BILLING CODE 4510-26-P

NUCLEAR REGULATORY COMMISSION

[Docket No. 030-37435; License No. 09-31230-01; EA-07-101, 07-104]

In the Matter of MC Squared, Inc., Tampa, FL; Order Imposing Civil Monetary Penalty

I

MC Squared, Inc. (licensee) is the holder of a materials license issued by the State of Florida, an NRC Agreement

State. Most of the licensee's work is conducted under the State's jurisdiction. MC Squared, Inc. also obtained license No. 09-31230-01 (license) issued by the Nuclear Regulatory Commission (NRC or Commission) on April 5, 2007. This license expires on April 30, 2017. The license authorizes the licensee to possess and use certain byproduct materials in accordance with the conditions specified therein.

II

Although MC Squared, Inc. possessed an Agreement State license from the State of Florida, the NRC inspected and processed enforcement against the licensee because their temporary job site, which was located at the Seminole Tribe Indian Reservation, is under NRC jurisdiction. The inspection of the licensee's activities at the temporary job site in Clewiston, Florida, was completed on March 29, 2007.

The results of this inspection concluded that the licensee had not conducted its activities in full compliance with NRC requirements. A written Notice of Violation and Proposed Imposition of Civil Penalty (Notice) was served upon the licensee by letter dated September 13, 2007. The Notice states the nature of the violations, the provision of the NRC's requirements that the licensee violated, and the amount of the civil penalty proposed for the violations. The licensee responded to the Notice in a letter dated October 11, 2007. In its response, the licensee requested that the NRC negate or significantly reduce the civil penalty.

III

After consideration of the licensee's response and argument for mitigation contained therein, the NRC has determined, the violations occurred as stated in the Notice, that the licensee did not provide an adequate basis for negating or significantly reducing the civil penalty, and that the penalty proposed for the violations designated in the Notice should be imposed.

IV

In view of the foregoing and pursuant to the Atomic Energy Act of 1954, as amended, § 234, 42 U.S.C. 2282 (1988) ("Act"), and 10 CFR 2.205, *it is hereby ordered that:*

MC Squared, Inc. pay a civil penalty in the amount of \$3,250 within 30 days of the date of this Order, in accordance with NUREG/BR-0254. In addition, at the time payment is made MC Squared, Inc. shall submit a statement indicating when and by what method payment was made, to the Director, Office of Enforcement, U.S. Nuclear

Regulatory Commission, One White Flint North, 11555 Rockville Pike, Rockville, MD 20852-2738.

V

In accordance with 10 CFR 2.202, MC Squared, Inc. must, and any other person adversely affected by this Order may, submit an answer to this Order within 20 days of the date of this Order. In addition, the licensee and any other person adversely affected by this Order may request a hearing on this Order within 20 days of the date of this Order. Where good cause is shown, consideration will be given to extending the time to answer or request a hearing. A request for extension of time must be made in writing to the Director, Office of Enforcement, U.S. Nuclear Regulatory Commission, and include a statement of good cause for the extension.

The answer shall, under oath or affirmation, specifically admit or deny each allegation or charge made in this Order and shall set forth the matters of fact and law on which the licensee or other person relies, and, if the order is not consented to, the reasons as to why the order should not have been issued. The answer may also demand a hearing.

A request for a hearing must be filed in accordance with the NRC E-Filing rule, which became effective on October 15, 2007. The NRC E-Filing Final Rule was issued on August 28, 2007 (72 Fed. Reg. 49,139), and codified in pertinent part at 10 CFR Part 2, Subpart B. The E-Filing process requires participants to submit and serve documents over the internet or, in some cases, to mail copies on electronic optical storage media. Participants may not submit paper copies of their filings unless they seek a waiver in accordance with the procedures described below.

If a person other than the licensee requests a hearing, that person shall set forth with particularity the manner in which his interest is adversely affected by this Order and shall address the criteria set forth in 10 CFR 2.309(d).

If a hearing is requested by a licensee or a person whose interest is adversely affected, the Commission will issue an Order designating the time and place of any hearings. If a hearing is held, the issue to be considered at such hearing shall be whether this Order should be sustained. In the absence of any request for hearing, or written approval of an extension of time in which to request a hearing, the provisions Specified in Section IV above shall be final 20 days from the date of this Order without further order or proceedings. If an extension of time for requesting a hearing has been approved, the provisions specified in Section IV shall
