("Lutron") and Leviton Manufacturing Company, Inc. ("Leviton") to terminate the investigation as to Leviton on the basis of a settlement agreement, and the ALJ's ID (Order No. 10) granting the motion of Lutron to terminate the investigation as to Control 4 Corporation ("Control4") based on withdrawal of the complaint and terminating the investigation in its entirety.

SUPPLEMENTARY INFORMATION: On April 5, 2007, the Commission instituted this investigation, based on a complaint filed by Lutron Electronics Co., Inc. ("Lutron") of Coopersburg, Pennsylvania. Lutron's amended Complaint alleges violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain lighting control devices including dimmer switches and/or switches and parts thereof by reason of infringement of claims 1, 36, 65, 83, 85, 89, 90, 94, 112, 114, 116, 118, 119, 123, 149, 178, 193, 195, 197, 199, and 200 of U.S. Patent No. 5,637,930 ("the '930 patent"); claims 44, 47, and 49 of U.S. Patent No. 5,248,919 ("the '919 patent"); claims 1-5, 8-10, 12, and 22 of U.S. Patent No. 5,982,103 ("the '103 patent"); claims 151, 152, and 155-157 of U.S. Patent No. 5,905,442 ("the '442 patent"); and claims 1, 3, and 14

of U.S. Patent No. 5,736,965 ("the '965 patent"). The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. The complainant requested that the Commission issue a limited exclusion order and a cease and desist order. The complaint named two firms as respondents: Leviton Manufacturing Company, Inc. ("Leviton") of Little Neck, New York, and Control4 Corporation ("Control4") of Salt Lake City, Utah.

On September 24, 2007, a joint motion between Lutron and Respondent Leviton was filed seeking termination of this investigation based upon a settlement agreement. On October 2, 2007, Lutron moved to terminate the investigation as to respondent Control4 based on withdrawal of the complaint. Control4 did not oppose Lutron's motion.

On November 15, 2007 the ALJ issued Order No. 9, terminating the investigation as to Leviton and Order No. 10, terminating the investigation with respect to Control4 and, inasmuch as no respondent remains, terminating the investigation in its entirety. The Commission has determined not to review the IDs.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 CFR § 210.42).

Issued: December 10, 2007.

By order of the Commission.
