in which the servicing examining office can schedule tests and/or reasonably expect to attract applicants. An individual appointed under this authority may not be employed in the same agency under a combination of this and any other appointment to positions involving related duties and requiring the same qualifications for more than 1,040 working hours in a service year. Temporary appointments under this authority may be extended in 1-year increments, with no limit on the number of such extensions, as an exception to the service limits in Sec. 213.104.

(2) Positions for which a critical hiring need exists. This includes both short-term positions and continuing positions that an agency must fill on an interim basis pending completion of competitive examining, clearances, or other procedures required for a longer appointment. Appointments under this authority may not exceed 30 days and may be extended up to an additional 30 days if continued employment is essential to the agency's operations. The appointments may not be used to extend the service limit of any other appointing authority. An agency may not employ the same individual under this authority for more than 60 days in any 12-month period.

(3) Other positions for which OPM determines that examining is impracticable.

(j) Positions filled by current or former Federal employees eligible for placement under special statutory provisions. Appointments under this authority are subject to the following conditions:

chapter, or who are applying for or receiving an annuity under the provisions of 5 U.S.C. 8337(h) or 5 U.S.C. 8456 by reason of a disability that disqualifies them from membership in the National Guard or from holding the military grade required as a condition of their National Guard employment;

(ii) Executive branch employees (other than employees of intelligence agencies) who are entitled to placement under Sec. 353.110, but who are not eligible for reinstatement or noncompetitive appointment under the provisions of part 315 of this chapter.

(iii) Legislative and judicial branch employees and employees of the intelligence agencies defined in 5 U.S.C. 2302(a)(2)(C)(ii) who are entitled to placement assistance under Sec. 353.110.

(2) Employees excluded. Employees who were last employed in Schedule C or under a statutory authority that specified the employee served at the discretion, will, or pleasure of the agency are not eligible for appointment under this authority.

(3) Position to which appointed. Employees who are entitled to placement under Sec. 353.110 will be appointed to a position that OPM determines is equivalent in pay and grade to the one the individual left, unless the individual elects to be placed in a position of lower grade or pay. National Guard Technicians whose eligibility is based upon a disability may be appointed at the same grade, or equivalent, as their National Guard Technician position or at any lower grade for which they are available.

(4) Conditions of appointment.

(i) Individuals whose placement eligibility is based on an appointment without time limit will receive appointments without time limit under this authority. These appointees may be reassigned, promoted, or demoted to any position within the same agency for which they qualify.

(ii) Individuals who are eligible for placement under Sec. 353.110 based on a time-limited appointment will be given appointments for a time period equal to the unexpired portion of their previous appointment.

These programs may include: internship or fellowship programs that provide developmental or professional experiences to individuals who have completed their formal education; training and associateship programs designed to increase the pool of qualified candidates in a particular occupational specialty; professional/industry exchange programs that provide for a cross-fertilization between the agency and the private sector to foster mutual understanding, an exchange of ideas, or to bring experienced practitioners to the agency; residency programs through which participants gain experience in a Federal clinical environment; and programs that require a period of Government service in exchange for educational, financial or other assistance.
