The description of carbon-quality is intended to identify carbon-quality products within the scope. The welded carbon-quality rectangular pipe and tube subject to this investigation is currently classified under the Harmonized Tariff Schedule of the United States (“HTSUS”) subheadings 7306.61.50.00 and 7306.61.70.60. While HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this investigation is dispositive.

Analysis of Alleged Significant Ministerial Error

A ministerial error is defined in 19 CFR 351.224(f) as “an error in addition, subtraction, or other arithmetic

function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial.” With respect to preliminary determinations, 19 CFR 351.224(e) provides that the Department “will analyze any comments received and, if appropriate, correct any significant ministerial error by amending the preliminary determination * * *” A significant ministerial error is defined as an error, the correction of which, singly or in combination with other errors, would result in (1) a change of at least five absolute percentage points in, but not less than 25 percent of, the countervailable subsidy rate calculated in the original (erroneous) preliminary determination; or (2) a difference between a countervailable subsidy rate of zero (or *de minimis*) and a countervailable subsidy rate of greater than *de minimis* or vice versa. See 19 CFR 351.224(g). We have determined that the *Preliminary Determination* contained a “significant” ministerial error with respect to ZZPC. See

Memorandum to Susan Kuhbach, Director, Office 1, AD/CVD Operations, entitled, “Ministerial Error Allegation” (December 19, 2007) for the analysis performed. This memorandum is on file in the Department’s Central Records Unit in Room B–099 of the main Department building.

Amended Preliminary Determination

Because the error alleged by ZZPC regarding the countervailable subsidy rate calculation for ZZPC was significant, we have amended the preliminary countervailing duty rate calculation for ZZPC, pursuant to 19 CFR 351.224(e). In addition, the correction to ZZPC’s rate also affects the rates established for Qingdao Xiangxing Steel Pipe Co. (“Qingdao”) and the all-others rate. The preliminary net countervailable subsidy rate for Kunshan Lets Win Steel Machinery Co., Ltd. (“Lets Win”) remains unchanged from the *Preliminary Determination* at 0.27 percent. As a result of corrections of ministerial errors, the amended preliminary net countervailable subsidy rates are as follows:

Exporter/manufacturer	Original subsidy rate	Amended subsidy rate
Kunshan Lets Win Steel Machinery Co., Ltd	0.27	0.27.
Qingdao Xiangxing Steel Pipe Co	77.85	45.6 percent.
Zhangjiagang Zhongyuan Pipe-making Co., Ltd., Jiangsu Qiyuan Group Co, Ltd	2.99	0.90 percent.
All Others	2.99	15.59 percent.

Suspension of Liquidation

The collection of bonds or cash deposits and suspension of liquidation will be revised, in accordance with section 703(d) and (f) of the Act. Specifically, we will instruct U.S. Customs and Border Protection (“CBP”) to continue to suspend liquidation of all entries of LWRP from the PRC on or after the date of publication of this notice in the **Federal Register**. However, neither the suspension of liquidation nor the requirement for a cash deposit or bond will apply to merchandise produced and exported by Lets Win or ZZPC because the Department has preliminarily determined that Lets Win and ZZPC received *de minimis* subsidies.

International Trade Commission Notification

In accordance with section 703(f) of the Act, we have notified the U.S. International Trade Commission (“ITC”) of our amended affirmative preliminary determination. If our final countervailing duty determination is affirmative, the ITC will determine

whether the imports covered by that determination are materially injuring, or threatening material injury to, the U.S. industry.

This determination is issued and published pursuant to sections 703(f) and 777(i)(1) of the Act.

Dated: December 19, 2007.

David M. Spooner,
Assistant Secretary for Import Administration.
