Bureau of Educational and Cultural Affairs (ECA) Request for Grant Proposals: Youth Leadership and Teacher Professional Development Program with Bosnia and Herzegovina

Announcement Type: New Grant.
Funding Opportunity Number: ECA/PE/C/PY-08-32.

Catalog of Federal Domestic Assistance Number: 00.000.

Application Deadline: January 31, 2008.

Executive Summary: The Office of Citizen Exchanges, Youth Programs Division, of the Bureau of Educational and Cultural Affairs announces an open competition for the Youth Leadership and Teacher Professional Development Program with Bosnia and Herzegovina. Public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3) may submit proposals to conduct a three-to four-week program in the United States focusing on leadership and civic education. The 21 participants will be secondary school students and teachers from Bosnia and Herzegovina.

I. Funding Opportunity Description

Authority: Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries * * *; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations * * * and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

Purpose: The Youth Leadership Program for Bosnia and Herzegovina has been implemented annually since 1999 by a partnership of the Office of Public Affairs (OPA) in the U.S. Embassy in Sarajevo and the U.S. grantee organization. The goals of the program are (1) to provide a civic education program that helps the participants understand civic participation and the rights and responsibilities of citizens in a democracy; (2) to develop leadership skills among secondary school students and teachers appropriate to their needs; and (3) to build personal relationships among high school students and teachers from Bosnia and Herzegovina and the United States. A successful project will be one that nurtures a cadre of students and teachers to be actively engaged in addressing issues of concern in their schools and communities upon their return home and are equipped with the knowledge, skills, and confidence to become citizen activists.

Participants will be engaged in a variety of activities such as workshops, community and/or school-based programs, seminars, and other activities that are designed to achieve the program's stated goals. Multiple opportunities for participants to interact with American youth and educators must be included.

The applicant should present a program plan that allows the participants to thoroughly explore civic education in the United States in a creative, memorable, and practical way. Activities should be designed to be replicable and provide practical knowledge and skills that the participants can apply to school and civic activities at home.

Applicants should outline their project team's capacity for doing projects of this nature, focusing on three areas of competency: (1) Provision of leadership and civic education programming, (2) age-appropriate programming for youth, and (3) work with individuals from Bosnia-Herzegovina or other areas of Southeast Europe. Applicants need not have a partner in Bosnia and Herzegovina, as the Office of Public Affairs (OPA) of the U.S. Embassy in Sarajevo will recruit and select the participants from selected cities in the Federation and in Republika Srpska and will provide a pre-departure orientation.

The U.S. project activities should take place in spring 2009. Applicants should propose the period of the exchange, but the exact timing of the project may be altered through the mutual agreement of the Department of State and the grant recipient. The program should be no less than three weeks and up to four
