SUPPLEMENTARY INFORMATION:

A. Background

The Government Accountability Office and the General Services Administration Office of Inspector General have reported that some Federal agencies using the delegated leasing authority issued to Federal agencies on September 25, 1996, are not following properly the instructions specified as a condition for use of the leasing delegation. To address the concerns raised by these audits, to facilitate compliance with all applicable laws and regulations governing the acquisition of real property leasehold interests, and to minimize risk to the Federal Buildings Fund, GSA will no longer authorize General Purpose leasing delegations for space acquisitions in excess of 19,999 rentable square feet.

B. Executive Order 12866

The General Services Administration has determined that this final rule is not a significant regulatory action for the purposes of Executive Order 12866.

C. Regulatory Flexibility Act

This final rule is not required to be published in the **Federal Register** for comment. Therefore, the Regulatory Flexibility Act does not apply.

D. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FMR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501 *et seq.*

E. Small Business Regulatory Enforcement Fairness Act

This final rule is exempt from Congressional review under 5 U.S.C. 801, since it relates solely to agency management and personnel.

SUPPLEMENTARY INFORMATION:

A. Background

On December 13, 2002, GSA published Federal Property

Management Regulation (FPMR) Amendment D–99 as a final rule in the **Federal Register** (67 FR 76882), which removed all real property policy coverage from the FPMR and provided cross-references that directed readers to the coverage in the Federal Management Regulation (FMR).

On February 4, 2004, the President signed Executive Order 13327, Federal Real Property Asset Management, requiring that the Administrator of General Services, in consultation with the Federal Real Property Council, establish and maintain a single, comprehensive database of all real property under the custody and control of all executive branch agencies, except when otherwise required for reasons of national security.
