## SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

### In the Matter of Aampro Group, Inc.; Order of Suspension of Trading

January 10, 2008.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Aampro Group, Inc. ("Aampro") because of questions regarding the adequacy and accuracy of information in Aampro's public filings concerning, among other things: (1) The company's business operations, (2) the company's business

combinations, and (3) the company's current financial condition.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the above-listed company is suspended for the period from 9:30 a.m. EST January 10, 2008, through 11:59 p.m. EST on January 24, 2008.

By the Commission.

**Nancy M. Morris,**

*Secretary.*

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57106; File No. SR-Amex-2007-36]

### Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing of Proposed Rule Change and Amendment No. 1 To Eliminate a Volume Add-on to Amex Options Specialist Financial Requirements

January 4, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on April 10, 2007, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by Amex. On December 12, 2007, the Exchange filed Amendment No. 1 to the proposed rule change. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Amex options specialist financial requirements to eliminate the add-on of \$25,000 for each option class in excess of the initial twenty-five issues in which the specialist is registered. The text of the proposed rule change is available on the Amex's Web site at <http://www.amex.com> and at the Commission's Public Reference Room.

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Amex is proposing to amend Rule 950-ANTE(h). Rule 950-ANTE(h) currently requires an option specialist to maintain minimum tentative net capital in the amount of \$1,000,000 plus \$25,000 for each option issue (option class) in excess of the initial twenty-five issues in which the specialist is registered. The amendment would eliminate the \$25,000 add-on for each option class in excess of the initial twenty-five option classes.

Amex member firms are subject to both the Amex and the Commission's net capital rule.<sup>3</sup> The multiple listing of options across markets, as well as quoting obligations of registered options traders, remote registered options traders, and supplemental registered options traders now provides multiple sources of liquidity in each options class, which diminishes the role and need to highly capitalize any one liquidity provider. Therefore, the benefits of requiring Amex options specialists to maintain net capital beyond the Commission's net capital rule have been greatly reduced. Reducing the amount of capital required to be held under the Amex net capital rule also would allow options specialists to use funds previously maintained to meet Amex net capital requirements for other purposes, lowering their cost of business and helping to ensure that they can continue to function as options specialists on the Exchange.

###### 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with

<sup>3</sup> Rule 15c3-1 under the Act (17 CFR 240.15c3-1).

<sup>8</sup> 17 CFR 200.30-3(a)(27).
