## DEPARTMENT OF LABOR

### Office of the Secretary

#### Bureau of International Labor Affairs; Labor Advisory Committee for Trade Negotiations and Trade Policy

**ACTION:** Meeting notice.

**SUMMARY:** Pursuant to the provisions of the Federal Advisory Committee Act

(Pub. L. 92-463, as amended), notice is hereby given of a meeting of the Labor Advisory Committee for Trade Negotiation and Trade Policy.

*Date, Time, Place:* February 8, 2008; 2 p.m.–4 p.m.; USTR Annex Building, Rooms 1 and 2, 1724 F St., NW., Washington, DC.

*Purpose:* The meeting will include a review and discussion of current issues which influence U.S. trade policy. Potential U.S. negotiating objectives and bargaining positions in current and anticipated trade negotiations will be discussed. Pursuant to 19 U.S.C. 2155(f) it has been determined that the meeting will be concerned with matters the disclosure of which would seriously compromise the Government's negotiating objectives or bargaining positions. Accordingly, the meeting will be closed to the public. See section 10(d) of the Federal Advisory Committee Act, 5 U.S.C. app., and section (c)(9)(B) of the Government in the Sunshine Act, 5 U.S.C. 552b(c)(9)(B).

**FOR FURTHER INFORMATION CONTACT:**

Gregory Schoepfle, Director, Office of Trade and Labor Affairs; Phone: (202) 693-4887.

Signed at Washington, DC, the 9th day of January 2008.

**Charlotte M. Ponticelli,**

*Deputy Under Secretary, International Affairs.*

## DEPARTMENT OF LABOR

### Employment and Training Administration

#### Notice of Availability of Funds and Solicitation for Grant Applications (SGA) for the Science, Technology, Engineering, and Mathematics (STEM) Opportunities in the Workforce System Initiative

*Announcement Type:* New. Notice of Solicitation for Grant Applications.

*Funding Opportunity Number:* SGA/DFA PY 07-03.

Catalog of Federal Assistance Number: 17.268

*Key Dates:* This competition will be implemented in two phases, a preliminary proposal phase (Phase I) and a full proposal phase (Phase II), with a closing date for each phase for receipt of applications. For Phase I of the competition, preliminary proposals must be received at the address below no later than 4 p.m. (ET) on March 11, 2008. All applicants are required to

submit Phase I proposals. A virtual Prospective Applicant Conference will be held for this grant competition on January 25, 2008 at 2 p.m. (ET). Additional information and links to registration for this Virtual Prospective Applicant Conference can be found at <http://www.workforce3one.org/public/webinars/details.cfm?id=266>.

After completion of review of Phase I proposals, selected applicants will receive a notice of recommendation to participate in Phase II of the competition and in this notification, further information regarding the Phase II submission deadline will also be provided. Applicants may only participate in the Phase II competition after receiving notice of recommendation. Please note that applicants that only submit full proposals will not be reviewed.

**SUMMARY:** The Employment and Training Administration (ETA), U.S. Department of Labor (DOL), announces the availability of approximately \$10 million in grant funds for the Science, Technology, Engineering, and Mathematics (STEM) Opportunities in the Workforce System Initiative (STEM Initiative). These grants will be awarded through a two-phased competitive process to primarily expand and align current and new STEM workforce education and training strategies, activities, and resources in One Stop Career Centers to promote, attract, and prepare disadvantaged youth and dislocated workers for STEM careers, while simultaneously enhancing the competitive position of local and regional employers.

Grants will be awarded to a select number of individual workforce investment boards (WIBs), representing a regional consortium of WIBs. A WIB must submit an application on behalf of a specific, defined multi-county economic region comprised of various workforce investment areas that make up the consortium. Joint applications for regions that cross state lines will be accepted. Applications for multi-state regions must be from an individual WIB that will have responsibility for administering the project. This solicitation contains an exception if the defined region is a rural area or a portion of a state whereby only one WIB exists.

In awarding STEM Initiative grants, every effort will be made to fairly distribute grants across rural and urban areas and across the different geographic regions of the United States. It is anticipated that the number of awards will range from five to seven, with the

average award ranging from \$1.5 million to \$2 million.

This solicitation provides background information and describes the application submission requirements, outlines the process that eligible entities must use to apply for funds covered by this solicitation, and details how grantees will be selected.

**ADDRESSES:** Mailed applications must be addressed to the U.S. Department of Labor, Employment and Training Administration, Division of Federal Assistance, Attention: Marsha Daniels, Reference SGA/DFA PY 07-03, 200 Constitution Avenue, NW., Room N-4716, Washington, DC 20210. Telefacsimile (FAX) applications will not be accepted. Information about applying online can be found in Part IV(C) of this document. Applicants are advised that mail delivery in the Washington area may be delayed due to mail decontamination procedures. Hand delivered proposals will be received at the above address.

**SUPPLEMENTARY INFORMATION:** This solicitation consists of eight parts:

- Part I is the funding opportunity description that includes background information, the overview and details of the STEM Initiative including the five key features, project scope and allowable activities, and an outline of objectives and goals.
- Part II describes the size and nature of the anticipated awards.
- Part III describes eligibility information and other grant specifications.
- Part IV provides information on the application and submission process for the preliminary (Phase I) and full proposal (Phase II) submissions.
- Part V describes the criteria against which applications will be reviewed and evaluated, and explains the proposal review process for Phase I and II.
- Part VI provides award administration information.
- Part VII contains DOL agency contact information.
- Part VIII lists additional resources of interest to applicants.

### I. Funding Opportunity Description

#### A. Background

There is broad consensus that the long-term key to continued U.S. competitiveness and growth in an increasingly global economic environment is the adequate supply of qualified Science, Technology, Engineering, and Mathematics (STEM) workers capable of translating knowledge and skills into new processes, products, and services.
