Notice of Proposed Supplementary Rules for Public Land Administered by the Bureau of Land Management (BLM) in Colorado, Relating to Camping and Occupancy of Public Lands

AGENCY: Bureau of Land Management, Interior.

ACTION: Proposed supplementary rules for public lands within the State of Colorado.

SUMMARY: The Bureau of Land Management (BLM) is proposing these supplementary rules for public lands within the State of Colorado, relating to camping. These rules extend the time period and distance the camping public must move once the current 14-day stay limit is reached. These supplementary rules are needed to protect natural resources and provide for public health and safety. They are based upon existing regulations that address camping and residency, and update existing supplementary rules specific to camping stay limits. These supplementary rules further promote consistency between the BLM and similar rules of other natural resource agencies, including the U.S. Forest Service.
