FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission for Extension Under Delegated Authority, Comments Requested.

October 19, 2007.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Persons wishing to comment on this information collection should submit comments December 24, 2007. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, Office of Management and Budget (OMB), (202) 395-5887, or via fax at 202-395-5167, or via the Internet at Nicholas.A.Fraser@omb.eop.gov and to Judith-B.Herman@fcc.gov, Federal Communications Commission (FCC), Room 1-B441, 445 12th Street, SW., Washington, DC 20554. To submit your comments by e-mail send them to:

PRA@fcc.gov. If you would like to obtain or view a copy of this information collection after the 60 day comment period, you may do so by visiting the OMB's ROCIS site at: <http://www.reginfo.gov/public/do/PRAMain>.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection(s) send an e-mail to PRA@fcc.gov or contact Judith B. Herman at 202-418-0214.

SUPPLEMENTARY INFORMATION:

OMB Control No.: 3060-1059.

Title: Global Mobile Personal Communications by Satellite (GMPCS)/ E911 Call Centers.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit.

Number of Respondents: 25 respondents; 25 responses.

Estimated Time Per Response: 1 hour.

Frequency of Response: Annual reporting requirement and recordkeeping requirement.

Obligation to Respond: Required to obtain or retain benefits.

Total Annual Burden: 25 hours.

Annual Cost Burden: \$5,000.

Privacy Act Impact Assessment: N/A.

Nature and Extent of Confidentiality: There is no need for confidentiality.

Needs and Uses: This collection will be submitted as an extension (no change in reporting and recordkeeping requirements) after this 60 day comment period to Office of Management and Budget (OMB) in order to obtain the full three year clearance from them. There is no change in the number of respondents/responses, the estimated burden hours and/or annual costs. The information collection requirements under this OMB control number (3060-1059) are used by the Commission under its authority to license commercial satellite services in the United States pursuant to 47 CFR Part 25. Additionally, the Commission has the authority to ensure that Mobile Satellite Service (MSS) providers establish and maintain Emergency Call Center Service pursuant to 47 CFR 25.284. The recordkeeping and reporting requirements include data on MSS call center usage such as the aggregate number of calls that the call centers receive and the number of calls that required forwarding to a local Public Safety Answering Point (PSAP). The Commission uses this data to monitor compliance with the call center requirement and track usage trends. Such information is useful to the Commission in considering whether

FCC rules require modification to accommodate the changing market. Without this collection of information that result from these rules, the Commission would not be able to monitor the MSS carriers' establishment of call centers which are essential to provide emergency services, such as handling emergency 911 telephone calls from American citizens.
