

within 120 days, from the date the contract becomes effective.

In addition to the loan payment, participants are provided tax assistance payments in an amount not less than 20 percent and not more than 39 percent of the participant's total amount of loan repayments made for the taxable year involved. The loan repayments and the tax assistance payments are taxable income and will be reported to the Internal Revenue Service (IRS). The tax assistance payment will be paid to the IRS directly on the participant's behalf. LRP award recipients should be aware that the IRS may place them in a higher tax bracket than they would otherwise have been prior to their award.

3. Reporting

Any individual who enters this program and satisfactorily completes his or her obligated period of service may apply to extend his/her contract on a year-by-year basis, as determined by the IHS. Participants extending their contracts may receive up to the maximum amount of \$20,000 per year plus an additional 20 percent for Federal withholding.

Any individual who owes an obligation for health professional service to the Federal Government, a State, or other entity is not eligible for the LRP unless the obligation will be completely satisfied before they begin service under this program.

4. DUNS Number

Participants are required to have a Dun and Bradstreet (DUNS) number. The DUNS number is a nine digit identification number. Obtaining a DUNS number is easy and there is no charge. To obtain a DUNS number, access <http://www.dunandbradstreet.com> or call 1-866-705-5711. Interested parties may wish to obtain this DUNS by phone to expedite the process. A DUNS number is required before Central Contractor Registry (CCR) registration can be completed. Registration with the CCR is free of charge. To register, access <http://www.ccr.gov> or call 1-888-227-2423.

VII. Agency Contacts

Please address inquiries to Ms. Jacqueline K. Santiago, Chief, IHS Loan Repayment Program, 801 Thompson Avenue, Suite 120, Rockville, Maryland 20852, PH: 301/443-3396 [between 8 a.m. and 5 p.m. (EST) Monday through Friday, except Federal holidays].

VIII. Other Information

IHS Area Offices and Service Units that are financially able are authorized

to provide additional funding to make awards to applicants in the LRP, but not to exceed \$35,000 a year plus tax assistance. All additional funding must be made in accordance with the priority system outlined below. Health professions given priority for selection above the \$20,000 threshold are those identified as meeting the criteria in 25 U.S.C. 1616a(g)(2)(A) which provides that the Secretary shall consider the extent to which each such determination—

(i) Affects the ability of the Secretary to maximize the number of contracts that can be provided under the LRP from the amounts appropriated for such contracts;

(ii) Provides an incentive to serve in Indian health programs with the greatest shortages of health professionals; and

(iii) Provides an incentive with respect to the health professional involved remaining in an Indian health program with such a health professional shortage, and continuing to provide primary health services, after the completion of the period of obligated service under the LRP.

Contracts may be awarded to those who are available for service no later than September 30, 2008, and must be in compliance with any limits in the appropriation and Section 108 of the Indian Health Care Improvement Act not to exceed the amount authorized in the IHS appropriation (up to \$27,000,000 for FY 2008.) In order to ensure compliance with the statutes, Area Offices or Service Units providing additional funding under this section are responsible for notifying the LRP of such payments before funding is offered to the LRP participant.

Should an IHS Area Office contribute to the LRP, those funds will be used for only those sites located in that Area. Those sites will retain their relative ranking from the national site-ranking list. For example, the Albuquerque Area Office identifies supplemental monies for dentists. Only the dental positions within the Albuquerque Area will be funded with the supplemental monies consistent with the national ranking and site index within that Area.

Should an IHS Service Unit contribute to the LRP, those funds will be used for only those sites located in that Service Unit. Those sites will retain their relative ranking from the national site-ranking list. For example, Chinle Service Unit identifies supplemental monies for pharmacists. The Chinle Service Unit consists of two facilities, namely the Chinle Comprehensive Health Care Facility and the Tsaile PHS Indian Health Center. The national ranking will be used for the Chinle

Comprehensive Health Care Facility (Score = 44) and the Tsaile PHS Indian Health Center (Score = 46). With a score of 46, the Tsaile PHS Indian Health Center would receive priority over the Chinle Comprehensive Health Care Facility.

Dated: January 16, 2008.

Robert G. McSwain,

Acting Director, Indian Health Service.

National Institutes of Health

Submission for OMB Review; Comment Request; NIH-American Association for Retired Persons (AARP) Short Follow-Up Questionnaire 2008 (NCI)

SUMMARY: Under the provisions of Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Cancer Institute (NCI), the National Institutes of Health (NIH), has submitted to the Office of Management and Budget (OMB) a request to review and approve the information collection listed below. This proposed information collection was previously published in the **Federal Register** on November 6, 2007 (Vol. 72, No. 214, p. 62660) and allowed 60-days for public comment. One public comment was received on November 6, 2007 which questioned why AARP was not funding this study as opposed to using NIH funds. An e-mail response was sent on January 14, 2008 stating, "We received your comment. We will take your comments into consideration". The purpose of this notice is to allow an additional 30 days for public comment. The National Institutes of Health may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Proposed Collection: Title: NIH-American Association for Retired Persons (AARP) Short Follow-Up Questionnaire 2008 (NCI). *Type of Information Collection Request:* New. *Need and Use of Information Collection:* The purpose of this short 2-page questionnaire is to obtain information on 18 different medical conditions, several medical procedures, and lifestyle characteristics from 513,225 participants of the NIH-AARP Diet and Health Study. The questionnaire will support the ongoing examination

between cancer and nutritional exposures. This questionnaire adheres to The Public Health Service Act, Section 412 (42 U.S.C. 285a-1) and Section 413 (42 U.S.C. 285a-2), which authorizes the Division of Cancer Epidemiology and Genetics of the National Cancer Institute (NCI) to establish and support programs for the detection, diagnosis, prevention and

treatment of cancer; and to collect, identify, analyze and disseminate information on cancer research, diagnosis, prevention and treatment. *Frequency of Response:* Once. *Affected Public:* Individuals. *Type of Respondents:* U.S. adults (persons aged 50-85). The annual reporting burden is as follows: *Estimated Number of Respondents:* 513,225; *Estimated*

