Applicants' Representations

1. The Trusts, organized as Delaware statutory trusts, are registered under the Act as open-end management investment companies and offer multiple series, each of which has its own distinct investment objectives and policies ("Funds"). The Balanced Portfolio, a series of NIF, is currently the only Fund that intends to rely on the requested relief. The Adviser, a wholly-owned subsidiary of The Northern Trust Company, is registered as an investment adviser under the Investment Advisers Act of 1940 and serves as investment adviser to the Funds.

2. Applicants request relief to permit: (a) A Fund (a "Fund of Funds") to acquire shares of registered open-end management investment companies that are not part of the "same group of investment companies" (as defined in section 12(d)(1)(G)(ii) of the Act) as the Fund of Funds (the "Unaffiliated Investment Companies") and unit investment trusts ("UITs") that are not part of the same group of investment companies as the Fund of Funds ("Unaffiliated Trusts," and together with Unaffiliated Investment Companies, the "Unaffiliated Funds"); (b) the Unaffiliated Funds, their principal underwriter and any broker or dealer registered under the Securities Exchange Act of 1934 ("Broker") to sell their shares to the Fund of Funds; (c) the Fund of Funds to acquire shares of certain other Funds in the same group of investment companies as the Fund of Funds (the "Affiliated Funds," and together with the Unaffiliated Funds, the "Underlying Funds"); and (d) the Affiliated Funds, their principal underwriter and Brokers to sell their shares to the Fund of Funds.¹ Certain of the Unaffiliated Funds may be registered under the Act as either UITs or open-end management investment companies and have received exemptive relief to permit their shares be listed and traded on a national securities exchange at negotiated prices ("ETFs").² Each Fund of Funds also may invest in government securities, domestic and foreign common and preferred stock, income-bearing securities, certain types of futures contracts and options thereon, and in other securities and investments that are not issued by registered investment companies and that are consistent with its investment objective, including money market instruments.

Applicants' Legal Analysis

A. Section 12(d)(1)

1. Section 12(d)(1)(A) of the Act prohibits a registered investment company from acquiring shares of an investment company if the securities

¹ Applicants request that the order extend to any future Funds, and any other existing or future registered open-end management investment companies and their series that are part of the same group of investment companies, as defined in section 12(d)(1)(G)(ii) of the Act, as the Trusts and are, or may in the future be, advised by the Adviser or any other investment adviser controlling, controlled by, or under common control with the Adviser (included in the term, "Funds"). The Trusts are the only registered investment companies that currently intend to rely on the requested order. Any other entity that relies on the order in the future will comply with the terms and conditions of the application.

² Certain of the Affiliated Funds also may operate as ETFs; however, no Fund of Funds will be an ETF. See also *infra* note 5.

represent more than 3% of the total outstanding voting stock of the acquired company, more than 5% of the total assets of the acquiring company, or, together with the securities of any other investment companies, more than 10% of the total assets of the acquiring company. Section 12(d)(1)(B) of the Act prohibits a registered open-end investment company, its principal underwriter and any broker or dealer from selling the shares of the investment company to another investment company if the sale will cause the acquiring company to own more than 3% of the acquired company's voting stock, or if the sale will cause more than 10% of the acquired company's voting stock to be owned by investment companies generally.

2. Section 12(d)(1)(J) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Applicants seek an exemption under section 12(d)(1)(J) of the Act to permit the Funds of Funds to acquire shares of the Underlying Funds in excess of the limits set forth in section 12(d)(1)(A) of the Act and to permit the Underlying Funds, their principal underwriters and any Broker to sell shares to the Funds of Funds in excess of the limits set forth in section 12(d)(1)(B) of the Act.

3. Applicants state that the proposed arrangement will not give rise to the policy concerns underlying sections 12(d)(1)(A) and (B), which include concerns about undue influence by a fund of funds or its affiliated persons over underlying funds, excessive layering of fees, and overly complex fund structures. Accordingly, applicants believe that the requested exemption is consistent with the public interest and the protection of investors.

