Background: On December 20, 2006, the President signed into law amendments to section 112 of the African Growth and Opportunity Act (AGOA) (19 U.S.C. 3721), included in Public Law 109-432. Section 112(c)(2)(A)-(B)(i) of the amended statute requires the Commission to determine, following receipt of a petition, whether regional SSA fabric or yarn is available in commercial quantities for use in LDB SSA countries in the production of apparel articles receiving U.S. preferential treatment, and, if so, the quantity of fabric or yarn that will be so available in the following fiscal year (October 1-September 30). Once a fabric or yarn has been determined to be so available, section 112(c)(2)(B)(ii) of AGOA requires the Commission, in each subsequent year through fiscal year 2012, to determine whether such fabric or yarn will be so available in the following fiscal year, and if so, the quantity that will be available in that following fiscal year.

Section 112(c)(2)(C) of AGOA deemed denim articles provided for in

subheading 5209.42.00 of the Harmonized Tariff Schedule of the United States to be available in commercial quantities in the amount of 30 million square meter equivalents during the period October 1, 2006-September 30, 2007 (fiscal year 2007) as if a petition had been filed and the Commission had made an affirmative determination and determined such denim fabric to be available in that quantity. In September 2007, the Commission determined, pursuant to section 112(c)(2)(B)(ii), that such denim fabric will be available in commercial quantities during fiscal year 2008, and will be available in the amount of 21,303,613 square meter equivalents. The Commission transmitted its determination and report in that investigation to the President on September 25, 2007 (Commission investigation No. AGOA-07-001, now re-designated as investigation No. AGOA-001, *Commercial Availability of Fabric & Yarns in AGOA Countries: Certain Denim*, Commission Publication 3950, September 2007).

The Commission is required, before the end of fiscal year 2008, to make determinations concerning whether certain denim fabric will be so available during fiscal year 2009 and, if so, the quantity that will be available. The Commission has instituted investigation No. AGOA-003 for the purpose of gathering the information necessary to make these determinations. The Commission expects to transmit its determinations and report in this investigation to the President and the U.S. Trade Representative on or before August 1, 2008.

It should be noted that the Commission is currently conducting a separate investigation, investigation No. AGOA-002, to determine the extent to which the denim fabric deemed to be available during fiscal year 2007 for use in LDB SSA countries in the production of apparel articles receiving U.S. preferential treatment was so used. As indicated below, the Commission will hold a consolidated public hearing for both investigations.

Public Hearing: A public hearing in connection with this investigation will be held at the U.S. International Trade Commission Building, 500 E Street, SW, Washington, DC, beginning at 9:30 a.m. on April 9, 2008. To facilitate attendance at the hearing by parties also interested in attending the hearing in investigation No. AGOA-002, the Commission will hold a consolidated hearing for both investigations. Requests to appear at the public hearing should be filed with the Secretary not later than 5:15 p.m., March 18, 2008, in

accordance with the requirements in the "Submissions" section below. All pre-hearing briefs and statements should be filed not later than 5:15 p.m., March 21, 2008; and all post-hearing briefs and statements should be filed not later than 5:15 p.m., April 23, 2008. In the event that, as of the close of business on March 18, 2008, no witnesses are scheduled to appear at the hearing, the hearing will be canceled. Any person interested in attending the hearing as an observer or nonparticipant may call the Secretary to the Commission (202-205-2000) after March 18, 2008, for information concerning whether the hearing will be held.

Written Submissions: In lieu of or in addition to participating in the hearing, interested parties are invited to submit written statements concerning this investigation. All written submissions should be addressed to the Secretary. All written submissions (except for requests to appear at the hearing and pre- and post-hearing briefs and statements with earlier due dates) should be received not later than 5:15 p.m., April 28, 2008. All written submissions must conform with the provisions of section 201.8 of the Commission's *Rules of Practice and Procedure* (19 CFR 201.8). Section 201.8 requires that a signed original (or a copy so designated) and fourteen (14) copies of each document be filed. In the event that confidential treatment of a document is requested, at least four (4) additional copies must be filed, in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information). The Commission's rules authorize filing submissions with the Secretary by facsimile or electronic means only to the extent permitted by section 201.8 of the rules (see Handbook for Electronic Filing Procedures, http://www.usitc.gov/secretary/fed_reg_notices/rules/documents/handbook_on_electronic_filing.pdf). Persons with questions regarding electronic filing should contact the Secretary (202-205-2000).

Any submissions that contain confidential business information must also conform with the requirements of section 201.6 of the *Commission's Rules of Practice and Procedure* (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the confidential business information be clearly identified by means of brackets. All written submissions, except for

confidential business information, will be made available for inspection by interested parties.

The Commission may include some or all of the confidential business information submitted in the course of this investigation in the report it sends to the President and the U.S. Trade Representative. After transmitting its report, the Commission intends to publish a public version of its report, with any confidential business information deleted. Any confidential business information received by the Commission in this investigation and used in preparing this report will not be published in the public version of the report in a manner that would reveal the operations of the firm supplying the information.
