## DEPARTMENT OF JUSTICE

**Antitrust Division****Notice Pursuant to the National Cooperative Research and Production Act of 1993—American Society of Mechanical Engineers**

Notice is hereby given that, on November 2, 2007, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301, *et seq.* (“the Act”), American Society of Mechanical Engineers (“ASME”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing additions or changes to its standards development activities. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, since July 10, 2007, ASME has published one new standard and initiated one new standards activity within the general nature and scope of ASME’s standards development activities, as specified in its original notification. More details regarding these changes can be found at <http://www.asme.org>.

On September 15, 2004, ASME filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the

**Federal Register** pursuant to Section 6(b) of the Act on October 13, 2004 (69 FR 60895).

The last notification was filed with the Department on July 11, 2007. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on September 11, 2007 (72 FR 51839).

## DEPARTMENT OF JUSTICE

**Antitrust Division****Notice Pursuant to the National Cooperative Research and Production Act of 1993—Joint Development Under ATP Award No. 70NANB7H7007**

Notice is hereby given that, on October 17, 2007, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301, *et seq.* (“the Act”), Joint Development under ATP Award No. 70NANB7H7007 has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties to the venture and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the identities of the parties to the venture are: Caterpillar Inc., Mossville, IL and The Lubrizol Corporation, Wickliffe, OH. The general area of Joint Development under ATP Award No. 70NANB7H7007’s planned activity is to perform research in the field of integrated surface technologies for 21st century drive trains. The activity of this joint development project will be partially funded by an award from the Advanced Technology Program, National Institute of Standards and Technology, U.S. Department of Commerce.

**Patricia A. Brink,**

*Deputy Director of Operations, Antitrust Division.*

## DEPARTMENT OF LABOR

**Employment and Training Administration****Notice of Determinations Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance**

In accordance with section 223 of the Trade Act of 1974, as amended (19 U.S.C. 2273) the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) number and alternative trade adjustment assistance (ATAA) by (TA-W) number issued during the period of November 13 through November 23, 2007.

In order for an affirmative determination to be made for workers of a primary firm and a certification issued regarding eligibility to apply for worker adjustment assistance, each of the group eligibility requirements of section 222(a) of the Act must be met.

I. Section (a)(2)(A) all of the following must be satisfied:

A. A significant number or proportion of the workers in such workers’ firm, or an appropriate subdivision of the firm, have become totally or partially separated, or are threatened to become totally or partially separated;

B. The sales or production, or both, of such firm or subdivision have decreased absolutely; and

C. Increased imports of articles like or directly competitive with articles produced by such firm or subdivision have contributed importantly to such workers’ separation or threat of separation and to the decline in sales or production of such firm or subdivision; or

II. Section (a)(2)(B) both of the following must be satisfied:

A. A significant number or proportion of the workers in such workers’ firm, or an appropriate subdivision of the firm, have become totally or partially separated, or are threatened to become totally or partially separated;

B. There has been a shift in production by such workers’ firm or subdivision to a foreign country of articles like or directly competitive with articles which are produced by such firm or subdivision; and

C. One of the following must be satisfied:

1. The country to which the workers’ firm has shifted production of the articles is a party to a free trade agreement with the United States;

2. The country to which the workers’ firm has shifted production of the
