SUPPLEMENTARY INFORMATION: In compliance with 44 U.S.C. 3507, FDA has submitted the following proposed collection of information to OMB for review and clearance.

Animal Drug User Fee Cover Sheet; FDA Form 3546; 21 U.S.C. 379j-12; (OMB Control Number: 0910-0539)—Extension

Under Section 740 of the act, as amended by ADUFA (21 U.S.C. 379j-

12), FDA has the authority to assess and collect for certain animal drug user fees. Because the submission of user fees concurrently with applications and supplements is required, review of an application cannot begin until the fee is submitted. The types of fees that require a cover sheet, are certain animal drug application fees and certain supplemental animal drug application fees. The cover sheet FDA Form 3546, is designed to provide the minimum necessary information to determine whether a fee is required for the review of an application or supplement, to determine the amount of the fee required, and to assure that each animal drug user fee payment and each animal drug application for which payment is made, is appropriately linked to that payment. The form, when completed

electronically, will result in the generation of a unique payment identification number used for tracking the payment. FDA will use the information collected to initiate administrative screening of new animal drug applications and supplements to determine if payment has been received.

In a **Federal Register** of June 15, 2007 (72 FR 33231), FDA published a 60-day notice soliciting public comment on the proposed collection of information provisions. In response to that notice, no comments were received.

Respondents to this collection of information are new animal drug sponsors applicants or manufacturers.

FDA estimates the burden of this collection of information as follows:

ACTION: General notice.

SUMMARY: This document announces that the fee collected by Customs and Border Protection regarding the submission of fingerprints for those applying for certain positions or requesting various identification cards which necessitate a fingerprint records check, will be raised to a total of \$32.49 to offset the fee being charged Customs and Border Protection by the Federal Bureau of Investigation.

FOR FURTHER INFORMATION CONTACT: Customs and Border Protection, Office of International Trade, Broker

Compliance Branch, Tel. (202) 863-6543.

SUPPLEMENTARY INFORMATION:

Background

The Federal Bureau of Investigation (FBI) is authorized to charge a fee for processing fingerprint identification records for non-law enforcement employment and licensing purposes. See Note to 28 U.S.C. 534.

Customs and Border Protection (CBP) has traditionally used the FBI fingerprinting services. The Customs Regulations were amended by T.D. 93-18 (58 FR 15770, dated March 24, 1993) to provide that CBP will charge a fee to recover the FBI fingerprinting costs, plus an additional 15% of that amount to cover CBP administrative processing. The authority for CBP to assess such a fee is 31 U.S.C. 9701. The port director advises those required to submit the fee of the correct amount.

The current user fee charged by the FBI is \$28.25. Accordingly, in this document, notice is hereby given that the fee charged by CBP will be raised to a total of \$32.49: \$28.25 representing the FBI portion of the fee, and \$4.24 representing the 15% CBP charges to cover administrative processing.

Dated: November 15, 2007.
Daniel Baldwin,
Assistant Commissioner, Office of International Trade.
