

members and persons associated with members with provisions of the Act, the rules and regulations thereunder, and self-regulatory organization rules, and is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Nasdaq believes that the clarification of Rule 4631 is needed to avoid further confusion surrounding its applicability. Currently, members may be interpreting the Rule inconsistently, thus providing disclosures to parties that were not contemplated as requiring the protections of the Rule. Nasdaq believes that the proposed amendment will ensure that members are aware of their obligations under the rule and thus foster consistent member compliance.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

Nasdaq does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others*

Written comments were neither solicited nor received.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>9</sup> and Rule 19b-4(f)(6) thereunder.<sup>10</sup>

Nasdaq has requested that the Commission waive the 30-day pre-operative period. The Commission

believes that conforming the language of the Rule to Nasdaq's intent in establishing it is consistent with the protection of investors and the public interest. The Rule was designed to ensure that customers receive appropriate disclosures of the risks of trading outside of regular trading hours, not non-member broker-dealers. The Commission hereby grants Nasdaq's request and designates the proposal as operative upon filing.<sup>11</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

#### **IV. Solicitation of Comments**

#### **Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Delay Implementation of Certain Fee Changes**

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on January 17, 2008, The NASDAQ Stock Market LLC ("Nasdaq") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared substantially by Nasdaq. Nasdaq has designated this proposal as constituting a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule under Section 19(b)(3)(A)(i) of the Act<sup>3</sup> and Rule 19b-4(f)(1) thereunder,<sup>4</sup> which renders the proposal effective upon filing with the Commission. ### **I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

Nasdaq proposes to delay the implementation date of certain pricing changes made by SR-NASDAQ-2008-001<sup>5</sup> that were effective upon filing. There is no text to the proposed rule change. Nasdaq will implement this rule change immediately.

### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

#### *A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

##### **1. Purpose**

In SR-NASDAQ-2008-001, Nasdaq made a number of changes to its pricing schedule for transaction execution and routing. In that filing, which was effective upon filing, all of the pricing changes were designated to take effect on January 2, 2008. Based on member requests to provide additional time to adjust to one aspect of the pricing change, Nasdaq is delaying implementation of the \$0.0001 reduction in the liquidity provider rebate applicable to quotes/orders that are designated for posting to the Nasdaq book without being displayed to other market participants. Thus, for the month of January, the liquidity provider credit for Nasdaq-listed securities priced at \$1 or more will be \$0.0025 per share executed for members with an average daily volume through the Nasdaq Market Center in all securities during the month of more than 35 million shares of liquidity provided; \$0.0022 per share executed for members with an average daily volume of more than 20 million shares of liquidity provided; and \$0.002 per share executed for other members. The liquidity provider credit for securities listed on the New York

Stock Exchange ("NYSE") priced at \$1 or more per share will be \$0.0027 per share executed for members with an average daily volume through the Nasdaq Market Center in all securities during the month of more than 35 million shares of liquidity provided; \$0.0023 per share executed for members with an average daily volume of more than 20 million shares of liquidity provided; and \$0.002 per share executed for other members. For securities listed on exchanges other than NYSE and Nasdaq, the rebate will be \$0.004 per share executed for all members trading certain designated "Low-Volume Securities." For other securities listed on exchanges other than Nasdaq and NYSE, the rebate will be \$0.0025 per share executed for members with an average daily volume of more than 35 million shares of liquidity provided; \$0.0022 per share executed for members with an average daily volume of more than 20 million shares of liquidity provided; and \$0.002 per share executed for other members. Effective February 1, 2008, the reduction of each of these amounts by \$0.0001 per share executed for quotes/orders that do not display liquidity will be implemented. All other changes made by SR-NASDAQ-2008-001 have been implemented effective January 2, 2008. Because Nasdaq prepares bills for order execution and routing at the end of a month, the delayed implementation will be fully reflected in the bills for January 2008.

##### **2. Statutory Basis**

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,<sup>6</sup> in general, and with Section 6(b)(4) of the Act,<sup>7</sup> in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which Nasdaq operates or controls. The changes will delay a decrease in liquidity provider rebates during the month of January 2008 for all members that provide liquidity through non-displayed quotes/orders.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

Nasdaq does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others*

Written comments were neither solicited nor received.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing proposed rule change has become effective pursuant to Section 19(b)(3)(A)(i) of the Act<sup>8</sup> and Rule 19b-4(f)(1)<sup>9</sup> thereunder, because it constitutes a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