4. Applicants state that the proposed arrangement will not result in undue influence by a Fund of Funds or its affiliated persons over the Underlying Funds. The concern about undue influence does not arise in connection with a Fund of Funds' investment in the Affiliated Funds, since they are part of the same group of investment companies. To limit the control that a Fund of Funds or its affiliated persons may have over an Unaffiliated Fund, applicants propose condition 1 below, which prohibits: (a) The Adviser and any person controlling, controlled by or under common control with the Adviser, any investment company and any issuer that would be an investment company but for section 3(c)(1) or

section 3(c)(7) of the Act advised or sponsored by the Adviser or any person controlling, controlled by or under common control with the Adviser (collectively, the "Group"), and (b) any investment adviser within the meaning of section 2(a)(20)(B) of the Act to a Fund of Funds ("Sub-Adviser") and any person controlling, controlled by or under common control with the Sub-Adviser, and any investment company or issuer that would be an investment company but for section 3(c)(1) or 3(c)(7) of the Act (or portion of such investment company or issuer) advised by the Sub-Adviser or any person controlling, controlled by or under common control with the Sub-Adviser (collectively, the "Sub-Adviser Group") from controlling (individually or in the aggregate) an Unaffiliated Fund within the meaning of section 2(a)(9) of the Act.

5. Applicants further state that condition 2 below precludes a Fund of Funds or the Adviser, any Sub-Adviser, promoter or principal underwriter of a Fund of Funds, and any person controlling, controlled by, or under common control with any of those entities (each, a "Fund Affiliate") from taking advantage of an Unaffiliated Fund with respect to transactions between a Fund of Funds or a Fund Affiliate and the Unaffiliated Fund or its investment adviser(s), sponsor, promoter, and principal underwriter and any person controlling, controlled by or under common control with any of those entities (each, an "Unaffiliated Fund Affiliate"). No Fund of Funds or Fund Affiliate (except to the extent it is acting in its capacity as an investment adviser to an Unaffiliated Investment Company or sponsor to an Unaffiliated Trust) will cause an Unaffiliated Fund to purchase a security in an offering of securities during the existence of any underwriting or selling syndicate of which a principal underwriter is an officer, director, trustee, advisory board member, investment adviser, Sub-Adviser, or employee of the Fund of Funds, or a person of which any such officer, director, trustee, investment adviser, Sub-Adviser, member of an advisory board, or employee is an affiliated person (each, an "Underwriting Affiliate," except any person whose relationship to the Unaffiliated Fund is covered by section 10(f) of the Act is not an Underwriting Affiliate). An offering of securities during the existence of any underwriting or selling syndicate of which a principal underwriter is an Underwriting Affiliate is an "Affiliated Underwriting."

6. To further assure that an Unaffiliated Investment Company

understands the implications of an investment by a Fund of Funds under the requested order, prior to a Fund of Funds' investment in the shares of an Unaffiliated Investment Company in excess of the limit in section 12(d)(1)(A)(i) of the Act, a Fund of Funds and the Unaffiliated Investment Company will execute an agreement stating, without limitation, that their boards of directors or trustees ("Boards") and their investment advisers understand the terms and conditions of the order and agree to fulfill their responsibilities under the order ("Participation Agreement").

7. Applicants do not believe that the proposed arrangement will involve excessive layering of fees. The Board of each Fund of Funds, including a majority of the trustees who are not "interested persons," as defined in section 2(a)(19) of the Act ("Independent Trustees"), will find that the advisory fees charged under the advisory contract are based on services provided that are in addition to, rather than duplicative of, services provided pursuant to any Underlying Fund's advisory contract(s). Applicants further state that the Adviser will waive fees otherwise payable to it by a Fund of Funds in an amount at least equal to any compensation (including fees received pursuant to any plan adopted by an Unaffiliated Investment Company pursuant to rule 12b-1 under the Act) received from an Unaffiliated Fund by the Adviser, or an affiliated person of the Adviser, other than any advisory fees paid to the Adviser or an affiliated person of the Adviser by the Unaffiliated Fund, in connection with the investment by the Fund of Funds in the Unaffiliated Fund.

8. Applicants state that any sales charges and/or service fees charged with respect to shares of a Fund of Funds will not exceed the limits applicable to funds of funds set forth in Rule 2830 of the Conduct Rules of the NASD.

9. Applicants state that the proposed arrangement will not create an overly complex fund structure. Applicants note that an Underlying Fund will be prohibited from acquiring securities of any investment company or company relying on section 3(c)(1) or 3(c)(7) of the Act in excess of the limits contained in section 12(d)(1)(A) of the Act, except in certain circumstances identified in condition 12 below. Applicants also represent that a Fund of Funds' prospectus and sales literature will contain concise, "plain English" disclosure designed to inform investors about the unique characteristics of the proposed arrangement, including, but not limited to, the expense structure and

the additional expenses of investing in Underlying Funds.

