A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq is amending its rule manual to reflect MFQS fees previously approved when MFQS was operated as a facility of the National Association of Securities Dealers ("NASD") but inadvertently not transferred to the corresponding Nasdaq rule when Nasdaq commenced operations as a national securities exchange on August 1, 2006. Pursuant to SR-NASD-2005-059,⁵ Nasdaq amended NASD Rule 7090 subsections (a) and (d) to provide for annual MFQS listing fees of \$475 for News Media List and \$350 for the Supplemental List, as well as a \$25 administrative fee. The changes were approved by the Commission and became effective September 27, 2005. However, due to an oversight, the Nasdaq manual, as replicated by Nasdaq upon its separation from NASD, did not include the revised and approved subsections (a) or (d) in its corresponding Rule 7033. Nevertheless, Nasdaq has charged the approved fees since the effective date of the approval. Nasdaq seeks to rectify the oversight through the current rule proposal.

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with Section 6(b) of the Act⁶ in general, and with Section 6(b)(4) of the Act,⁷ in particular, in that the proposal provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which Nasdaq operates or controls. The proposed rule change corrects certain errors in the rule manual to reflect previously approved MFQS fees.

B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

II. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has been designated as concerned solely with the administration of a self-regulatory organization pursuant to Section 19(b)(3)(A)(iii) of the Act⁸ and Rule 19b-4(f)(3)⁹ thereunder. Accordingly, the proposal is effective upon filing with the Commission. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NYSE proposes to reduce the annual trading floor regulatory fee allocated among the specialists from \$16,000,000 to \$8,000,000. The text of the proposed rule change is available on the Exchange's Web site (<http://www.nyse.com>), at the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the NYSE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The NYSE has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Effective January 1, 2008, the Exchange proposes to reduce from \$16,000,000 to \$8,000,000 the annual trading floor regulatory fee allocated among the specialists. The purpose of the trading floor regulatory fee is to defray the costs incurred by the Exchange in connection with the monitoring of trading floor activity by the Exchange's Market Surveillance Division. The Exchange has determined that, given the dramatically increased percentage of trades automatically executed and the shifts in the specialists' trading role as a result of the Hybrid Market initiative, it is appropriate to reduce the specialists' direct contribution to the regulatory program. The fee reduction will not have any impact on the Exchange's ability to maintain its current level of trading floor surveillance or to develop and adopt new surveillance technologies and procedures in the future.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of section 6 of the Act⁵ in general and section 6(b)(4) of the Act⁶ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

NYSE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to section 19(b)(3)(A) of the Act,⁷ and Rule 19b-4(f)(2)⁸ thereunder because it changes a fee imposed by the Exchange. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-NYSE-2007-121 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary,

Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-NYSE-2007-121. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal office of the NYSE.
