

welfare cases; and (2) Training judges, attorneys, and other legal personnel in child welfare cases; and conducting cross-training with child welfare agency staff and contractors.

The statute requires separate applications for these two new grants. The annual burden estimates below describe the estimated burden for the two new grants. ACF collects

information from the States about their work under these grants (applications, program reports) by way of a Program Instruction issued on June 15, 2006.

This Program Instruction describes the programmatic and fiscal provisions and reporting requirements for each of the grants, specifies the application submittal and approval procedures for the grants for fiscal years 2006 through

2010, and identifies technical resources for use by State courts during the course of the grants. The agency uses the information received to ensure compliance with the statute and provide training and technical assistance to the grantees.

Respondents: State Courts.

Awards to Eleven Office of Refugee Resettlement Shelter Care Providers

AGENCY: Office of Refugee Resettlement, Administration for Children and Families, HHS.

ACTION: Notice of Grant Awards.

CFDA #: 93.676

SUMMARY: This notice is hereby given that an award will be made to an unaccompanied alien shelter care provider, Southwest Regional Youth Village, Vincennes, Indiana, in the amount of \$586,719. This funding will support services through September 30, 2008.

This funding will support the expansion of secure program bed capacity to meet the number of unaccompanied alien children referrals from the Department of Homeland Security (DHS).

The program is mandated by section 462 of the Homeland Security Act to ensure appropriate placement of all referrals from the DHS. ORR's ability to meet this mandate is often a challenge since the program is completely tied to DHS interior apprehension strategies and the sporadic number of border crossers.

The program has very specific requirements for the provision of services. This grantee is one of the only entities with the infrastructure, licensing, experience and appropriate level of trained staff to meet the service requirements for secure capacity. The program's ability to meet the number of secure referrals from DHS can only be accommodated through the expansion

of this program through the supplemental award process.
