Publication of Housing Price Inflation Adjustment Under 50 U.S.C. App. Section 531

AGENCY: DoD, Office of the Under Secretary (Personnel and Readiness).

ACTION: Notice.

SUMMARY: The Servicemembers Civil Relief Act, as codified at 50 U.S.C. App. Section 531, prohibits a landlord from evicting a Service member (or the Service member's family) from a residence during a period of military service except by court order. The law as originally passed by Congress applied to dwellings with monthly rents of \$2400 or less. The law requires the Department of Defense to adjust this amount annually to reflect inflation, and to publish the new amount in the

Federal Register. We have applied the inflation index required by the statute. The maximum monthly rental amount for 50 U.S.C. App. Section 531 (a)(1)(A)(ii) as of January 1, 2008, will be \$2,831.13.

Title: Special Education—Individual Reporting on Regulatory Compliance Related To The Personnel Development Programs Service Obligation and the Government Performance Results Act (GPRA).

Frequency: On Occasion; Biennially.

Affected Public: Individuals or households, businesses or other for-profit, not-for-profit institutions, Federal Government, State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 1,500.

Burden Hours: 6,688.

Abstract: The data collection under this request is governed by Sections 304.23–304.30 of the June 5, 2006, regulations that implement Section 662(h) of the IDEA Amendments of 2004, which require that individuals who receive a scholarship through the Personnel Development Program funded under the Act subsequently provide special education and related services to children with disabilities for a period of two years for every year for which assistance was received. Scholarship recipients who do not satisfy the requirements of the regulations must repay all or part of the cost of assistance, in accordance with regulations issued by the Secretary. These regulations implement requirements governing, among other things, the service obligation for scholars, reporting requirements by grantees, and repayment of scholarships by scholars. In order for the federal government to ensure that the goals of the program are achieved, certain data collection, recordkeeping, and documentation are necessary. In addition, this data collection is governed by the Government Performance and Results Act (GPRA). GPRA requires Federal agencies to establish performance measures for all programs, and OSEP has established performance measures for the Personnel Development Program. Data collection, from scholars who have received scholarships under the Personnel Development Program, is necessary to evaluate these measures.