Number of Responses per Respondent: 1; *Average Burden Hours Per Response:* .0668; and *Estimated Total Annual Burden Hours Requested:* 34,283. The annualized cost to respondents is estimated at: \$302,158. There are no Capital Costs, Operating Costs, and/or Maintenance Costs to report.

Type of respondents	Number of respondents	Frequency of response	Average burden hours per response	Annual hour burden	Hourly wage rate	Cost to respond
Senior Adults	513,225	1	.0668 (4 minutes).	34,283	\$17.68	\$302,158

Request for Comments: Written comments and/or suggestions from the public and affected agencies are invited on one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

FOR FURTHER INFORMATION CONTACT: To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, contact Arthur Schatzkin, M.D., Dr.P.H, Chief, Nutritional Epidemiology Branch, Division of Cancer Epidemiology and Genetics, National Cancer Institute, NIH, DHHS, Executive Plaza South, Room 3040, 6120 Executive Blvd., EPS-MS-C 7242, Bethesda, MD 20892-7335 or call non-toll-free number 301-594-2931 or e-mail your request, including your address to: schatzka@mail.nih.gov.

Comments Due Date: Comments regarding this information collection are best assured of having their full effect if received within 30 days of the date of this publication.

Dated: January 14, 2008.
Vivian Horovitch-Kelley,
NCI Project Clearance Liaison, National Institutes of Health.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

Prospective Grant of Exclusive License: Human Monoclonal Antibodies, Their Fragments and Derivatives as Biotherapeutics for the Treatment of HIV Infections

AGENCY: National Institutes of Health, Public Health Service, HHS.
ACTION: Notice.

SUMMARY: This is notice, in accordance with 35 U.S.C. 209(c)(1) and 37 CFR 404.7(a)(1)(i), that the National Institutes of Health (NIH), Department of Health and Human Services, is contemplating the grant of an exclusive license to practice the inventions embodied in:

1. U.S. Provisional Patent Application S/N 60/329,709 (E-130-2001/0-US-01). PCT/US02/33165 was filed on October 16, 2002 (E-130-2001/0-PCT-01) and converted into 02773789.9 (E-130-2001/0-EP-03) filed in Europe on May 12, 2004, 2002337885 (E-130-2001/0-AU-02) filed in Australia on March 29, 2004, 10/492,729 (E-130-2001/0-US-05) filed in the U.S. on April 15, 2004, divisional application 11/748,992 (E-130-2001/0-US-07) filed in the U.S. on May 15, 2007, and 2,463,931 (E-130-2001/0-CA-04) filed in Canada on April 15, 2004; entitled "Broadly Cross-Reactive Neutralizing Antibodies Against Human Immunodeficiency Virus Selected By Env-CD4-Co-Receptor Complex." Inventor(s): Dimiter S.

Dimitrov (NCI), Maxime Moulard (EM), Xiadong Xiao (NCI), Yuuei Shu (NCI), Sanjay K. Phogat (IAVI), Mei-Yun Zhang (NCI), and Dennis Burton (Scripps Inst.)

2. U.S. Provisional Patent Application S/N 60/623,394 (E-251-2004/0-US-01). PCT/US2005/39175 (E-251-2004/0-PCT-02) filed on October 28, 2005 and converted into 2,585,574 (E-251-2004/0-CA-04) filed in Canada on October 28, 2005, 05819487.9 (E-251-2004/0-EP-05) filed in Europe on April 27, 2007, 2005302416 (E-251-2004/0-AU-06) filed in Australia on October 28, 2005, and 11/718,202 (E-251-2004/0-US-03) filed in the U.S. on August 10, 2007; entitled "Novel Broadly Cross-Reactive HIV Neutralizing Human Monoclonal Antibodies Selected From Phage Display Libraries Using Novel Strategy Based On Competitive Antigen Panning." Inventor(s): Dimiter S. Dimitrov (NCI) and Mei-Yun Zhang (SAIC) to Profectus Biosciences, Inc. (hereafter Profectus) having a place of business in Baltimore, Maryland. The patent rights in these inventions have been assigned to the United States of America.

DATES: Only written comments and/or application for a license, which are received by the NIH Office of Technology Transfer on or before March 25, 2008 will be considered.

ADDRESSES: Requests for a copy of the patent application, inquiries, comments and other materials relating to the contemplated license should be directed to: Sally Hu, Ph.D., M.B.A., Office of Technology Transfer, National Institutes of Health, 6011 Executive Boulevard, Suite 325, Rockville, MD 20852-3804; E-mail: hus@od.nih.gov; Telephone: (301) 435-5606; Facsimile: (301) 402-0220.

SUPPLEMENTARY INFORMATION: The first invention (E-130-2001/0) provides a
