

Instructions: All submissions received must include the agency name and docket number or Regulatory Information Number (RIN) for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: Mr. Marcus Beauregard, (703) 588-0952.

SUPPLEMENTARY INFORMATION: To help develop this report, the Department of Defense is seeking comments from the public about the potential negative impact of certain consumer loan products on Service members. Please indicate whether the following products, which are not currently regulated by 32 CFR 232.3, negatively impact Service members to the degree that the Department of Defense should regulate them. If regulation is needed, please provide proposed solutions. These products are:

- Installment loans, not covered in the definitions of credit in 32 CFR 232.3. These installment loans may include excessive fees and interest rates, loan flipping, and regular inclusion of high cost ancillary credit insurance products.
- Credit cards that are characterized by minimal available credit coupled with high fees.
- Fee-based, high-cost, courtesy overdraft products.

Additionally, the Department of Defense is seeking comments from the public on the implementation of 32 CFR part 232, specifically issues concerning:

- Disclosure requirements and identification of the covered borrower as required by 32 CFR 232.5 and 232.6.
- Implementation of alternative small-dollar credit products and recommended changes that can facilitate producing and delivering these products to Service members and their dependents.
- Oversight and enforcement of the regulation with respect to Internet-based lenders offering credit covered by the definitions in 32 CFR 232.3.
- Methods for the Department of Defense to use in monitoring enforcement of the rule. The Department of Defense has the authority to make regulatory changes and to recommend statutory change. The

Department of Defense seeks input on potential changes for consideration.

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before February 25, 2008.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the

Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: December 19, 2007.

Angela C. Arrington,

IC Clearance Official, Regulatory Information Management Services, Office of Management.

Title: Eighth Grade Access to Algebra I: A Study of Virtual Algebra.

Frequency: On Occasion.

Affected Public: Individuals or household.

Reporting and Recordkeeping Hour Burden:

Responses: 1,494.

Burden Hours: 493.

Abstract: This study of the effects of 8th grade algebra on student math achievement and advanced course-taking patterns is to be carried out by the Northeast and Islands Regional Education Laboratory. This randomized controlled field trial involves 60 schools in Maine, 60 teachers, and 1,800 students. Targeted outcomes are students' mathematics achievement, as measured by scores on the 8th grade Maine Educational Assessment in mathematics, scores on the Northwest Evaluation Association-Measures of Academic Progress (NWEA-MAP) test, 9th grade transcript data, 10th grade course enrollments, and 10th grade Preliminary Scholastic Aptitude Test (PSAT) scores.
