Mortgage Guaranty Insurance Corporation, Concord, California; Notice of Negative Determination on Remand

On August 9, 2007, the United States Court of International Trade (USCIT) granted the Department of Labor's request for voluntary remand to conduct further investigation in *Former Employees of Mortgage Guaranty Insurance Corporation v. United States Secretary of Labor* (Court No. 07-00182).

On April 19, 2007, the Department of Labor (Department) issued a Negative Determination regarding eligibility to apply for Trade Adjustment Assistance (TAA) and Alternative Trade Adjustment Assistance (ATAA) applicable to workers and former workers of Mortgage Guaranty Insurance Corporation, Concord, California (the subject firm). (Administrative Record ("AR") 64). The Department's Notice of negative determination was published in the **Federal Register** on May 9, 2007 (72 FR 26425). (AR 76). The determination stated that, because the workers did not produce an article, and did not support a firm or appropriate subdivision that produced an article domestically, the workers cannot be considered import impacted or affected by a shift of production abroad. (AR 64-65).

Administrative reconsideration was not requested by any of the parties pursuant to 29 CFR 90.18.

The complaint alleges that the subject workers are eligible to apply for worker adjustment assistance due to a shift of production to India followed by increased imports ("our work was sent to Bangalore, India * * * our daily contract underwriting work was retrieved electronically by this team * * * then sent electronically back to * * * the United States").

In order for the Secretary to issue a certification, petitioners must meet the group eligibility requirements under section 222 of the Trade Act of 1974, as
