SUPPLEMENTARY INFORMATION:

Postponement of Preliminary Determination

On September 10, 2007, the Department of Commerce ("Department") initiated an antidumping duty investigation of steel wire garment hangers from the People's Republic of China. See *Steel Wire Garment Hangers from the People's Republic of China: Initiation of Antidumping Duty Investigation*, 72 FR 52855 (September 17, 2007) ("Initiation Notice"). The *Initiation Notice* stated that we would issue our preliminary determination no later than 140 days after the date of initiation. Currently, the preliminary determination in this investigation is due on January 28, 2007.¹

On December 31, 2007, M&B Metal Products, the petitioner, made a timely request, pursuant to 19 CFR 351.205(e), for a 50-day postponement of the preliminary determination in the investigation, pursuant to section 733(c)(1)(A) of the Tariff Act of 1930, as amended ("the Act"). The petitioner stated that a postponement of the preliminary determination is necessary because of the complexities of the investigation, and because the Department is still involved in gathering initial data from the respondents.

Under section 733(c)(1)(A) of the Act, if the petitioner makes a timely request for an extension of the period within which the preliminary determination must be made under subsection (b)(1), then the Department may postpone making the preliminary determination under subsection (b)(1) until not later than the 190th day after the date on which the administering authority initiated the investigation. Therefore, for the reasons identified by the petitioner and because there are no compelling reasons to deny their request, the Department is postponing the preliminary determination in this investigation until March 18, 2008, which is 190 days from the date on which the Department initiated these investigations.² The deadline for the

¹ 140 days from the initiation is actually January 27, 2008. However, Department practice dictates that where a deadline falls on a weekend, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, as Amended*, 70 FR 24533 (May 10, 2005).

² 190 days from the initiation date is actually March 17, 2008. However, Department practice dictates that where a deadline falls on a weekend, the appropriate deadline is the next business day. See *id.*

final determination will continue to be 75 days after the date of the preliminary determination, unless extended.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: January 7, 2008.

Assistant Secretary for Import Administration.

Patent and Trademark Office

Submission for OMB Review; Comment Request

The United States Patent and Trademark Office (USPTO) will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: United States Patent and Trademark Office (USPTO).

Title: Native American Tribal Insignia Database.

Form Number(s): None.

Agency Approval Number: 0651–0048.

Type of Request: Revision of a currently approved collection.

Burden: 3 hours annually.

Number of Respondents: 15 responses per year.

Avg. Hours per Response: The USPTO estimates that a recognized Native American tribe will require an average of 10 to 12 minutes (0.17 to 0.20 hours) to complete a request to record an official insignia, including preparing the appropriate documents and submitting the completed request.

Needs and Uses: The Trademark Law Treaty Implementation Act (Pub. L. 105–330, § 302, 112 Stat. 3071 (1998)) required the USPTO to study issues surrounding the protection of the official insignia of federally- and state-recognized Native American tribes under trademark law. At the direction of Congress, the USPTO created a database containing the official insignia of recognized Native American tribes. The insignia database serves as a reference for examining attorneys when determining the registrability of a mark that may falsely suggest a connection to the official insignia of a Native American tribe. The entry of an official insignia into the database does not confer any rights to the tribe that submitted the insignia, and entry is not the legal equivalent of registering the insignia as a trademark under 15 U.S.C. 1051 *et seq.* This information collection is used by the USPTO to enter an official insignia submitted by a federally- or state-recognized Native American tribe into the database. There are no forms associated with this collection.

Affected Public: Tribal governments.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: David Rostker, (202) 395–3897.

Copies of the above information collection proposal can be obtained by any of the following methods:

- *E-mail:* Susan.Fawcett@uspto.gov. Include "0651–0048 copy request" in the subject line of the message.

- *Fax:* 571–273–0112, marked to the attention of Susan Fawcett.

- *Mail:* Susan K. Fawcett, Records Officer, Office of the Chief Information

Officer, Customer Information Services Group, Public Information Services Division, United States Patent and Trademark Office, P.O. Box 1450, Alexandria, VA 22313–1450.

Written comments and recommendations for the proposed information collection should be sent on or before February 11, 2008 to David Rostker, OMB Desk Officer, Room 10202, New Executive Office Building, 725 17th Street, NW., Washington, DC 20503.

Dated: January 4, 2008.
