BILLING CODE 3410-10-M

DEPARTMENT OF AGRICULTURE

Forest Service

Wasatch-Cache National Forest, UT; West Bear Landscape Management Project

AGENCY: Forest Service, USDA.

ACTION: Notice of intent to prepare a supplemental environmental impact statement to the West Bear Vegetation Management Project.

SUMMARY: The USDA Forest Service announces its intent to prepare a Supplemental Environmental Impact Statement (SEIS) to the West Bear Vegetation Management Project Final Environment Impact Statement (FEIS). The West Bear Vegetation Management Project FEIS evaluated three alternatives using timber harvest and prescribed fire as management tools to treat vegetation. The treatment is intended to move the West Bear landscape towards properly functioning condition (PFC).

DATES: Scoping will not be conducted in accordance with 40 CFR 1502.9(c)(4). The draft supplemental environmental impact statement is expected in February 2008 and the final supplemental environmental impact statement and a new Record of Decision are expected in April 2008.

ADDRESSES: Send written comments to Steve Ryberg, Evanston District Ranger, Wasatch-Cache National Forest, P.O. Box 1880, Evanston, Wyoming 82931.

FOR FURTHER INFORMATION CONTACT: Steve Ryberg, Evanston District Ranger, Evanston Ranger District, Evanston, Wyoming, (307) 789-3194.

SUPPLEMENTARY INFORMATION:

Proposed Action

On March 5, 2007, Forest Supervisor Faye Krueger made a decision to implement the West Bear Vegetation Treatment Project to treat approximately 1,686 acres. The project consists of harvesting 1,489 acres, prescribed burning 523 acres of aspen and mixed aspen/conifer, construction of 7.8 miles of temporary roads, 0.9 miles of intermittent service roads and minor

reconstruction of 0.6 miles of existing service roads. The Record of Decision was appealed by two parties. On May 25, 2007, upon review, Forest Supervisor Krueger withdrew her March 5, 2007 decision. Her decision to withdraw was based on an error identified in the FEIS by an appellant and her finding that further environmental analysis was needed in regard to some species of the wildlife. The SEIS will be limited in its scope and focus on correction of the soils disclosure in FEIS, and additional effects disclosure for some species of wildlife. Clarification of goshawk territories will also be addressed.

Responsible Official

Brian Ferebee, Acting Forest Supervisor, Uinta-Wasatch-Cache National Forest 8236 Bennett Federal Building, 125 South State Street, Salt Lake City, UT 84138.

Dated: January 16, 2008.

David R. Myers,

Deputy Forest Supervisor.

Helical Spring Lock Washers From the People's Republic of China: Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") is conducting an administrative review of the antidumping duty order on helical spring lock washers ("HSLWs") from the People's Republic of China ("PRC") covering the period October 1, 2005, through September 30, 2006. We invited interested parties to comment on our preliminary results. Based on our analysis of the comments received, we have made changes to our margin calculations. Therefore, the final results differ from the preliminary results.

EFFECTIVE DATE: January 24, 2008.

FOR FURTHER INFORMATION CONTACT:

Marin Weaver or Charles Riggle, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-2336 or (202) 482-0650, respectively.

Background

On September 12, 2007, the Department of Commerce ("the Department") published *Certain Helical Spring Lock Washers From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 72 FR 52073 ("Preliminary Results"). The respondent in this case is Hangzhou Spring Washer Co., Ltd. (also known as Zhejiang Wanxin Group, Ltd.) ("HSW"). Shakeproof Assembly Components Division of Illinois Tool Works, Inc. ("Shakeproof"), the U.S. interested party, filed surrogate value information and data on April 19, 2007, August 3, 2007, and October 12, 2007. HSW filed surrogate value information and data on April 19, 2007, May 29, 2007, and July 24, 2007. We gave interested parties an opportunity to comment on the *Preliminary Results*. Shakeproof requested a one-month extension of the deadline for filing case and rebuttal briefs on September 28, 2007. On October 2, 2007, we granted a one-day extension of the deadline for filing case and rebuttal briefs. On October 16, 2007, HSW filed its case brief. Shakeproof submitted the final proprietary version of its brief on October 17, 2007. HSW submitted the final proprietary version of its rebuttal brief on October 23, 2007. Shakeproof did not submit a rebuttal brief.

We have conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.213.

Scope of the Order

The products covered by the order are HSLWs of carbon steel, of carbon alloy steel, or of stainless steel, heat-treated or non-heat-treated, plated or non-plated, with ends that are off-line. HSLWs are designed to: (1) Function as a spring to compensate for developed looseness between the component parts of a fastened assembly; (2) distribute the load over a larger area for screws or bolts; and (3) provide a hardened bearing surface. The scope does not include internal or external tooth washers, nor does it include spring lock washers made of other metals, such as copper.

HSLWs subject to the order are currently classifiable under subheading 7318.21.0030 of the *Harmonized Tariff Schedule of the United States* ("HTSUS"). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of this proceeding is dispositive.
