I. Funding Opportunity Description

Purpose of Program: The purpose of the Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) is to support early college preparation and awareness activities for low-income students.

Priorities: Under these competitions we are particularly interested in applications that address one or more of the following priorities.

Invitational Priorities: For FY 2008 these priorities are invitational priorities. Under 34 CFR 75.105(c)(1) we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications.

These priorities are:

Invitational Priority 1: State applicants are encouraged to include plans to develop and administer an assessment in the tenth grade, eleventh grade, or both to determine whether GEAR UP students are adequately prepared for postsecondary education. Assessments would include math skills, language skills, and other content areas or skills the applicants believe are sound indicators of preparedness for college-level work.

The Secretary will review the results of this invitational priority (including the number of applicants who include information responsive to this priority and whether any grantees develop and administer an assessment), and may propose to modify the regulations in 34 CFR 694 for GEAR UP to require that grantees conduct an assessment of this kind of the students receiving services

through GEAR UP partnership or State grants.

Invitational Priority 2: State and Partnership applicants are encouraged to include plans to engage faith-based and community organizations in the delivery of services under this program.

Invitational Priority 3: State and Partnership applicants are encouraged to include plans to align their activities with the States' rigorous secondary school program of study options recognized by the Secretary for that State under the Academic Competitiveness Grant (ACG) Program or that reflect the secondary school program of study recognized as rigorous by the Secretary under 34 CFR 691.16(d)(2) of the ACG Program. The recognized secondary school programs of study for each State for students graduating in 2007 can be found at the following Web site: <http://www.ed.gov/admins/finaid/about/ac-smart/2007/state-programs-07.html>. Plans should include strategies for documenting completion of the rigorous secondary school program of study on high school transcripts.

Invitational Priority 4: State and Partnership applicants are encouraged to include plans to provide information to school personnel, students, and parents about the rigorous secondary school program of study requirements for an ACG as defined in 34 CFR 691.16.

Invitational Priority 5: State and Partnership applicants are encouraged to include plans to provide supportive services that help students meet the rigorous secondary school program of study requirements for an ACG as defined in 34 CFR 691.16.

Program Authority: 20 U.S.C. 1070a–21.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99.

(b) The regulations for this program in 34 CFR part 694.

Note: The regulations in 34 CFR part 79 apply to all applicants except Federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education (IHEs) only.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: The Administration has requested \$303,423,120 for this program for FY 2008, of which we intend to use an estimated \$44,700,000 for these competitions. The actual level of funding, if any, depends on final

congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Contingent upon the availability of funds and the quality of applications, we may make additional awards in FY 2009 from the list of unfunded applicants from these competitions.

Estimated Range of Awards: State grants: \$2,800,000–\$3,000,000. Partnership grants: \$100,000–\$7,000,000.

Estimated Average Size of Awards: State grants: \$2,900,000. Partnership grants: \$800,000.

Maximum Award: We will reject any application for a State grant that proposes a budget exceeding \$3,000,000 for a single budget period of 12 months. We will reject any application for a partnership grant that proposes a budget exceeding \$800 per student for a single budget period of 12 months. We also will reject any State or partnership grant application that proposes an increase in its budget after the first 12-month budget period. The Assistant Secretary for Postsecondary Education may change the maximum amounts through a notice published in the **Federal Register**.
