

(1) *Communication/information/education*. Questions will focus on customer satisfaction with aspects of communication/information/products/education offered. Respondents may be asked for feedback regarding the following attributes of the services provided:

- (a) Timeliness.
- (b) Consistency.
- (c) Ease of Use and Usefulness.
- (d) Ease of Information Access.
- (e) Helpfulness and Effectiveness.
- (f) Quality.
- (g) Value for fee paid for information/product/service.
- (h) Level of engagement in communications process (i.e., whether respondent feels he/she was asked for input and whether or not that input was considered).

(2) *Disability accessibility*. This area will focus on customer satisfaction data related to disability access to DOI buildings, facilities, trails, etc.

(3) *Management practices*. This area covers questions relating to how well customers are satisfied with DOI management practices and processes, what improvements they might make to specific processes, and whether or not they feel specific issues were addressed and reconciled in a timely, courteous, and responsive manner.

(4) *Resource management*. We will ask customers and partners to provide satisfaction data related to DOI's ability to protect, conserve, provide access to, and preserve natural resources that we manage.

(5) *Rules, regulations, policies*. This area focuses on obtaining feedback from customers regarding fairness, adequacy, and consistency in enforcing rules, regulations, and policies for which DOI is responsible. It will also help us understand public awareness of rules and regulations and whether or not they are explained in a clear and understandable manner.

(6) *Service delivery*. We will seek feedback from customers regarding the manner in which DOI delivers services. Attributes will range from the courtesy of staff to timeliness of service delivery and staff knowledge of the services being delivered.

(7) *Technical assistance*. Questions developed within this topic area will focus on obtaining customer feedback regarding attributes of technical assistance, including timeliness, quality, usefulness, and the skill level of staff providing this assistance.

(8) *Program-specific*. Questions for this area will reflect the specific details of a program that pertain to its customer respondents. The questions will address very specific and/or technical issues

related to the program. The questions will be geared toward gaining a better understanding about how to provide specific products and services and the public's attitude toward their usefulness.

(9) *General demographics*. Some general demographics may be used to augment satisfaction questions so that we can better understand the customer and improve how we serve that customer. We may ask customers how many times they have used a service, visited a facility within a specific timeframe, their ethnic group, or their race.

II. Data

OMB Control Number: 1040-0001.

Title: DOI Programmatic Clearance for Customer Satisfaction Surveys.

Form Number(s): None.

Type of Request: Extension of an approved collection.

Affected Public: DOI customers. We define customers as anyone who uses DOI resources, products, or services. This includes internal customers (anyone within DOI) as well as external customers (e.g., the American public, representatives of the private sector, academia, other government agencies). Depending upon their role in specific situations and interactions, citizens and DOI stakeholders and partners may also be considered customers. We define stakeholders to mean groups or individuals who have an expressed interest in and who seek to influence the present and future state of DOI's resources, products, and services. Partners are those groups, individuals, and agencies who are formally engaged in helping DOI accomplish its mission.

Respondent's Obligation: Voluntary.

Frequency of Collection: On occasion.

Estimated Annual Number of

Respondents: 120,000. We estimate approximately 60,000 respondents will submit DOI customer satisfaction surveys and 60,000 will submit comment cards.

Estimated Total Annual Responses: 120,000.

Estimated Time per Response: 15 minutes for a customer survey; 3 minutes for a comment card.

Estimated Total Annual Burden Hours: 18,000.

III. Request for Comments

We invite comments concerning this IC on:

(1) Whether or not the collection of information is necessary, including whether or not the information will have practical utility;

(2) the accuracy of our estimate of the burden for this collection of information;

(3) ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) ways to minimize the burden of the collection of information on respondents.

Comments that you submit in response to this notice are a matter of public record. We will include and/or summarize each comment in our request to OMB to approve this IC. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of applications for permit.

SUMMARY: The public is invited to comment on the following applications to conduct certain activities with endangered species and/or marine mammals.

DATES: Written data, comments or requests must be received by February 15, 2008.

ADDRESSES: Documents and other information submitted with these applications are available for review, subject to the requirements of the Privacy Act and Freedom of Information Act, by any party who submits a written request for a copy of such documents within 30 days of the date of publication of this notice to: U.S. Fish and Wildlife Service, Division of Management Authority, 4401 North Fairfax Drive, Room 212, Arlington, Virginia 22203; fax 703/358-2281.

FOR FURTHER INFORMATION CONTACT: Division of Management Authority, telephone 703/358-2104.

SUPPLEMENTARY INFORMATION:

Endangered Species

The public is invited to comment on the following applications for a permit to conduct certain activities with endangered species. This notice is provided pursuant to section 10(c) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*).

Written data, comments, or requests for copies of these complete applications should be submitted to the Director (address above).

Applicant: Patrick J. Foley, Green Isle, MN, PRT-170054.

The applicant requests a permit to import the sport-hunted trophy of one male bontebok (*Damaliscus pygargus pygargus*) culled from a captive herd maintained under the management program of the Republic of South Africa, for the purpose of enhancement of the survival of the species.

Applicant: Michael A. Melancon, Galliano, LA, PRT-171430.

The applicant requests a permit to import the sport-hunted trophy of one male bontebok (*Damaliscus pygargus pygargus*) culled from a captive herd maintained under the management program of the Republic of South Africa, for the purpose of enhancement of the survival of the species.

Marine Mammals

The public is invited to comment on the following application for a permit to conduct certain activities with marine mammals. The application was submitted to satisfy requirements of the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 *et seq.*), and the regulations governing marine mammals (50 CFR part 18). Written data, comments, or requests for copies of the complete applications or requests for a public hearing on these applications should be submitted to the Director (address above).
