The above-captioned investigation has been consolidated with Inv. No. 337-TA-601, *Certain 3G Wideband Code Division Multiple Access (WCDMA) Handsets and Components Thereof*.

Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The subject initial determination concerns investigations which have now been consolidated: Inv. No. 337-TA-601 and Inv. No. 337-TA-613. The Commission instituted Inv. No. 337-TA-601 on April 27, 2007, based on a complaint filed by InterDigital Communications Corp. of King of Prussia, Pennsylvania and InterDigital Technology Corp. of Wilmington, Delaware (collectively, "InterDigital") on March 23, 2007. 72 FR 21049. The complaint, as amended, alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain 3G wideband code division multiple access (WCDMA) handsets and components thereof by reason of infringement of certain claims of U.S. Patent Nos. 6,674,791; 6,693,579; 7,117,004; and 7,190,966. The notice of investigation named Samsung Electronics Co., Ltd. of Seoul, Korea; Samsung Electronics America, Inc. of Ridgefield Park, New Jersey; and Samsung Telecommunications America LLC of Richardson, Texas (collectively, "Samsung") as respondents.

The Commission instituted Inv. No. 337-TA-613 on September 11, 2007, based on a complaint filed by InterDigital on August 7, 2007. 72 FR 51838. The complaint, as amended, alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain 3G mobile handsets and components by reason of infringement of certain claims of U.S. Patent Nos. 6,693,579; 7,117,004; and 7,190,966. The notice of investigation named Nokia Corporation of Finland and Nokia Inc. of Irving, Texas (collectively, "Nokia") as respondents.

On October 24, 2007, the ALJ consolidated Inv. No. 337-TA-601 with Inv. No. 337-TA-613.

On November 2, 2007, InterDigital moved to amend the complaint and notice of investigation to add allegations of infringement of claims 1-3 and 5-11 of U.S. Patent No. 7,286,847 ("the '847 patent") with respect to "certain Samsung entities." Neither the motion nor the supporting memorandum specify which entities are being referred to. The Commission understands the proposed amended complaint, however, as accusing all current Samsung respondents of infringement of the '847 patent. The Commission investigative attorney filed a response supporting the motion; Samsung opposed the motion. On November 14, 2007, the ALJ issued

the subject ID granting InterDigital's motion, finding that there was good cause to amend the complaint and notice of investigation. No petitions for review were filed. The Commission has determined not to review the subject ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in sections 210.14 and 210.42(c) of the Commission's Rules of Practice and Procedure, 19 CFR 210.14, 210.42(c).

By order of the Commission.

Issued: December 6, 2007.

Marilyn R. Abbott,

Secretary to the Commission.

Background: On December 20, 2006, the President signed into law amendments to section 112 of the African Growth and Opportunity Act (AGOA) (19 U.S.C. 3721), included in Public Law 109-432. Section 112(c)(2)(A)-(B)(i) of the amended statute requires the Commission to determine, following receipt of a petition, whether regional SSA fabric or yarn is available in commercial quantities for use in LDB SSA countries in the production of apparel articles receiving U.S. preferential treatment, and, if so, the quantity of fabric or yarn that will be so available in the following fiscal year (October 1-September 30). Once a fabric or yarn has been determined to be so available, section 112(c)(2)(B)(ii) of AGOA requires the Commission, in each subsequent year through fiscal year 2012, to determine whether such fabric or yarn will be so available in the following fiscal year, and if so, the quantity that will be available in that following fiscal year.

Section 112(c)(2)(C) of AGOA deemed denim articles provided for in

subheading 5209.42.00 of the Harmonized Tariff Schedule of the United States to be available in commercial quantities in the amount of 30 million square meter equivalents during the period October 1, 2006-September 30, 2007 (fiscal year 2007) as if a petition had been filed and the Commission had made an affirmative determination and determined such denim fabric to be available in that quantity. In September 2007, the Commission determined, pursuant to section 112(c)(2)(B)(ii), that such denim fabric will be available in commercial quantities during fiscal year 2008, and will be available in the amount of 21,303,613 square meter equivalents. The Commission transmitted its determination and report in that investigation to the President on September 25, 2007 (Commission investigation No. AGOA-07-001, now re-designated as investigation No. AGOA-001, *Commercial Availability of Fabric & Yarns in AGOA Countries: Certain Denim*, Commission Publication 3950, September 2007).

The Commission is required, before the end of fiscal year 2008, to make determinations concerning whether certain denim fabric will be so available during fiscal year 2009 and, if so, the quantity that will be available. The Commission has instituted investigation No. AGOA-003 for the purpose of gathering the information necessary to make these determinations. The Commission expects to transmit its determinations and report in this investigation to the President and the U.S. Trade Representative on or before August 1, 2008.

It should be noted that the Commission is currently conducting a separate investigation, investigation No. AGOA-002, to determine the extent to which the denim fabric deemed to be available during fiscal year 2007 for use in LDB SSA countries in the production of apparel articles receiving U.S. preferential treatment was so used. As indicated below, the Commission will hold a consolidated public hearing for both investigations.

Public Hearing: A public hearing in connection with this investigation will be held at the U.S. International Trade Commission Building, 500 E Street, SW, Washington, DC, beginning at 9:30 a.m. on April 9, 2008. To facilitate attendance at the hearing by parties also interested in attending the hearing in investigation No. AGOA-002, the Commission will hold a consolidated hearing for both investigations. Requests to appear at the public hearing should be filed with the Secretary not later than 5:15 p.m., March 18, 2008, in
