

the Denied Person of the ownership, possession or control of any item subject to the Regulations that has been or will be exported from the United States to the Territory, including financing or other support activities related to a transaction whereby the Denied Person acquires or attempts to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Denied Person of any item subject to the Regulations that has been exported from the United States to the Territory;

D. Obtain from the Denied Person in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States to the Territory; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States to the Territory, and which is owned, possessed or controlled by the Denied Person or service any item, of whatever origin, that is owned, possessed or controlled by the Denied Person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States to the Territory. For purposes of this paragraph, service means installation, maintenance, repair, modification or testing.

Fourth, after notice and opportunity for comment as provided in Section 766.23 of the Regulations, any person, firm, corporation or business organization related to the Denied person by affiliation, ownership, control or position of responsibility in the conduct of trade or related services may also be made subject to the provisions of this Order.

Fifth, this Order does not prohibit any export, reexport, or other transaction subject to the Regulations where the only items involved that are subject to the regulations are the foreign-produced direct product of U.S.-origin technology.

Sixth, the Proposed Charging Letter, the Settlement Agreement and this order shall be made available to the public, and a copy of this Order shall be served on the Denied Person and on BIS, and shall be published in the **Federal Register**.

This Order, which constitutes the final agency action in this matter, is effective immediately.

Entered this 14th day of January, 2008.

**Darryl W. Jackson,**

*Assistant Secretary of Commerce for Export Enforcement.*

### Bureau of Industry and Security

#### Materials Technical Advisory Committee; Notice of Partially Closed Meeting

The Materials Technical Advisory Committee will meet on February 21, 2008, 10 a.m., Herbert C. Hoover Building, Room 3884, 14th Street between Constitution & Pennsylvania Avenues, NW., Washington, DC. The Committee advises the Office of the Assistant Secretary for Export Administration with respect to technical questions that affect the level of export controls applicable to materials and related technology.

#### Agenda

##### Public Session

1. Opening Remarks and Introduction.
2. Report of Composite Working group and ECCN review subgroup.
3. Change of date of Australia Group Plenary to mid April 2008.
4. Export Control Directive issued by President George W. Bush on January 22, 2008.
5. Public comments from teleconference and physical attendees.
6. Any other business.
7. Comments from Teleconferences.

##### Closed Session

8. Discussion of matters determined to be exempt from the provisions relating to public meetings found in 5 U.S.C. app. 2 10(a)(1) and 10(a)(3).

The open session will be accessible via teleconference to 20 participants on a first come, first serve basis. To join the conference, submit inquiries to Ms. Yvette Springer at [Yspringer@bis.doc.gov](mailto:Yspringer@bis.doc.gov) no later than February 14, 2008.

A limited number of seats will be available during the public session of the meeting. Reservations are not accepted. To the extent time permits, members of the public may present oral statements to the Committee. Written statements may be submitted at any time before or after the meeting. However, to facilitate distribution of public presentation materials to Committee members, the materials should be forwarded prior to the meeting to Ms. Springer via e-mail.

The Assistant Secretary for Administration, with the concurrence of the delegate of the General Counsel, formally determined on January 22, 2008, pursuant to section 10(d) of the Federal Advisory Committee Act, as amended, that the portion of the meeting dealing with matters the

premature disclosure of which would likely frustrate the implementation of a proposed agency action as described in 5 U.S.C. 552b(c)(9)(B) shall be exempt from the provisions relating to public meetings found in 5 U.S.C. app. 2 10(a)(1) and 10(a)(3). The remaining portions of the meeting will be open to the public.

For more information, call Yvette Springer at (202) 482-2813.

Dated: February 5, 2008.

#### Sulfanilic Acid From Hungary and Portugal: Final Results of Sunset Reviews and Revocation of Orders

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On October 1, 2007, the Department of Commerce ("the Department") published in the **Federal Register** the notice of initiation of the five-year sunset reviews of the antidumping duty orders on sulfanilic acid from Hungary and Portugal and the countervailing duty order on sulfanilic acid from Hungary, pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). Because the domestic interested party has withdrawn its participation and substantive responses in these sunset reviews, the Department is revoking these antidumping and countervailing duty orders.

**DATES:** *Effective Date:* November 8, 2007.

#### FOR FURTHER INFORMATION CONTACT:

Devta Ohri or Brandon Farlander, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3853 or (202) 482-0182, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

On November 8, 2002, the Department issued antidumping duty orders on sulfanilic acid from Hungary and Portugal (67 FR 68100) and a countervailing duty order on sulfanilic acid from Hungary (67 FR 68101). On October 1, 2007, the Department

initiated sunset reviews of these orders. See *Initiation of Five-year (Sunset) Reviews*, 72 FR 55742 (October 1, 2007).

On October 12, 2007, and October 31, 2007, we received notices of intent to participate and substantive responses, respectively, in these sunset reviews from a domestic interested party. Based on this information, on October 23, 2007, we informed the U.S. International Trade Commission (“ITC”) that there was domestic interest in continuation of these orders. Also, on November 21, 2007, we informed the ITC that we did not receive adequate substantive responses from any respondent parties and, as a result, we would be conducting expedited sunset reviews of these orders.

