Period of Review

Analysis of Comments

On October 10, 2007, POSCO filed comments. Neither Dongbu nor petitioners filed a case brief or a rebuttal brief. All issues in POSCO's case brief by are addressed in the accompanying *Issues and Decision Memorandum for the Countervailing Duty Administrative Review on Corrosion-Resistant Carbon Steel Flat Products from Korea* ("Decision Memorandum"), which is hereby adopted by this notice. A listing of the issues that parties raised and to which we have responded is attached to this notice as Appendix I. Parties can find a complete discussion of the issues raised in this review and the corresponding recommendations in this public memorandum, which is on file in the Central Records Unit ("CRU"), room B-099 of the main Commerce building. In addition, a complete version of the Decision Memorandum, can be accessed directly on the World Wide Web at <http://ia.ita.doc.gov/fm>. The paper copy and the electronic version of the Decision Memorandum are identical in content.

Final Results of Review

After reviewing POSCO's comments, we have made adjustments to our calculations as explained in our Decision Memorandum. Consistent with the *Preliminary Results*, we find that POSCO and Dongbu received *de minimis* countervailable subsidies during the POR.

Company	Net subsidy rate
Pohang Iron and Steel Co. Ltd. (POSCO)	0.09 percent <i>ad valorem</i> <i>(de minimis)</i>
Dongbu Steel Co. Ltd. (Dongbu)	0.27 percent <i>ad valorem</i> <i>(de minimis)</i>

Assessment Rates/Cash Deposits

The Department intends to issue assessment instructions to U.S. Customs and Border Protection ("CBP") 15 days after the date of publication of these final results of review to liquidate shipments of subject merchandise by POSCO and Dongbu entered, or withdrawn from warehouse, for consumption on or after January 1, 2005, through December 31, 2005, without regard to countervailing duties. We will also instruct CBP not to collect cash deposits of estimated countervailing duties on shipments of the subject merchandise by POSCO and Dongbu entered, or withdrawn from warehouse, for consumption on or after the date of publication of these final results of review.

For all non-reviewed companies, the Department has instructed CBP to assess countervailing duties at the cash deposit rates in effect at the time of entry, for entries between January 1, 2005, and December 31, 2005. The cash deposit rates for all companies not covered by this review are not changed by the results of this review.