B. Section 17(a)

1. Section 17(a) of the Act generally prohibits sales or purchases of securities between a registered investment company and any affiliated persons of the company. Section 2(a)(3) of the Act defines an "affiliated person" of another person to include (a) any person directly or indirectly owning, controlling, or holding with power to vote, 5% or more of the outstanding voting securities of the other person; (b) any person 5% or more of whose outstanding voting securities are directly or indirectly owned, controlled, or held with power to vote by the other person; and (c) any person directly or indirectly controlling, controlled by, or under common control with the other person.

2. Applicants state that the Funds of Funds and the Affiliated Funds may be deemed to be under common control of the Adviser and therefore affiliated persons of one another. Applicants also state that a Fund of Funds and the Underlying Funds may be deemed to be affiliated persons of each other if a Fund of Funds acquires 5% or more of an Underlying Fund's outstanding voting securities. In light of these possible affiliations, section 17(a) could prevent an Underlying Fund from selling shares to and redeeming shares from a Fund of Funds.³

3. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with the policies of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act. Section 6(c) of the Act permits the Commission to exempt any person or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

³ Applicants acknowledge that receipt of any compensation by (a) an affiliated person of a Fund of Funds, or an affiliated person of such person, for the purchase by the Fund of Funds of shares of an Underlying Fund or (b) an affiliated person of an Underlying Fund, or an affiliated person of such person, for the sale by the Underlying Fund of its shares to a Fund of Funds may be prohibited by section 17(e)(1) of the Act. The Participation Agreement also will include this acknowledgement.

4. Applicants submit that the proposed transactions satisfy the requirements for relief under sections 17(b) and 6(c) of the Act as the terms are fair and reasonable and do not involve overreaching. Applicants state that the terms upon which an Underlying Fund will sell its shares to or purchase its shares from a Fund of Funds will be based on the net asset value of each Underlying Fund.⁴ Applicants also state that the proposed transactions will be consistent with the policies of each Fund of Funds and Underlying Fund, and with the general purposes of the Act.

Applicants' Conditions

Applicants agree that any order granting the requested relief shall be subject to the following conditions:

1. The members of the Group will not control (individually or in the aggregate) an Unaffiliated Fund within the meaning of section 2(a)(9) of the Act. The members of a Sub-Adviser Group will not control (individually or in the aggregate) an Unaffiliated Fund within the meaning of section 2(a)(9) of the Act. If, as a result of a decrease in the outstanding voting securities of an Unaffiliated Fund, the Group or a Sub-Adviser Group, each in the aggregate, becomes a holder of more than 25% of the outstanding voting securities of the Unaffiliated Fund, then the Group or the Sub-Adviser Group will vote its shares of the Unaffiliated Fund in the same proportion as the vote of all other holders of the Unaffiliated Fund's shares. This condition will not apply to a Sub-Adviser Group with respect to an Unaffiliated Fund for which the Sub-Adviser or a person controlling, controlled by, or under common control with the Sub-Adviser acts as the investment adviser within the meaning of section 2(a)(20)(A) of the Act (in the case of an Unaffiliated Investment Company) or as the sponsor (in the case of an Unaffiliated Trust).

2. No Fund of Funds or Fund Affiliate will cause any existing or potential investment by the Fund of Funds in an Unaffiliated Fund to influence the terms of any services or transactions between

⁴ Applicants note that a Fund of Funds generally would purchase and sell shares of an Unaffiliated Fund that operates as an ETF through secondary market transactions at market prices rather than through principal transactions with the Unaffiliated Fund at net asset value. Applicants would not rely on the requested relief from section 17(a) for such secondary market transactions. A Fund of Funds could seek to transact in "Creation Units" directly with an ETF that is an Unaffiliated Fund pursuant to the requested section 17(a) relief. Applicants are not requesting, and the Commission is not granting, any relief from section 17(a) to purchase and redeem Creation Units of any ETF that is an Affiliated Fund.

the Fund of Funds or a Fund Affiliate and the Unaffiliated Fund or an Unaffiliated Fund Affiliate.

3. The Board of each Fund of Funds, including a majority of the Independent Trustees, will adopt procedures reasonably designed to assure that its Adviser and any Sub-Adviser to the Fund of Funds are conducting the investment program of the Fund of Funds without taking into account any consideration received by the Fund of Funds or Fund Affiliate from an Unaffiliated Fund or an Unaffiliated Fund Affiliate in connection with any services or transactions.