On January 28, 2008, we received a letter from the domestic interested party that it was withdrawing its notices of intent to participate in these sunset reviews and that it was no longer interested in continuation of these orders. In addition, on January 29, 2008, the domestic interested party filed a letter withdrawing its substantive response from the records of these sunset reviews. Because the Department has not expended substantial resources in conducting these expedited sunset reviews, we are accepting the domestic interested party’s withdrawal of its notices of intent to participate and substantive responses. Therefore, the Department determines that there is no domestic participation or adequate substantive responses from a domestic interested party.

#### Scope of the Order

Imports covered by this order are all grades of sulfanilic acid (“sulfanilic acid” or “subject merchandise”), which include technical (or crude) sulfanilic acid, refined (or purified) sulfanilic acid, and sodium salt of sulfanilic acid.

Sulfanilic acid is a synthetic organic chemical produced from the direct sulfonation of aniline and sulfuric acid. Sulfanilic acid is used as a raw material in the production of optical brighteners, food colors, specialty dyes, and concrete additives. The principal differences between the grades are the undesirable quantities of residual aniline and alkali insoluble materials present in the sulfanilic acid. All grades are available as dry, free flowing powers.

Technical sulfanilic acid, currently classifiable under the subheading 2921.42.22 of the *Harmonized Tariff Schedule of the United States* (“HTSUS”), contains 96 percent minimum sulfanilic acid, 1.0 percent maximum aniline, and 1.0 percent maximum alkali insoluble materials. Refined sulfanilic acid, also currently

classifiable under 2921.42.22 of the HTSUS, contains 98 percent minimum sulfanilic acid, 0.5 percent maximum aniline, and 0.25 percent maximum alkali insoluble materials.

Sodium salt (sodium sulfanilate), currently classifiable under the HTSUS subheading 2921.42.90, is a powder, granular, or crystalline material which contains 75 percent minimum equivalent sulfanilic acid, 0.5 percent maximum aniline based on the equivalent sulfanilic acid content, and 0.25 percent maximum alkali insoluble materials based on the equivalent sulfanilic acid content.

Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this order is dispositive.

#### Determination to Revoke

Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested party files a notice of intent to participate, the Department shall, within 90 days after the initiation of the review, issue a final determination revoking the order. None of the respondent interested parties responded to the notices of initiation. Further, because the domestic interested party has withdrawn its notices of intent to participate and its substantive responses in these sunset reviews, the Department finds that no domestic interested party is participating in these sunset reviews.<sup>1</sup> Therefore, consistent with 19 CFR 351.222(i)(1)(i) and section 751(c)(3) of the Act, we are revoking these antidumping and countervailing duty orders. The effective date of revocation is November 8, 2007, the fifth anniversary of the date of the Department published these antidumping duty orders and the countervailing duty order. See 19 CFR 351.222(i)(2)(i).

#### Effective Date of Revocation

Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.222(i)(2)(i), the Department will instruct U.S. Customs and Border Protection to terminate the suspension of liquidation of the merchandise subject to this order entered, or withdrawn from warehouse, on or after November 8, 2007. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of

<sup>1</sup> The statute requires revocation of an order within 90 days of initiating a sunset review when no party responds to the notice of initiation. See section 751(c)(3)(A) of the Act. However, in this case, even though the domestic interested party withdrew its participation after the 90-day period had expired, we find no basis to continue the orders.

liquidation and antidumping and countervailing duty deposit requirements. The Department will complete any pending administrative reviews of these orders and will conduct administrative reviews of subject merchandise entered prior to the effective date of revocation in response to appropriately filed requests for review.

These five-year (sunset) reviews and notice are in accordance with sections 751(c) and 777(i)(1) of the Act.

Dated: January 29, 2008.

#### Availability of Grant Funds for Fiscal Year 2008

**AGENCY:** National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC).

**ACTION:** Notice.

**SUMMARY:** NOAA publishes this notice to supplement the agency’s solicitation for applications published on July 2, 2007 in an action entitled “Availability of Grant Funds for Fiscal Year 2008” (72 FR 36244). This notice announces 3 additional programs that are soliciting applications for FY 08 funding. In addition, NOAA publishes this notice to change the funding years associated with awards for the solicitation “FY 2008 Implementation of Regional Integrated Ocean Observing Systems” announced in the **Federal Register** on July 2, 2007 (72 FR 36244, 36263) and amended on November 15, 2007 (72 FR 64047).

**DATES:** Proposals must be received by the date and time specified under each program listed in the **SUPPLEMENTARY INFORMATION** section of this document.

**ADDRESSES:** Proposals must be submitted to the program address listed in the **SUPPLEMENTARY INFORMATION** section of this document. NOAA’s discretionary grant fund notices may be found on the internet at Grants.gov. The URL for Grants.gov is <http://www.grants.gov>.
