SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. Abstract: The DC School Choice Incentive Program, authorized by the Consolidated Appropriations Act of 2004, awarded a grant to the Washington Scholarship Fund that will administer scholarships to students who reside in the District of Columbia and come from households whose incomes do not exceed 185% of the poverty line. Priority is given to students who are currently attending schools in need of improvement, as defined by Title I. To assist in the student selection and assignment process, the information to be collected will be used to determine the eligibility of those students who are interested in the available scholarships. Also, since the authorizing statute requires an evaluation we are proposing to collect certain family demographic information because they are important predictors of school success. Finally, we are asking to collect information about parental participation and satisfaction because these are key topics that the statute requires the evaluation to address.

This information collection is being submitted under the Streamlined Clearance Process for Discretionary Grant Information Collections (1890-0001). Therefore, the 30-day public comment period notice will be the only public comment notice published for this information collection.