4. Once an investment by a Fund of Funds in the securities of an Unaffiliated Investment Company exceeds the limit of section 12(d)(1)(A)(i) of the Act, the Board of the Unaffiliated Investment Company, including a majority of the Independent Trustees, will determine that any consideration paid by the Unaffiliated Investment Company to a Fund of Funds or a Fund Affiliate in connection with any services or transactions: (a) Is fair and reasonable in relation to the nature and quality of the services and benefits received by the Unaffiliated Investment Company; (b) is within the range of consideration that the Unaffiliated Investment Company would be required to pay to another unaffiliated entity in connection with the same services or transactions; and (c) does not involve overreaching on the part of any person concerned. This condition does not apply with respect to any services or transactions between an Unaffiliated Investment Company and its investment adviser(s), or any person controlling, controlled by, or under common control with such investment adviser(s).

5. No Fund of Funds or Fund Affiliate (except to the extent it is acting in its capacity as an investment adviser to an Unaffiliated Investment Company or sponsor to an Unaffiliated Trust) will cause an Unaffiliated Fund to purchase a security in any Affiliated Underwriting.

6. The Board of an Unaffiliated Investment Company, including a majority of the Independent Trustees, will adopt procedures reasonably designed to monitor any purchases of securities by the Unaffiliated Investment Company in an Affiliated Underwriting once an investment by a Fund of Funds in the securities of the Unaffiliated Investment Company exceeds the limit of section 12(d)(1)(A)(i) of the Act, including any purchases made directly from an Underwriting Affiliate. The Board of the Unaffiliated Investment Company will review these procedures

periodically, but no less frequently than annually, to determine whether the purchases were influenced by the investment by the Fund of Funds in the Unaffiliated Investment Company. The Board of the Unaffiliated Investment Company will consider, among other things: (a) Whether the purchases were consistent with the investment objectives and policies of the Unaffiliated Investment Company; (b) how the performance of securities purchased in an Affiliated Underwriting compares to the performance of comparable securities purchased during a comparable period of time in underwritings other than Affiliated Underwritings or to a benchmark such as a comparable market index; and (c) whether the amount of securities purchased by the Unaffiliated Investment Company in Affiliated Underwritings and the amount purchased directly from an Underwriting Affiliate have changed significantly from prior years. The Board of an Unaffiliated Investment Company will take any appropriate actions based on its review, including, if appropriate, the institution of procedures designed to assure that purchases of securities in Affiliated Underwritings are in the best interests of shareholders.

7. Each Unaffiliated Investment Company will maintain and preserve permanently in an easily accessible place a written copy of the procedures described in the preceding condition, and any modifications to such procedures, and will maintain and preserve for a period of not less than six years from the end of the fiscal year in which any purchase from an Affiliated Underwriting occurred, the first two years in an easily accessible place, a written record of each purchase of securities in an Affiliated Underwriting once an investment by a Fund of Funds in the securities of an Unaffiliated Investment Company exceeds the limit of section 12(d)(1)(A)(i) of the Act, setting forth the (a) party from whom the securities were acquired, (b) identity of the underwriting syndicate's members, (c) terms of the purchase, and (d) information or materials upon which the determinations of the Board of the Unaffiliated Investment Company were made.

8. Prior to its investment in shares of an Unaffiliated Investment Company in excess of the limit in section 12(d)(1)(A)(i) of the Act, the Fund of Funds and the Unaffiliated Investment Company will execute a Participation Agreement stating, without limitation, that their Boards and their investment advisers understand the terms and

conditions of the order and agree to fulfill their responsibilities under the order. At the time of its investment in shares of an Unaffiliated Investment Company in excess of the limit in section 12(d)(1)(A)(i), a Fund of Funds will notify the Unaffiliated Investment Company of the investment. At such time, the Fund of Funds will also transmit to the Unaffiliated Investment Company a list of the names of each Fund of Funds Affiliate and Underwriting Affiliate. The Fund of Funds will notify the Unaffiliated Investment Company of any changes to the list as soon as reasonably practicable after a change occurs. The Unaffiliated Investment Company and the Fund of Funds will maintain and preserve a copy of the order, the Participation Agreement, and the list with any updated information for the duration of the investment and for a period of not less than six years thereafter, the first two years in an easily accessible place.

9. Before approving any advisory contract under section 15 of the Act, the Board of each Fund of Funds, including a majority of the Independent Trustees, shall find that the advisory fees charged under the advisory contract are based on services provided that are in addition to, rather than duplicative of, services provided under the advisory contract(s) of any Underlying Fund in which the Fund of Funds may invest. Such finding, and the basis upon which the finding was made, will be recorded fully in the minute books of the appropriate Fund of Funds.

10. The Adviser will waive fees otherwise payable to it by a Fund of Funds in an amount at least equal to any compensation (including fees received pursuant to any plan adopted by an Unaffiliated Investment Company pursuant to rule 12b-1 under the Act) received from an Unaffiliated Fund by the Adviser, or an affiliated person of the Adviser, other than any advisory fees paid to the Adviser or its affiliated person by the Unaffiliated Fund, in connection with the investment by the Fund of Funds in the Unaffiliated Fund. Any Sub-Adviser will waive fees otherwise payable to the Sub-Adviser, directly or indirectly, by the Fund of Funds in an amount at least equal to any compensation received by the Sub-Adviser, or an affiliated person of the Sub-Adviser, from an Unaffiliated Fund, other than any advisory fees paid to the Sub-Adviser or its affiliated person by the Unaffiliated Investment Company, in connection with the investment by the Fund of Funds in the Unaffiliated Investment Company made at the direction of the Sub-Adviser. In the event that the Sub-Adviser waives fees,

the benefit of the waiver will be passed through to the Fund of Funds.

11. Any sales charges and/or service fees charged with respect to shares of a Fund of Funds will not exceed the limits applicable to funds of funds set forth in NASD Conduct Rule 2830.

12. No Underlying Fund will acquire securities of any other investment company or company relying on section 3(c)(1) or 3(c)(7) of the Act, in excess of the limits contained in section 12(d)(1)(A) of the Act, except to the extent that such Underlying Fund: (a) Receives securities of another investment company as a dividend or as a result of a plan of reorganization of a company (other than a plan devised for the purpose of evading section 12(d)(1) of the Act); or (b) acquires (or is deemed to have acquired) securities of another investment company pursuant to exemptive relief from the Commission permitting such Underlying Fund to: (i) Acquire securities of one or more affiliated investment companies for short-term cash management purposes, or (ii) engage in interfund borrowing and lending transactions.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Florence E. Harmon,

Deputy Secretary.

BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57154; File No. SR-Amex-2008-03]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating to "Amex Only" Orders and Quotes

January 15, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 9, 2008, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared substantially by the Amex. The Amex has submitted the proposed rule change under Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which

renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Amex proposes to amend Rule 131—AEMI, "Types of Orders," to provide for "Amex Only" orders and quotes that will trade only at the Amex or be cancelled.

The text of the proposed rule change is available at <http://www.amex.com>, the principal office of the Amex, and the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Amex included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Amex has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Amex proposes to add new paragraph (z) to Rule 131—AEMI to adopt a new order and a new quote type: the "Amex Only" order ("AOO") and the "Amex Only" quote ("AOQ"). AOOs and AOQs will enable quoting and other market participants to post liquidity on the AEMI Book that will trade only at the Amex, and therefore will not incur the costs of routing to away markets. If any portion of an AOO or AOQ would otherwise be required, under Regulation NMS,⁵ to route to another market to avoid a trade-through or a locked or crossed market, AEMI would automatically cancel that portion of the AOO or AOQ. Additionally, if auto-ex is disabled during the regular trading session, all AOOs or AOQs on the AEMI Book would be cancelled (and all incoming AOOs and AOQs rejected), because neither AOOs nor AOQs would be permitted to participate in intra-day pair-offs.

AOOs and AOQs may be entered only during the pre-opening or regular trading session. AOOs may be limit or

market orders. Quoting participants entering AOOs are limited to one per price point per side of the market in the particular security being quoted, and only those streaming quotes to the Amex via proprietary systems will have AOQ functionality, when implemented.⁶

The Amex states that it is introducing AOOs and AOQs in response to market participants' strong demands for more flexible order and quote types that will provide more control over transaction charges—one of the primary present drivers of order flow decisions. By using AOOs and AOQs, market participants on Amex will be able to be certain of either trading immediately against the contra side of the market on Amex, posting all or part of their order/quote on the AEMI Book, or cancelling the order/quote. The Amex notes that another market already has a similar order type in place,⁷ so competitive reasons also are driving the Amex's decision to offer comparable functionality to liquidity providers.

2. Statutory Basis

The proposed rule change is designed to be consistent with Regulation NMS, as well as Section 6(b) of the Act,⁸ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁹ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.
